The written appeal shall state specifically which article(s) and/or sections(s) of the Agreement the Employer may have violated. The Human Resource Manager shall submit his/her decision and the reasons therefore in writing to the

Association within ten (10) working days after receipt of the grievance at Level Two. If requested by the Human Resource Manager, an extension of this ten (10) working day response deadline shall be granted to allow appropriate travel.

Settlements reached at Level One or Level Two shall be binding only if such settlements are consistent with the provision of this Agreement. Grievances settled at Level One or Level Two found to be inconsistent with this Agreement may be reopened by the Employer through a written notice to the Association within fifteen (15) working days from the date of settlement.

C. Level Three

If the Association is not satisfied with the disposition of the grievance at Level Two, the Association may appeal in writing the Level Two decision to the Commissioner of the Department of Administration within twenty (20) working days after the decision at Level Two is due or received, whichever is earlier. The written appeal shall state specifically which articles or sections of the Agreement the Employer may have violated. The Commissioner of the Department of Administration, or designee, shall submit his/her decision and the reasons therefore in writing to the Association within twenty (20) working days after receipt of the grievance at Level Three.

D. Arbitration

If the Association is not satisfied with the disposition of a grievance at Level Three, the Association may appeal in writing the Level Three decision to binding arbitration within fifteen (15) working days after the decision at Level Three is due or received, whichever is earlier. Within twenty (20) working days after the written appeal to arbitration is received, the Employer and the Association shall meet to select an arbitrator from the current panel of arbitrators by alternately striking names from the panel until only one name remains. The remaining name shall serve as the arbitrator. If the selected arbitrator cannot serve within a reasonable period of time, the parties will mutually agree upon another arbitrator. The first strike shall be determined by a coin toss.

Section 5: Board of Arbitrators

The panel of arbitrators shall be seven (7) Pacific Northwest arbitrators jointly requested by the Association and the Employer from the Federal Mediation and Conciliation Service (FMCS) within thirty (30) working days of the signing of this Agreement. If either the Employer or Association so desires, a new panel of seven (7) arbitrators may be requested at the end of each six (6) month period. This does not preclude the parties from compiling a mutually agreeable list without the assistance of the FMCS.

The selected arbitrator shall be jointly contacted by the parties promptly to schedule a mutually satisfactory hearing date, time and place for the arbitration. The arbitrator will issue his/her decision not later than thirty (30) working days from the date of the close of the hearings, or from the date the final statements and/or briefs are submitted to him/her. The written decision of the arbitrator shall be submitted to the Employer and to the Association and shall be final and binding upon the parties. The arbitrator shall have no authority to rule contrary to, to amend, add to, subtract from or eliminate any of the terms of this Agreement. The arbitrator shall have the power to return a grievant to bargaining unit member status with or without restoration of back pay or mitigate the penalty as equity suggests under the facts.

Section 6: Authority of the Arbitrator

The parties agree that any questions of procedural arbitrability in a dispute shall be heard by the arbitrator at the same hearing that the merits of the dispute are heard, unless upon the request of either party, the arbitrator decides otherwise. The arbitrator shall first rule on the procedural arbitrability issues in his/her decision and, if appropriate, on the merits of the dispute. The costs of the services for the arbitrator, and his/her travel and subsistence expenses and the cost of any hearing room will be borne as designated by the arbitrator. All other costs will be borne by the party incurring them.

Section 7: Arbitration Witnesses

A bargaining unit member who is required to appear as a witness for an arbitration proceeding for the Association shall be granted time off, and such time will be considered Association Leave and be deducted from the four (4) hours per pay period as provided for in this Agreement.

The rater, the bargaining unit member and the appropriate supervisor shall jointly develop the remediation plan. The plan shall minimally state specifically what is to be corrected, by what standards and at what level such corrections shall be judged, the types of

assistance that will be provided to the employee, and a reasonable time period in which the corrections are to be made. A follow-up evaluation may be scheduled consistent with the remediation plan.

- F. Any change in the evaluation form shall be reviewed by the Association prior to the new evaluation form being used.

