The Association agrees to provide representation to all bargaining unit members whether or not they are members of the Association.

Section 4 - Association Activities

The Employer agrees that it shall not in any manner, directly or indirectly, attempt to interfere between any of its members and the Association. The Employer shall not in any manner restrain or attempt to restrain any member from belonging to the Association, or from taking an active part in lawful Association affairs that are not inconsistent with this Agreement.

Section 5 - Dues Deductions

The Employer agrees to deduct on a regular monthly basis from the paycheck of the member who so authorizes the regular fixed monthly dues, assessments and

fees of the Association. The amount so deducted as certified by the President, Secretary or Executive Secretary of the Association shall be transmitted monthly to the Association on behalf of the member involved. Deductions authorized shall be on a form mutually agreeable to the parties, and furnished by the Association to the Employer. No other employee organization shall be accorded payroll deduction privileges with regard to members of the Bargaining Unit.

Section 6 - Written Notice

The Employer shall provide the Association with a written notice of all additions to the unit and all separations from the unit. Such notice shall include the member's name, class title, location and the date of such action. This written notice shall be transmitted to the Association within fifteen (15) days of the action by the appropriate department.

ARTICLE 4 - ASSOCIATION RESPONSIBILITY

Section 1

The Association assumes all obligations and responsibilities for this unit to the extent the Association may exercise reasonable control as permitted by law.

Section 2

The Association agrees that this Agreement is binding on each and every member of this bargaining unit and that its members, individually or collectively, accept full responsibility for carrying out all of the provisions of this Agreement.

Section 3

The Association agrees that it shall where permissible in its role as exclusive representative, take affirmative steps to assist the Employer in combating absenteeism, sexual harassment, and other practices by the employee which may be illegal or may hamper the Employer's operation. All efforts to improve safety practices, fitness, efficiency, and the quality of law enforcement shall be vigorously supported by the Association. The parties agree to promote good will between the Employer and the Association, and between the Employer and bargaining unit members.

Public Safety Employees Association agrees that its membership has the right to utilize the Employer's Internal Discrimination Complaint Procedure, but that it does not supersede the provisions of the grievance-arbitration procedure in Article 10.

ARTICLE 6 - MANAGEMENT'S RIGHTS

Except--and only to the extent--that specific provisions of this Agreement expressly provide otherwise, it is hereby mutually agreed that the Employer has, and shall continue to retain, regardless of the frequency of exercise, rights to operate and manage its affairs in each and every respect.

Nothing in this Article shall be considered as superseding those rights granted to the Association in the articles and/or amendments of this Agreement.

ARTICLE 7 - MEMBER RIGHTS

Section 1 - Definition of Discipline

Discipline is defined as any action taken against a member by the Employer that may affect working conditions, hours or wages, including written reprimands. A copy of all disciplinary actions, including the investigative materials supporting each action taken shall be forwarded to the Association at 4300 Boniface Parkway, Suite 116, Anchorage, Alaska 99504.

Section 2 - Application of Discipline

a. General Discipline

When the Employer decides from known and obvious facts, that a member should be disciplined, the discipline may take place without the inquiry and/or Administrative Investigation process listed below. Minor infractions such as uniform violations or personal appearance are excepted where on-the-spot admonishments are warranted. When it becomes necessary for the Employer to initiate disciplinary actions against any member for just cause, such actions shall be administered in a fair and impartial manner, with due regard for the circumstances of the individual case.

b. Criminal Investigations

The State of Alaska has the authority to authorize a criminal investigation on any person in the State of Alaska. It is not the intent of this Article to prohibit the State of Alaska's authority in these matters. Therefore, when the State of Alaska authorizes the initiation or continuation of a criminal investigation on a member of the Association, said investigation can proceed as any similar case involving persons in the State who are not members of the Association. In those instances where the State is conducting an investigation as they would against any nonmember, the Employer/Employee relationship shall be nonexistent and this Article shall not apply until a conclusion of said investigation is reached. If upon reaching a conclusion of the criminal investigation the State determines that the possibility of discipline in an Employer/Employee relationship may exist, the State may conduct an Administrative Investigation as required by Sections 2 and 3 of

this Article. Should the State determine that discipline is necessary, the decision shall be based on the Administrative Investigation.

c. Administrative Inquiry/Investigation Process

Upon receipt of a complaint against a member, the Employer shall promptly notify the member and the Association that a complaint has been registered. When a complaint is received against a member that is likely to result in an Inquiry/Investigation, the Department shall normally require a written, signed statement by the complainant. In the event no signed statement can be obtained from the complainant, the individual receiving the complaint shall prepare a full signed statement of his/her own with regard to the complaint. A copy of this signed statement and the complaint shall be furnished to the member and the Association at the time of notification that there is an inquiry and/or Administrative Investigation initiated. The Employer shall have up to five (5) of the subject member's working days in which to make inquiries to determine if an Administrative Investigation is necessary and to notify the member and the Association whether or not an Administrative Investigation shall be conducted. The member may:

- 1) answer inquiries, and/or;
- 2) demand Association representation during the inquiry process, or;
- 3) decide not to respond during the inquiry process.

