Alaska State Legislature

Please enter into the record my testimony to the State Officers Compensation Commissi
Committee name

Committee on Salaries, dated Dec. 17, 2008
Bill/Subject

Practice restraint with State expenditures during this time of reduced volumes of oil in the pipeline, declining oil prices, financial stress and uncertain State revenue.

Freeze new heires, stop salary increases, including State executives, commissioners, Legislators, and the Governor. Cut per diem to actual costs. Table State Officers Compensation commission meeting subject matter relating to New Pay raises.

We all must be responsible and tighten our belts to pay essential services and bills.