- A. The Employer will continue to provide a flexible benefits program for the provision of health insurance. Eligible employees will pay, by payroll deduction, any difference between the Employer's contribution and the total premium required to provide the coverage elected by the employee under the flexible benefits program. The Employer will seek to maintain a plan with prudent reserves and appropriate cost sharing. This article will in no way limit the Commissioner's authority under AS 39.30.095(b).
- B. Effective July 1, each year this agreement is in effect, the Employer's health insurance contribution shall be the amount of money, for all employees, that is necessary to fund comparable coverage under the Select Benefits Economy Plan, less a monthly employee contribution of 15% of the premium contribution, commencing January 1, 2018, for the employee only and the employee plus family economy plans. The Employer has no liability for the failure or refusal of the insurance carrier to honor a bargaining unit member's claim or to pay benefits and no such action on the part of the insurance carrier shall be attributable to the Employer or constitute a breach of this Agreement by the Employer. Under no circumstances shall the Employer be responsible for paying any health insurance benefits directly to a bargaining unit member. Disputes regarding individual claims shall be adjudicated solely through the procedures provided by the insurance carrier, except that an allegation that the Employer has failed to pay the required premium may be subject to the grievance procedure set out at Article 15 of this Agreement.
- G. The Employer expressly waives its right to require the Association to bargain collectively and the Association expressly waives its right to require the Employer to bargain collectively over all matters relating to the provision of a group health insurance plan established pursuant to AS 39.30.090.

Bargaining unit members shall be compensated for each workday based on the appropriate daily rate of pay from the salary schedule below. The total number of compensated days shall include one (1) preparation day without students for every eighteen (18) days of instruction of six (6) hours or more. Bargaining unit members working in the current school year shall be notified of the number of workdays for the next school year no later than June 16 if there is sufficient work or money to continue employment for the next school year. The Employer will attempt to avoid decreasing the number of workdays for all bargaining unit members; however, if reductions cannot be avoided, overall decreases in the number of workdays for a school year will not be so great that a loss of accreditation may result.

Section 2: Salary Schedule

Effective July 1, 2017, the salary schedule in effect June 30, 2017 shall remain in effect for the duration of this agreement. The salary schedule is found on and derived from the Division of Finance website.

Section 3: Initial Placement

Initial placement on the salary schedule will be based on the following guidelines. AVTEC Administration has the option of advanced placement of up to five (5) steps in consideration of industry credentials and or teaching experience. Determination of qualifying credentials and experience is the responsibility of the Director or designee. Advance placement beyond five (5) steps must have prior approval from the Director of Personnel & Labor Relations. Experience and education must be related to assigned subject area to be considered for initial placement. Experience must be journey-level or equivalent.

Column	Experience and Education
1	Minimum of 5 years, or Associate's degree
2	Minimum of 10 years, or Associate's degree plus 5 years, or Bachelor's degree
3	Minimum of 15 years, or an Associate's degree plus 10 years, or Bachelor's degree plus 5 years, or a Master's degree

A current bargaining unit member who has completed their probationary period as defined in Article 10, section 3 and who separates in good standing while holding a permanent appointment may be reappointed without recruitment or examination in the instructor job class provided that the reappointment takes place within two (2) years for the bargaining unit member's date of separation and provided they are not retired under TRS or PERS.

If an employee eligible for rehire is reappointed, the appointing authority may make the appointment at the same step in the salary range occupied before the separation provided that the reappointment occurs within two (2) years.

Section 4: Advancement

Step advancement will be based on evaluation that reflects performance of greater value to AVTEC and overall satisfactory performance as determined by the Employer in an annual evaluation. Administration may grant additional merit step advancement for exceptional performance.

Column advancement is based on the bargaining unit member achieving initial placement criteria for a specific range, or attainment of sufficient professional development credits. Achieving twenty-one (21) credits on an approved professional development plan will qualify for movement up one column within the established salary schedule. All credits must be earned after initial employment and after each column advancement. NOTE: advancement beyond Column 4 will require a minimum of an Associate degree.

For the purposes of movement across the salary schedule, a credit shall be defined as either:

1. One (1) university semester credit, or;
2. Training directly related to the assigned instructional area. To qualify for credits in this provision, the course must be pre-approved by the Department Head and AVTEC Director or designee. Additional course work in addition to the training program may be required. The number of credits earned for such training shall be roughly equivalent to the formula used to determine university credit. (15 hours of classroom instruction or 45 hours of externship, shop instruction, or the equivalent shall equal one (1) credit). This also must be reviewed and approved by the Department Head and AVTEC Director or designee.