Section 3 - Administrative Investigation Procedures

When it has been determined that an Administrative Investigation is necessary, the following procedures shall govern the conduct of that investigation:

- a. Definition of "Administrative Investigation" shall be construed as: Any time the Employer initiates an investigation to determine the possibility of, or to establish a basis for discipline, suspension or dismissal, whether such investigation or interrogation is initiated by an internal, external, formal or informal complaint.
- b. Association representation is mandatory at each stage of any investigation unless the member specifically waives in writing to the Association such representation. It is agreed that "unless the

member specifically waives in writing to the representative such representation" means that when a member waives Association representation, the member is waiving Article 7, Sections 2 and 3, in their entirety, including all procedural requirements contained therein. However, such member continues to have all appeal rights provided in Article 10, in order to contest just cause for any disciplinary action that may be taken.

- c. Members shall be entitled to a fair and impartial investigation when in the course of the member's scope of employment, the Employer or member deems an investigation is necessary. The members shall assist and expedite Administrative Investigations and, when requested by investigative officers, furnish information or give statements as witnesses within the guidelines specified below.
- d. The member shall be presumed innocent until proven guilty and the burden of proof shall be on the Employer.
- e. A member may request and receive an Administrative Investigation pertaining to any allegations or rumors that may adversely affect his/her credibility, integrity or reputation.
- f. The member and the Association shall be notified and shall have at least two (2) of the subject member's working days to prepare for an interview. The member and the Association shall be informed of the rank, name and command of any officer involved in conducting the investigation, as well as the rank, name and command of any officer who is conducting the interview and the identity of all persons present during the interview. The interview shall take place at a time and location mutually agreed to.
- g. The member may be accompanied by no more than two (2) Association representatives. One (1) Association representative (to be identified by the Association at the start of the interview) shall be allowed to cross-examine the member at the close of the interview with right of re-examination by Management following the Association questioning. Questioning shall be conducted in not more than one-half (1/2) hour segments for no more than four (4) hours per day. Each one-half (1/2) hour segment shall be followed by a one-half (1/2) hour rest period. The rest period may be waived by the member.
- h. A member shall be required to answer only those questions specifically relating to such member's duties and responsibilities

within the scope of his/her employment.

- i. A member's immediate family shall not be interviewed unless parties to the complaint, or at the specific request of the member.
- j. The complete interview shall be recorded. The member shall be given the exact copy of all written statements executed. The member shall be provided an exact copy of all recordings within seven (7) days of the interview, if requested, and a certified transcript within twelve (12) days of the interview, if transcribed, unless extended by mutual agreement.
- k. There shall be no off-the-record questions asked of the member.
- l. Submission to polygraph examination or other lie detecting devices shall not be mandatory. Refusal to submit to such examination shall not be grounds for disciplinary action.
- m. Should information be obtained during the course of an Administrative Investigation that would tend to lead an investigator to believe that a criminal violation of the law has been committed by a member, the member shall be advised of his/her constitutional rights prior to the interview with the subject member.
- n. If during an investigation, the Employer determines it is necessary to relieve a member of regularly-assigned duties, the member shall be temporarily reassigned to "administrative" duties with full pay, benefits and retention of his/her classification until the investigation has been concluded and a course of action determined. This temporary reassignment shall not be considered as a disciplinary measure, and shall not exceed thirty (30) days unless mutually agreed to.
- o. No materials or reports involving the allegations shall be entered into any personnel file of the member where the investigation has exonerated the member and/or the allegations were determined to be unfounded. The completed Administrative Investigation file shall be considered a confidential file. For Department of Public Safety members, the completed Administrative Investigation file shall be maintained by the Commissioner of Public Safety. For Airport Police and Fire Officer and Airport Screening Officer members, the completed Administrative Investigation file shall be maintained by the appropriate Airport Manager. The member and/or the Association, with the member's written approval, may review the

Administrative Investigation File at any time in the Commissioner's or appropriate Airport Manager's office by submitting a written request directly to the appropriate office. The member and Detachment/Bureau Commander shall return the confidential Administrative Investigation File in a sealed-unopened envelope/package within five (5) working days after receipt, to the Commissioner of the Department of Public Safety.

