Members of the Legislature:

This report on travel and compensation for executive management positions is prepared in accordance with Alaska Statute 37.05.210. The report has been compiled by the Department of Administration, Division of Finance. It includes salaries and other compensation, as well as travel and relocation expenses paid to the following: the governor, lieutenant governor, and their chiefs of staff; the president and vice-presidents of the University of Alaska and the chancellors of the individual campuses of the university; the commissioners or other executive heads of the principal departments in the executive branch, and the deputy commissioners and division directors in those departments; and the executive heads of public corporations created by law.

The information in this report is also available on the Division of Finance website.

We would like to acknowledge the efforts of each state agency, and thank them for their assistance in preparing the schedules presented in this report.

Sincerely,

Michael W. Miller
Commissioner