Section 5: Department Head Pay

Department head status is an assignment of instructional supervisory and management responsibility from AVTEC Administration. AVTEC Administration has sole authority to assign or remove department head duties.

- A. A bargaining unit member with a regular daily instructional assignment and assigned department head duties shall receive additional compensation equivalent to one step (3.7%) higher than their normal step placement, and will be paid for five (5) additional work days.
- B. If the department head is responsible for supervising a combination of five (5) or more bargaining unit members or instructors and others employed by the State and has a full-time instructional assignment, s/he shall receive additional compensation equivalent to one step (3.7%) higher than his or her normal step placement, and will be paid for ten (10) additional work days.

Section 6: Notification of Salary Change Eligibility

Advancement for Next School Year.

To be considered for column advancement bargaining unit members must submit a request for advanced column placement in writing with applicable documentation to the AVTEC Director or designee. In order to meet the responsibility in forecasting budget requirements of AVTEC, requests for advancement must be submitted no later than April 1 to be considered for the coming fiscal year. Bargaining unit members must either submit a letter requesting column

placement with appropriate supporting documentation or a letter of intent with an estimated date that the bargaining unit member will complete advancement requirements during the next fiscal year. Once the bargaining unit member has provided all the required documentation to support column advancement the Director, or designee, will review the request and determine eligibility within (10) working days. Bargaining unit members approved for column advancement will be placed in the appropriate column the first day of the pay period of the new fiscal year or the first day of the pay period following approval of advancement whichever is applicable. If for any reason the member is unable to meet the goal set in the letter of intent the member should retract their intention in writing to the Director, or designee, and if applicable submit a new letter for the next fiscal year.

Section 7: Professional Development Plan

Professional development plans will be prepared for bargaining unit members wishing advanced column placement and who are not enrolled in a degree program. The plans are for the purpose of professional advancement that results in services being of greater value and accomplishing the goals of AVTEC. The teacher or instructor and their department head will develop professional development plans jointly. All professional development plans will be approved by the AVTEC Director or designee and will not be unreasonably denied.

Section 8: Workday

Bargaining unit members at AVTEC are not entitled to overtime pay. Instructional programs, where feasible, will be designed to be delivered within a 7.5 hour day, five (5) day week. If a bargaining unit member is assigned by AVTEC Administration office to perform additional instructional duties beyond those normal to the assigned position, the member will be compensated. Duties normal to the position shall include those tasks the member would be required to perform for the effective delivery of the assigned vocational program. It is recognized that it is not the intent of the parties to extend the normal workday or week through the assignment of unrelated duties. Members will not be required by AVTEC Administration to perform activities beyond the normal instructional assignment without compensation. Such compensation may be made by adjusting the workweek or by increasing the number of compensated work days. This compensation will be made at the member's (then) current daily rate. The amount and type of compensation shall be agreed upon by an administrator and the member prior to the performance of the activity.

Section 9: Preparation Time

One-half (1/2) hour of compensated preparation time will be allowed for each day a teacher or instructor performs instructional duties for a minimum of seven (7) hours. It is understood that there may exist unique circumstances where preparation time may be cumulative toward additional compensated workdays that must be mutually agreed upon between the teacher or instructor and an administrator at the discretion of the employer.

Preparation days (per Article 19, Section 1) shall be independent of mandatory in service or professional development activities.

Section 10: Pay procedures

A. The annual pay for bargaining unit members will be computed by multiplying the appropriate daily rate times the number of paid days. Salary will be distributed over twenty-four (24) semi-monthly pay periods to ensure year round insurance coverage. However, upon initial hire, a

member's salary will be distributed equally over the pay periods remaining in the school year ending June 30.

- B. The Employer agrees that payday shall be semi-monthly and shall be paid on the fifteenth (15th) and on the last day of each month. If the bargaining unit member's payday falls on a Saturday, Sunday or holiday, then the last working day before said Saturday, Sunday or holiday shall be considered payday.
- C. All checks postmarked or deposited by payday shall be considered timely.
- D. The Employer shall itemize all deductions on regular paychecks so bargaining unit members can clearly determine the purposes for which amounts have been withheld.