- p. During the course of an Administrative Investigation, the Department may determine that it is not necessary to continue the normal and routine Administrative Investigation process and procedures. The Department may determine that the Investigation can be completed with an Executive Summary or a Memorandum of Findings as opposed to a full investigative report. In these cases, the Department shall advise the Association of its intent. The Commissioner and/or designee shall meet with the member and an Association Representative within ten (10) working days to discuss the Executive Summary or Memorandum of Findings. During this meeting, the member and/or the Association may contest the Executive Summary or Memorandum of Findings and request that the normal and routine AI process and procedures be followed. Completion of the AI or proceedings based on the Executive Summary or Memorandum of Findings shall be at the Department's discretion.
- q. Notice of Investigation Completion. A member who has been under investigation and the Association shall be informed by the most expeditious method available when the investigation has been completed and a course of action has been determined. If the original notification is other than written, a follow-up communication to the member and Association shall be provided by certified mail.
- r. Application of Member's Rights to New Employees. Member's rights under this Article shall be extended to members after completion of their initial probationary period with the exception of dismissals. Upon successful completion of his/her initial probationary period, full member's rights shall be extended to the member. This Section does not apply to nonpermanents.

Section 4 - Voting

The Employer shall provide reasonable and necessary time for members to vote in local, municipal, borough, State and Federal elections when the member is, in the view of the Employer, unable to vote outside of working hours.

Section 5 - Examination of Personnel Files

A member shall have the right to examine his/her own personnel file or files and to make copies of any document contained therein. At the time any material is placed in the member's personnel file or files by the Employer, a copy shall be forwarded to the member unless originated by the member.

Anecdotal records are records not contained in the member's personnel file or files. The parties agree that anecdotal records may be kept in preparation for completing performance evaluations. The member shall initial, or be provided, a copy of each anecdotal note at the time it is originated, or as soon as practical thereafter. If the note is not initialed or provided to the member, it shall be considered to be meaningless. All such notes shall be given to the member at the time the subsequent performance evaluation report is completed.

ARTICLE 8 - TRAVEL AND PER DIEM

Section 1 – Basic Per Diem

The Employer shall provide, as appropriate, the following per diem allowances for members covered by this Agreement while traveling on official State business in accordance with the schedule that follows. As to any one location assignment, the first thirty (30) days shall be at the short-term per diem rate and the days after that at the long-term rate.

<u>REGION</u>	<u>LOCATION</u>	<u>SHORT-TERM PER DIEM</u>		<u>LONG-TERM PER DIEM</u>	
		<u>9/16-5/15</u>	<u>5/16-9/15</u>	<u>9/16-5/15</u>	<u>5/16-9/15</u>
1	Southeast Alaska	\$100.00	\$100.00	\$60.00	\$66.00
2	Central Alaska	95.00	115.00	57.00	69.00
3	Far North Alaska	100.00	100.00	63.00	63.00
4	Southwest Alaska	95.00	95.00	59.00	59.00
5	Outside of Alaska-- Contiguous U.S., Hawaii and Canada	100.00	100.00	60.00	60.00

A member shall only be reimbursed for meal allowances on the final day of travel, unless, for reasons beyond the member's control, they incur hotel costs. In such case, the member shall receive prorated per diem on the final day of travel.

A member may request advance approval of the department head to pay a higher allowance (consisting of actual hotel cost plus a meal allowance) on a trip-by-trip basis whenever the circumstances of travel are such that the established per diem is not adequate to obtain lodging and meals. Such requests shall normally be accompanied by bulletins, agendas, etc., denoting prearranged lodging. Requests for a higher allowance shall not be unreasonably denied.

If a member is forced to travel without adequate opportunity to secure advanced approval for actual expenses, the member may submit his/her request for actual expenses, as shown by receipts, after the travel has been completed. If he/she does so, reimbursement shall be for actual hotel costs, plus actual meal costs. However, actual meal costs cannot exceed fifty dollars (\$50.00) per day.

Section 2 - Meal Allowances

A meal allowance, equal to the higher of the rates below or the short-term travel rates specified in Alaska Administrative Manual Section 60.220, shall be allowed a member who is on travel status for at least three (3) hours between the hours of:

<u>TIME</u>		<u>MEAL ALLOWANCE</u>
Midnight - 10:00 a.m.	Breakfast	\$ 9.00
10:00 a.m. - 3:00 p.m.	Lunch	11.00
3:00 p.m. - Midnight	Dinner	22.00

Section 3 – Noncommercial Rates

When a bargaining member is in travel status to a location that does not offer commercial facilities and lodging is not provided, the member shall receive thirty dollars (\$30) in addition to meal allowance.

