Enrolling in Enhanced Security Authentication

When you register online, you can select to enroll Enhanced Security Authentication. With this option, you request and enter a single-use passcode every time you log in the Access Online web site or mobile app, for an additional level of security. You can manage your enrollment after you enroll using the My Personal Information function. Refer to the *Access Online: My Personal Information* quick start guide.

Enhanced Security Authentication
Enrollment Preferences

Please choose whether to set up an additional method to verify your identity. If you opt in, this method will be required each time you log in.You can change your selection on the My Personal Information page.

* = required (if yes)

I want to use Enhanced Security:

○ No
◉ Yes