ARTICLE 20 LEAVE

Effective July 1, 2005, a personal leave system shall be put in place for all eligible bargaining unit members. Bargaining unit members employed in the unit on July 1, 2005, who are currently under the TRS retirement program, must choose, irrevocably, to remain under provisions of Section B.  - c. 5 years and more of service: 5.31 hours per semi-monthly pay period (127.5 hours annually)
2. There shall be no accrual of personal leave during any pay period during which the bargaining unit member is absent without approved leave. Bargaining unit members on approved leave shall receive payment at their current salary to the extent that they have leave accrued. Personal leave may not be used for any period that the bargaining unit member is not scheduled to work. Personal leave accruals for partial months of work will be on a prorated basis.
3. Upon appointment, accrued personal leave is available for use by a member following the successful completion of thirty (30) consecutive calendar days of leave eligible employment.

4. Personal leave accrued but not used shall accumulate to a maximum of seven-hundred twenty (720) hours on June 30 of any calendar year. If a bargaining unit member has, as of June 30, an amount of personal leave in excess of seven-hundred twenty (720) hours, the excess shall be deducted from the employee's personal leave balance and paid as cash.

Section 2. Banked Medical Leave

Bargaining Unit Members under the Teachers Retirement System who have banked medical leave will be eligible for the unused sick leave credit defined in AS 14.25.115.

Personal leave shall be used for any and all purposes for which sick and/or annual leave have heretofore been used. This includes medical or dental appointments, and illness or injury of the member or the member's immediate family as defined in 2 AAC 08.999.

Personal leave requests require the prior approval of the supervisor except in the case of illness or injury to the member. Member requests shall be given full consideration and, to the extent practicable, approved. However, the parties agree that the final decision with regard to approval or disapproval of any request will be based on the supervisor's evaluation of the needs of the job. In an absence due to illness or injury, the supervisor may require a physician's certificate for absences in excess of three (3) days or if improper use is suspected.

Regular personal leave requests that require overtime and/or substitutes to maintain essential services must be approved in advance by the Director or designee, rather than the supervisor.

Section 4. Donated Leave

Members shall be allowed to donate personal leave to and receive donations of personal leave from leave eligible members in this unit or those represented by a different union or noncovered employees subject to the following conditions:

1. Each member wishing to donate personal leave will fill out, date and sign a leave slip showing the amount of leave to be donated subject to a minimum of four (4) hours. 2. The Association will be responsible for gathering all leave donations and forwarding to the Division of Personnel & Labor Relations Payroll Services Supervisor for the department. Leave donations will be posted by the Employer in date and order received to the recipient's donated leave account as needed. Donations will not be posted for use in a pay period prior to that in which received. Once an employee returns to work, if after three pay periods in which the donee does not require the use of donated leave, the leave donated and not used by the donee shall be returned to the donor.
3. The Employer will convert the donated leave to dollars at the annualized hourly rate of the donor. That dollar amount will be converted to leave at the annualized hourly rate of the recipient and the appropriate hours of leave will be added to the recipient's donated leave account for use as sick leave. The total amount of leave credited to the recipient's donated leave account shall not exceed 300 hours during the life of the current agreement. Donated leave may not be used until all accrued personal leave has been exhausted.
4. Once the Employer has completed the above process, the state will not be obligated for further processing or liabilities resulting there from. Once the donation has been transferred to the recipient, the donation cannot be withdrawn, modified or otherwise returned to the donor's leave account. Upon the death of a member, any unused donated leave shall be paid in cash to the member's beneficiaries at the member's annualized hourly rate.

Section 6. Terminal Leave

Upon separation, all accrued personal leave shall be paid to the Bargaining Unit Member at the rate it was accrued.

Such leave shall be limited to one (1) month for each full year of State service to a maximum of twenty-four (24) months. The appointing authority may periodically require that the bargaining unit member submit a certificate from the attending physician or from a designated physician. If the certificate does not clearly show sufficient disability to preclude the bargaining unit member from performing the bargaining unit member's duties or if the bargaining unit member does not provide the required certificate, the appointing authority may cancel the leave and require the bargaining unit member to report to duty on a specified date.

Family Medical Leave: Employees shall be entitled to coverage under the Family Medical Leave Act (FMLA) and the Alaska Family Leave Act (AFLA – AS 39.20.500).