In instances when the Employer provides meals and lodging, the Employee has no entitlement to any per diem or allowance of any type.

Section 4 - Privately-Owned Conveyances

Members are not obligated to use their privately-owned vehicles for State business. However, when members use their own vehicles for State business, reimbursement shall be consistent with IRS regulations.

Section 5 - Travel on Days Off

If a member is required to travel during his/her normal scheduled work hours, but on his/her regular day off, those hours shall be considered as hours worked and counted towards hours eligible for overtime compensation. The travel may be by commercial means of conveyance, or may be by another mode of transportation provided by the Employer.

If the member is required to perform this travel at times other than his/her normal scheduled work hours, but on his/her regular day off, those hours shall be considered as hours worked and counted toward hours eligible for overtime compensation. The travel may be by commercial means of conveyance, or may be by another mode of transportation provided by the Employer.

Travel time on regularly scheduled workdays shall be considered as time worked

and shall be paid in accordance with other Articles of this Agreement.

Section 6 - Duty Station

The duty station of a member is the city, town or village where the member spends the major portion of the working time or the place to which the member returns on completion of special assignments. No travel expenses may be allowed for meals or per diem at the duty station of a member.

Section 7 - Prisoner Transportation Assignments

(This Section applies to Department of Public Safety members only)

When prisoner transportation assignments are to be given to bargaining unit members, every reasonable effort shall be made to distribute such assignments equitably among the members available. However, the parties expressly recognize that relative cost is a legitimate basis upon which to determine the ultimate award of such assignments.

ARTICLE 9 - TRAINING AND ADVANCED EDUCATION

The Employer shall determine when training is necessary and shall set consistent standards for all training.

The Employer reserves the right to assign members to job-related training. If a member is on approved leave, the Employer shall not require a member to be recalled from personal leave for the purposes of attending job-related training. When scheduling job-related training, the Employer shall make efforts to assure the training does not conflict with a member's prior authorized and scheduled personal leave.

Test scores alone may not be grounds for disciplinary action. However, failure to attend or satisfactorily participate in the assigned training may be grounds for disciplinary action.

The satisfactory completion of entry level training provided by the Employer for each class series represented by this bargaining unit is required for continued employment in that class series regardless of employee status (i.e., probationary or permanent).

All Airport Police & Fire Officers are required to satisfactorily complete all Employer provided training designed to meet FAA regulations.

ARTICLE 10 - GRIEVANCE-ARBITRATION PROCEDURE

Section 1 - General

Definition of Grievance:

A grievance is defined as a dispute over the meaning or interpretation of this Agreement. However, it is recognized that discussion and interpretation of the applications of other rules and regulations of the Employer may be necessary for the resolution of the grievance.

Notification of Discipline:

When disciplinary actions involving discharge, suspension or demotion are imposed, the Employer shall furnish the Association with a copy of the written notification to the member(s) affected. The copy shall be mailed to the Association within forty-eight (48) hours of the time of that notification is issued to the member(s).

Written Reprimands:

Written reprimands are not subject to the grievance procedure, but may be reviewed through the chain-of-command up to and including the Commissioner of the appropriate department. If not resolved, the employee may include a written rebuttal, which shall be attached to and become a part of the written reprimand. A reprimand shall be purged from the member's personnel files two years after the event requiring discipline if no similar instances of conduct are reported in writing.

Evaluation Rebuttal:

Within thirty (30) days of a member's receipt of a finalized evaluation with which the member disagrees, the member has the right to respond in writing. The responses can reflect a "no comment" or a detailed account of the matter as viewed by the member. Such responses shall, in all cases, be considered a permanent part of the evaluation.

Probationary employee:

Members are precluded from grieving disciplinary actions and dismissals during their initial probationary periods. Members are precluded from grieving demotions during their promotional probationary periods.

Section 2 - Step Three Grievance Entry

Association or Class Action Grievances:

A grievance may be brought under this procedure on behalf of more than one (1) member as a Class Action grievance. The Association may file a grievance as an Association grievance. Class Action and Association grievances shall be initially submitted at Step Three.

Disciplinary Grievances:

Grievances involving terminations, suspensions and non-probationary demotions shall be entered at Step Three.

Section 3 - Time Limitations

Thirty Day Limitation:

A grievance must be submitted at the appropriate level with thirty (30) working days of occurrence; or with thirty (30) working days of knowledge of occurrence. A grievance not brought within these time limits shall not be considered timely and shall be void.

Waiving of Time Limitations:

The time limits for grievance response may be waived by mutual agreement in writing between the Association and the appropriate Management representative at each step. All mailed material relating to Steps Two-Five of a grievance shall be accomplished through a proof of mailing and receipt method.

