

USBank AccessOnline Training

USBank AccessOnline offers online training allowing users to utilize documents/tools to learn how to navigate through, and to take action within AccessOnline.

1. Sign into [AccessOnline Login](#)
2. Navigate to the Training link located in the secondary navigation menu in the left-hand bottom of the screen.

3. Select a topic area to review. There are both documents and online training videos you may choose from. Please note that the State of Alaska does not utilize all the areas/subject matters available in the training module.