Any AVTECTA member may become a member of the Sick Leave Bank by authorizing the donation of fifteen (15) hours of leave to the Bank on the form provided by the Employer:

1. Newly hired bargaining unit members must donate within the first one hundred (100) workdays.
2. Existing bargaining unit members may join by donating during an annual enrollment window of November 1 to December 15 each calendar year. Failure to join by notification to the Employer during this period renders the bargaining unit member ineligible for use of the Sick Leave Bank for the following leave year.

Thereafter, members of the Bank shall each donate to the Bank a leave day (7.5 hours) each January 1, until the Bank reaches a maximum balance of 150 days (1,125 hours). Except for new participants, no more leave donations will be deducted until the Bank is depleted to 60 days (450 hours).

ARTICLE 23 SABBATICAL LEAVE

- A. The Employer may grant sabbatical leave to qualified AVTECTA bargaining unit members.
- B. The leave may be for up to one full year and shall count as a year's service for salary placement at AVTEC. If the Employer determines a sabbatical leave is appropriate, the Employer and bargaining unit member agree to make TRS/PERS contributions for the period of sabbatical leave in accordance with AS 14.20.330. The Employer shall pay a teacher's employer-sponsored health insurance premium while the teacher is on sabbatical leave.
- C. If the Employer determines a sabbatical leave may be taken during the following school year, a Sabbatical Leave Committee composed of three representatives appointed by the Association and three representatives appointed by the Employer will meet during the first week of April to review applications submitted prior to April 15 for sabbatical leave consideration. In the event the committee's vote is a tie, the Director or designee shall make the final decision among tied candidates. The bargaining unit member will be notified of his/her selection on or before May 1 of each year.
- D. To qualify to apply for a sabbatical, a bargaining unit member must have served with the Employer as a bargaining unit member at AVTEC for at least five (5) continuous years. The sabbatical leave shall be granted only for educational purposes. The educational purposes must be directly related to the bargaining unit member's AVTEC position. The criteria to be considered for each applicant shall be: 1) benefit to the educational program of AVTEC, 2) educational improvement of the bargaining unit member and, 3) the quality of educational program chosen by the bargaining unit member to enter.
- E. Upon return from a sabbatical leave a bargaining unit member shall be assigned to the position s/he previously held unless that position has been eliminated in which case the bargaining unit member shall be assigned by the Employer to a similar position after consultation between the bargaining unit member and an appropriate AVTEC Administrator. If no similar position is available or if the similar position is filled, layoff procedures as provided for in Article 12 shall be invoked.

ARTICLE 24 PARKING

The Employer shall make a good faith effort to make parking facilities available to bargaining unit members.

Every effort will be made to provide reserved parking spaces for bargaining unit members who are disabled with respect to walking capability. Such parking will be assigned as near as practicable within

close proximity to the bargaining unit member's instructional area.

Where head bolt heater outlets are provided by the Employer, bargaining unit members shall be permitted to use such outlets at no cost.

ARTICLE 25 EQUIPMENT

Section 1: Tools and Uniforms

The Employer shall not require bargaining unit members to furnish their own tools or work implements in order to perform their duties.

The Employer shall provide uniforms to all bargaining unit members required to wear prescribed apparel.

Section 2: Safety Equipment

- A. It shall not be a violation of this Agreement or grounds for dismissal if a bargaining unit member refuses to work on an unsafe job, provided the job is found to be unsafe by the Alaska Department of Labor and Workforce Development. Any safety equipment required by the Division of Labor Standards and Safety regulations to make a job safe shall be supplied by the Employer. The Employer shall abide by safety regulations enforced by, but not limited to, the Alaska Division of Labor Standards, the State Fire Marshall and/or the City Fire Marshall.
- B. Disciplinary action shall not be taken under this Article until the Department of Labor and Workforce Development has made a finding on safety. If the Department of Labor and Workforce Development finds the job to be safe, and in the event that subsequent disciplinary action is taken, the bargaining unit member shall have recourse to the established complaint and/or grievance procedure.

ARTICLE 26 TRAVEL AND PER DIEM

Travel and per diem will be paid in accordance with the Alaska Administrative Manual (AAM 60.010 - AAM 60.280) as revised.

Bargaining unit members may request the waiver of the provisions listed above through a standard letter of agreement.