Section 4 - Steps

STEP ONE: An aggrieved member shall first attempt to settle the grievance through discussion with his/her immediate supervisor. The member may be represented by an Association representative, if desired. The supervisor shall make a decision and orally communicate this decision to the aggrieved member within five (5) working days from the initial presentation of the grievance.

STEP TWO: If the grievance is not settled in accordance with Step One, the Association may decide to continue processing the grievance by submitting the grievance in writing. For the Department of Public Safety, such written grievance shall be submitted to the Division Director, or designee, within ten (10) working days of the completion of Step One. For grievances involving the Department of Transportation and Public Facilities, such written grievance shall be submitted to

the appropriate Airport Manager, or designee, within ten (10) working days after the Step One response is due or received, whichever is first. The Association representatives and the appropriate State representatives may attempt to settle the grievance within ten (10) working days of receipt of the grievance.

STEP THREE: If the grievance is not settled at Step Two, the Association may decide to elevate the grievance to Step Three by forwarding the grievance to the Commissioner of the appropriate department for resolution within ten (10) working days after the Step Two response is due or received, whichever is first. The appropriate Commissioner shall have fifteen (15) working days after receipt to answer the grievance.

STEP FOUR: If the grievance is not settled at Step Three, the Association may decide to elevate the grievance to Step Four by forwarding the grievance to the Commissioner of Administration within ten (10) working days after completion of Step Three. The Commissioner of Administration shall have fifteen (15) working days after receipt to answer the grievance. The Association representative and the Commissioner of Administration or designee may meet and attempt to resolve the grievance. If the grievance is resolved, a written agreement between the Association and the Employer shall be issued. Such written agreement shall have the same force or effect as a decision or award of an arbitrator and shall be final and binding on each of the parties and they shall abide thereby.

Section 5 - Arbitration

If not resolved at Step Four, the Association may decide to submit the grievance to arbitration. The notification for arbitration must be initiated within ten (10) working days after completion of Step Four.

The State shall have ten (10) working days from the receipt of the Association's notification of arbitration to respond. The parties shall begin the selection process within twenty (20) working days after the State's receipt of the Association's notification to select the arbitrator from the Arbitrator Selection List. If the parties fail to select an arbitrator within these time requirements, the issue shall then default to the Standing Arbitration Panel.

Arbitrator Selection List:

Within thirty (30) calendar days after the signing of this Agreement, the Employer and the Association shall attempt to agree to a list of seven (7) names of arbitrators for the Arbitrator Selection List. Absent mutual agreement, the parties shall petition the Federal Mediation and Conciliation Service for a list of twenty-one (21) names of arbitrators. The parties shall then alternately strike names from the list until seven (7) names remain. These seven (7) names shall

constitute the Arbitrator Selection List.

Standing Arbitrator Panel:

There shall also be a standing panel of arbitrators whose period of jurisdiction shall be for one quarter (1/4) of each calendar year. The quarter periods shall be designated as:

first quarter from January 1 to March 31 :
second quarter from April 1 to June 30
third quarter from July 1 to September 30
fourth quarter from October 1 to December 31

If the process defaults to the Standing Arbitrator Panel, the arbitrator automatically assigned to the case shall be the arbitrator assigned to that quarter in which the original occurrence of the alleged infraction occurred. The selection of arbitrators for the standing panel will be through mutual agreement between the parties.

The arbitrator for the first quarter shall be: Joseph Duffy
The arbitrator for the second quarter shall be: Tom Angelo
The arbitrator for the third quarter shall be: Gary Axon
The arbitrator for the fourth quarter shall be: Jean Savage

Once selected, the Association shall have the responsibility of notifying the arbitrator. The notification letter shall be limited to informing the arbitrator of the name of the grievant(s), the location and number of hearing days required, and request the arbitrator provide both parties a list of available dates from which to mutually select. Neither party may provide any information to the arbitrator on the general or specific issue(s) of the case prior to the hearing, except as mutually agreed.

The parties agree that AS 09.43.070 of Alaska's Uniform Arbitration Act, as amended, shall be available to either party for application to any person who is not at the time of the arbitration currently employed by the State of Alaska.

The arbitration hearing shall adhere to the expedited rules of the American Arbitration Association. The decision of the Arbitrator shall be final and binding upon all parties. The Arbitrator shall not be empowered to rule contrary to, to amend or add to, or to eliminate any of the provisions of this Agreement. The arbitrator shall furnish his/her findings of fact and rationale for his/her decision. Expenses incident to his/her services shall be assigned by the arbitrator to the losing party. If, in the opinion of the Arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's

judgment is equitable.

It is agreed that the above arbitration procedure shall be the sole method of settling disputes, differences or controversies referred to arbitration. It is further agreed that the parties covered hereunder shall be bound by any decisions, determinations, agreements or settlements that may be effectuated pursuant to invoking the arbitration procedures.

ARTICLE 11 - SENIORITY

Section 1 - Bargaining Unit Seniority

For the Department of Public Safety, there shall be four (4) seniority lists. One shall consist of all Court Services Officers, one for Fire Marshals, one for Regional Public Safety Officers, and the other for Troopers. For each of these lists, the member having the longest term of unbroken service within the bargaining unit shall be number one (1) on the seniority list and all other members shall be listed accordingly. The Department of Public Safety shall twice yearly prepare and prominently post a bargaining unit seniority roster in each detachment and unit.

For the Department of Transportation and Public Facilities, there shall be two (2) seniority lists. One for Airport Police and Fire Officers and one for Airport Screening Officers. For each of these lists, the member having the longest term of unbroken service at each respective airport within the bargaining unit shall be number one (1) on that airport's seniority list and all other members assigned to that respective airport shall be listed accordingly. The Commissioner of the Department of Transportation and Public Facilities shall twice yearly prepare and prominently post the appropriate bargaining unit seniority list at each respective airport.

Should it become necessary to break identical bargaining unit seniority ties, the following method shall be utilized:

For those members hired with previous law enforcement experience who are not required to attend the full academy:

FIRST: Alaska Police Council date of certification, (Police Certification)

SECOND: Random drawing of names involved.

Seniority ranking shall be established within thirty (30) days from the date of hire.

For those who are required to attend the full academy:

FIRST: An average of the academics, handgun qualification, and the final physical fitness score at the academy.

SECOND: Random drawing of names involved.

Seniority ranking shall be established within thirty (30) days after graduation of the academy.

Section 2 - Classification Seniority

All time worked within a classification, shall determine classification seniority. In case of reduction of force, classification seniority shall apply. Classification seniority shall not affect any other competitive bids such as leave, assignments or shifts.

Section 3 - Impact of Seniority

Neither bargaining unit nor classification seniority shall have any impact on the accrual of annual leave or other benefits accorded all State employees.

Section 4 - Termination of Seniority

- a. Seniority shall be terminated upon:
 - 1) Discharge;
 - 2) Resignation;
 - 3) Layoff for a period of two (2) years or more;
 - 4) Failure of the member to accept and report for duty within thirty (30) days after notification of recall from layoff;
 - 5) Abandonment of position (failure to report for duty within three (3) days following approved absence).
- b. Seniority shall not be interrupted by:
 - 1) Periods of approved leave;
 - 2) Workers' Compensation leave (Administrative Leave per Article 14, Section 6);
 - 3) Military leave for reserve training;
 - 4) Active military duty when recall for such duty is beyond the control of the member;

- 5) Retirement disability up to three (3) years; or
- 6) Disciplinary Suspensions.

Section 5 - Retention of Seniority

If a member is promoted into a position outside the bargaining unit, the member shall be entitled to a one (1) year period of grace without loss of seniority.

Section 6 - Vacation Scheduling

- a. Vacation schedules shall be made by overall bargaining unit seniority by units within the post.
- b. Early Requests

Vacations of five (5) consecutive workdays or more may be scheduled up to twelve (12) months in advance utilizing the following procedures:

- 1) Once every six (6) months, in April and in October, a notification for vacation requests for the following twelve (12) month period of time shall be posted by the appropriate supervisor of the unit, post, detachment, region, or airport, as the case may be. The posting shall indicate the open dates available for vacation scheduling. All members shall be afforded one (1) month from the posting date for the purposes of submitting a vacation request for consideration.
- 2) Members desiring vacation time shall apply by submitting their request to their appropriate supervisor. Members who desire more than one block of leave shall prioritize their request, understanding that only their first preference shall be afforded seniority before other members' requests shall be considered. Once members have had the chance to submit their first preference the most senior member's second request shall be considered. This shall be repeated until all requests are considered. The members shall attempt to eliminate conflicting requests prior to the closing of the posting.
- 3) Within two (2) weeks after closing, the supervisor shall notify the applicants of the approved leave schedule.
- 4) Once approved, the vacation requests cannot be canceled

by a subsequent request of a member with more bargaining unit seniority. Members who transfer into a new unit, post, detachment, or airport with previously approved vacation requests shall be considered on an individual basis; however, they cannot cancel approved vacation requests in the unit, post, detachment, or airport to which transferred. The State shall make every effort to honor a vacation that was previously approved.