ARTICLE 27 PROTECTION OF RIGHTS

Section 1: Illegal Work

The Employer shall not knowingly require any AVTECTA member to perform work in violation of any Federal, State or local laws.

Section 2: Stolen or Damaged Property

- A. Bargaining unit members shall not be responsible for stolen, lost or damaged property except where there is cause to suspect negligence or deliberate act. This shall include the use of credit cards or any other method of credit. In cases of bargaining unit members who are continuing their employment, no deduction in pay shall be made without ten (10) working days notice to the bargaining unit member. If the bargaining unit member's dispute the matter through the grievance or complaint procedure as applicable within the ten (10) working days from date of notice, no deductions will be made until the dispute process has been completed.
- B. In cases of separating bargaining unit members, the Employer may withhold from the final paycheck the value of the lost or damaged property and may do so pending completion of the applicable dispute process.
- C. This section is not intended to preclude disciplinary action or provide for a time frame for the action except as otherwise provided in this Agreement.

Section 3: Revocation of Licenses

In the event that a bargaining unit member shall suffer a revocation of a professional license because of violation of any Federal, State or local laws by the Employer, the Employer shall provide suitable and continued employment for such bargaining unit member, at not less than the member's standard rate of pay at the time of revocation of the bargaining unit member's license for the entire period of revocation of the license and the bargaining unit member shall be reinstated to the position held prior to revocation of license after the license is restored.

Section 4: Overpayments

All disputes regarding the recovery of overpayments of compensation or other benefits covered by this Agreement shall enter the grievance procedure at the Human Resource Manager level.

Section 5: Feasibility Study

Decisions to contract out bargaining unit work shall be made only after the Employer has conducted a formal feasibility study determining whether there will be potential cost savings and other benefits that would result from contracting out the bargaining unit work in question. If the decision to contract out bargaining unit work would displace bargaining unit members, the Employer agrees to notify AVTECTA of its decision to conduct a formal feasibility study, indicating the bargaining unit work proposed to be contracted out. The notification by the Employer to AVTECTA of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work. Upon completion of the feasibility study, the Employer shall provide AVTECTA with no less than fifteen (15) working days notice that it intends to issue bids to contract out bargaining unit work. During this fifteen (15) working day period, the Employer shall not release any bids. AVTECTA will have the opportunity to submit an alternate plan that will be given fair consideration to the study's recommendations.

Nothing in this Article shall prevent the Employer from continually analyzing its operations for the purpose of identifying cost saving opportunities.

No bargaining unit work shall be contracted out that results in the layoff of bargaining unit member(s) unless supported by the feasibility study.

Should a bargaining unit member be laid off as a result of contracting out, management shall make a good faith effort to find the bargaining unit member a vacant position within the institution. If such a position is not available, management shall attempt to find a vacant position within the Department. Regardless of the location, the bargaining unit member must be fully qualified for the position.

ARTICLE 28 PROFESSIONAL DEVELOPMENT

Section 1: Professional/Industrial Work Experience Leave

- A. Bargaining unit members may apply for Professional/Industrial Work Experience Leave for the purpose of receiving training in a field related to the bargaining unit member's assignment. Leave may be granted to allow the bargaining unit member to enroll in courses of instruction or to participate in a planned activity for professional development through an industrial work experience.
- B. Leave taken under this provision shall not exceed eight (8) weeks per individual bargaining unit member during the fiscal year, and the total Professional/Industrial Work Experience Leave allowed in any fiscal year shall not exceed twenty-two (22) weeks per fiscal year.
- C. Professional/Industrial Work Experience Leave must be applied for through the Director.
- D. The bargaining unit member will provide the Director with the dates the leave will be taken, the description of the professional/industrial work experience plan, and a brief statement of how the training will improve the bargaining unit member's job performance.
- E. The application for Professional/Industrial Work Experience Leave will be submitted by the Director to a three member committee consisting of two members of the Alaska Vocational Technical Center Teachers' Association and an administrative staff member within five (5) working days from the date of receipt in the Director's office. This committee will be referred to as the Professional Development Leave Committee. The Committee will recommend approval or disapproval of the application to the Director within five (5) working days from the date of receipt. The Director will inform the bargaining unit member applying for Professional/Industrial Work Experience Leave of his/her application's acceptance or denial within five (5) working days of receipt of the Committee's recommendation.
- F. During Professional/Industrial Work Experience Leave the bargaining unit member attending a course of instruction must be enrolled full time, and must successfully complete the course described in the original application. Evidence of the bargaining unit member's successful completion of the course of study must be provided to the Director within three (3) calendar months after the bargaining unit member's return to work. Evidence of successful completion may consist of any of the following: grade slips, transcripts, or a statement from the bargaining unit member of the course indicating the bargaining unit member's successful completion. Failure to provide evidence of successful completion will cause the Professional/Industrial Work Experience Leave to revert to leave or leave without pay.