- 5) Nothing in this subsection shall be construed to prevent vacation applications under subsection 6 (a), when members do not desire an early request.

Section 7 - Shift Assignments and Regular Days Off

Management shall establish a shift for each position in the bargaining unit except at posts with flexible schedules. Article 15, Section 11, shall govern scheduling at posts with flexible schedules. Airport Screening Officers shall normally work four (4) ten (10) hour shifts followed by three (3) days off. For the remainder of the bargaining unit unless otherwise mutually agreed between the Employer and the Association, each shift shall consist of five (5) workdays followed by two (2) consecutive days off and shall specify the hours of the day to be worked.

Shift Preference and RDO Preference

- a. For Department of Public Safety, excluding Trooper Recruits and Court Services Officers during the FTO program, shift and RDO preference by units within a detachment shall be determined by the following:

Shift Preference: Shift preference shall be by bargaining unit seniority within that classification; however, realizing the contract language is clear in that shift and regular days off assignments are to be bid and assigned according to seniority, it is recognized by both parties there are times when a reassignment of a shift or RDO is required or desirable; the following shall apply in those cases:

Emergency or special assignment: In an emergency or special assignment situation where a member is reassigned to a shift that is different than that which was awarded, the supervisor or Commander involved shall notify the Association concurrent with the action taken or within the next working day. The Association shall be provided, at that time, with an explanation of the reassignment. It is further understood that a reassignment of an

emergency or special assignment nature shall not exceed ten (10) working days except in those instances where the Commander or designee and the Association have, prior to the end of the ten (10) day limit, mutually agreed to an extension of a specified duration. The affected member(s), for the tenure of the reassignment, shall not experience any loss in their wages unless otherwise mutually agreed to by the parties.

Training or personal leave situations: For purposes of training or shortages of personnel due to members being on approved personal leave, a change of shift is authorized to cover another shift. Such shift reassignments shall not be for more than two (2) weeks, unless a longer period is agreed to by the reassigned member. The Employer shall first solicit volunteers for the reassignment before directly assigning a member to a different shift. If there are no volunteers, the member with the least seniority on the impacted shift shall be selected first and then in progressive order. Members shall not be required to change their shift more than twice a year. The affected member(s), for the tenure of the reassignment, shall not experience any loss in their wages unless otherwise mutually agreed to by the parties.

EXAMPLES

- 1) Should a member agree to be temporarily reassigned from a shift that pays shift differential pay to a shift that pays less or no differential pay, the member would receive the differential pay allowable from the shift held prior to the temporary assignment.
- 2) Should a member agree to be temporarily reassigned to a shift that allows a greater differential pay than currently receiving, the member shall receive the greater differential pay.
- 3) Should the member agree to be temporarily reassigned to another shift, the overtime entitlements shall be in accordance with the temporary shift.
- 4) Should the member not agree to a temporary shift change and is directed to work such, the member has the right to grieve the reasonableness of the decision that an emergency or special assignment situation exists, and to seek whatever relief the member may believe is appropriate.

Finally, it is understood that management has the ultimate right to assign and direct the work. Should management reassign a shift or RDO without agreement with the member(s) and Association, then it is further understood that the member(s) and Association have the ultimate right to challenge the actions taken through the grievance procedure.

RDO Preference: Once the shifts have been selected, the member shall then select RDOs from those days off allowed on that shift and the classification by the Employer, by bargaining unit seniority.

Regularly established shift changes are considered to occur not more frequently than once every three (3) months or less frequently than once every six (6) months.

- b. For Department of Transportation and Public Facilities, Airport Police and Fire Officers I and their assigned field training officers during the FTO program, provided such FTO assignment is of a voluntary nature, shift and RDO preference at each airport shall be determined by the following:

Shift Preference: Shift preference shall be made by bargaining unit seniority within that classification.

RDO Preference: Once shifts have been selected, the member shall then select RDOs from those days off allowed on that shift and the classification by the Employer, by bargaining unit seniority.

Regularly established shift changes shall occur on January 16, with established changes to occur not more frequently than once every four (4) months and not less frequently than every twelve (12) months. The posting for bidding of shifts and RDOs shall begin at least one (1) month prior to the regularly established change.

Realizing the contract language is clear that shift and regular days off assignments are to be bid and assigned according to seniority, it is recognized there may be occasions when a reassignment of a shift, and the corresponding days off, is necessary. Once shifts have been established, the Employer may reassign the least senior member (by job classification) to a different shift for up to thirty (30) calendar days. Unless mutually agreed in writing, for this period reassignment the member shall receive no less than the rate of pay

applicable prior to the reassignment. Reassignment of the least senior member may be extended beyond thirty (30) days by mutual agreement. Alleged capricious and/or arbitrary reassignments are subject to review through the grievance and arbitration process contained in this Agreement.