- G. Bargaining unit members participating in an approved Industrial Work Experience program will submit proof of participation and satisfactory performance in the program as prescribed in the employee's application. Failure to provide evidence of successful completion will cause the Professional/Industrial Work Experience Leave to revert to leave or leave without pay.
- H. AVTEC may pay tuition, fees, and travel expenses associated with leave taken under this article. The decision to provide monetary support to the participant shall be based on the training objectives, relevance of the training to the bargaining unit member's duty assignment, and whether or not the training shall allow changes in duty assignments or assumption of additional duties and whether funds are available.

Section 2: Staff Development

The director recognizes the need for the bargaining unit members to remain current in their areas of expertise. Also, that staff development is a necessary and vital tool to enhance the capability of the staff and improve the quality of the institution. To this end, the director will seek a variety of methods and means to provide staff development opportunities to all bargaining unit members.

ARTICLE 29 POSITION OPENINGS

Bargaining unit position openings shall be publicized by any appropriate means that provides all current bargaining unit members with notice of the vacancy. Members of the bargaining unit will be given the opportunity to apply for these positions. If administrative vacancies occur, management will make efforts to apprise bargaining unit members of these opportunities.

ARTICLE 30 SUBSTITUTES

Section 1: Recruitment

The Director, or designee, shall recruit substitute bargaining unit members. Bargaining unit members and Department Chairs may submit names of individuals to the Director or designee.

Section 2: Duties

Substitute may be hired to perform some or all of the duties of a bargaining unit member. A substitute may have one or more assignments in one or more subject area or program. Hiring preference for all substitutes shall be given to those certifiable in the subject area, however certification is not required. The Employer may hold a substitute orientation once a year if practical. Prospective substitutes shall be notified of such orientation as to the date, time and place of the orientation.

Section 3: Short Term Assignments

A person who has completed one hundred fifty (150) hours of service within the identified school year as a substitute shall be paid at the rate negotiated between management and the employee. Both parties reserve the right to renegotiate the rate of pay at this juncture. The negotiated rate of pay shall not be less than the rate being paid in the first one hundred fifty (150) hours of work.

Section 4: Long Term Assignments

If a substitute has worked for more than one hundred twenty (120) consecutive days on a defined schedule, the substitute will be eligible for the benefit provisions of this agreement (AVTECTA leave and holidays) retroactive to the first day of employment as a substitute. Eligibility for life and health insurance coverage shall begin on the first day following the completion of one hundred twenty (120) consecutive days. Nothing in the provision precludes management from identifying a substitute position as a long-term assignment at the time of creation in which case the employee will receive all benefits from the first day of employment. A substitute will be separated when the instructional assignment ends with no right of appeal.

This action is not intended to reflect negatively on the substitute.

Section 5: Intent

The parties agree that it is not their intent that the employment of a substitute be used to avoid hiring a permanent bargaining unit member.

The parties agree that the Employer shall make a “good faith” effort to secure an additional permanent instructor position when a substitute’s assignment exceeds ten months of employment. If a permanent position is established under this Article, the substitute holding the equivalent substitute position shall become the incumbent in the newly established permanent position, provided no permanent bargaining unit members wishes to fill the position and providing the person meets the requirements for a full time position. If there is more than one substitute filling equivalent substitute positions they shall be given equal consideration for the newly established permanent position.

Section 4: Scope of office or employment.

Member is acting within the scope of member's office or employment if:

1. member was employed or authorized to perform the act or omission;
2. the act or omission occurred substantially within the authorized space or time of the office or employment;
3. a purpose of the act or omission was to serve the state; and
4. the act or omission did not constitute willful, reckless, or intentional misconduct, gross negligence, or malicious conduct.