In addition, the Employer may reassign any member to a different shift. No loss in wages shall occur for the first thirty (30) days of such reassignment unless mutually agreed. Unless the reassignment is mutually agreed, the reassignment is grievable through grievance/arbitration process contained in the Agreement.

The Employer shall notify the Association concurrent with the action taken or within the next working day. The Employer shall provide the Association with an explanation of the reassignment with the notice, and shall provide the Association with a copy of any written agreements addressing shift reassignments.

Section 8 - Shift Trading

(This section applies to Department of Transportation and Public Facilities members only)

A member may trade shifts with another member provided approval has been secured from the supervisor of the work being performed. The member is responsible for accounting for shifts "traded" and "paid back." The Employer shall pay the member scheduled to work for the actual hours worked on the shift.

Section 9 - Command Purposes

For Department of Public Safety only, seniority as defined in this Article shall in no way conflict or interfere with the designation of any member as senior for command purposes on a detail or case.

Section 10 - Layoff/Rehire

Should it be necessary to reduce the number of members within the bargaining unit, for the Department of Public Safety, that member who is lowest on the respective bargaining unit seniority list shall be laid off first. For the Department of Transportation and Public Facilities, that member who is lowest on the respective Airport bargaining unit seniority list shall be laid off first.

Should it be necessary to reduce the number of members within a classification, that member who is the lowest on the classification seniority list, for the Department of Public Safety, or that member who is lowest on the classification seniority list for the respective airport classification, shall be reduced to the next

lower job classification.

In such instances, the member who has been reduced in classification shall have his/her name placed on a layoff list for the classification from which he/she was removed. When a position within the higher classification becomes available for filling that member highest on the classification layoff list shall be offered promotion to the classification before any other eligible member is considered.

The names of members who have been separated from the unit because of a reduction in force shall be placed on a layoff list for a period of no more than two (2) years. That member with the highest bargaining unit seniority at the time of separation shall be highest on the layoff list. When a position in the classification becomes available for filling, the position shall be offered first to the individual highest on the layoff list.

Section 11 - Nonpermanent Employees

For the purpose of this Agreement, nonpermanent employees shall not have seniority over permanent or probationary employees within their bargaining unit.

ARTICLE 12 - ASSIGNMENT AND TRANSFER

This Article does not apply to nonpermanent employees, Airport Screening Officers, or Airport Police & Fire Officers. Only Section 4 of this Article applies to Court Services Officers.

Except for reasons of reduction in force, promotions, and transfers based on Article 12, Section 2.f., all transfers shall be for a minimum period of two (2) years. The two-year period may be waived by mutual consent between the most senior qualified applicant and the Department. For new hires or Trooper Recruits, attendance at the initial training and subsequent FTO assignment shall be considered as part of their initial two (2) year transfer. Two (2) years after the official date of transfer (unless a delay of transfer is due to the member's request), a member may be eligible for, and be granted transfer in accordance with Sections 1, 2, and 3 of this Article.

Prior to the completion of two years at a location, a member may submit a bid for any posted vacancy. Such bids are advisory only, unless the two-year period is waived by mutual consent between the senior qualified bidder and the Department.

Section 1 - Best Interest of the Department

The State shall continue its policy of transferring members based on the best interests of the Department, including consideration of special qualifications. Where those factors are relatively equal, preference of a member and length of service shall be major factors in effecting the transfer. The provisions of this Article apply only to lateral transfers. Vacancies shall normally be filled by transfer from requests of members with the most bargaining unit seniority who meet the qualifications of the announced vacancy before vacancies are filled by going outside the unit to hire new personnel.

Section 2 - Notice and Transfer Request

- a. The Employer shall monthly circulate notices that shall be prominently posted at each duty station concerning available duty posts, and shall maintain a file of transfer requests. A member desiring a transfer shall submit his/her request(s) on forms to his/her detachment/bureau or unit commander. All such transfer requests, with appropriate endorsements, shall be forwarded to division and departmental headquarters. Transfer requests shall only be filled after fifteen (15) days from date of issuing the notice of vacancy, provided the notice is mailed on or before the effective

date of notice. The Employer shall forward a copy of all vacancy notices to the PSEA office in Anchorage at the same time vacancy notices are released for posting.

- b. In the event that vacancies cannot be filled from written transfer requests on file, the Department shall solicit qualified volunteers before filling the vacancy by direct assignment.
- c. When the most senior member's transfer request is not honored in the filling of a vacancy, a member who makes the request shall be advised in writing of the reasons why his/her request was not granted.
- d. The best interest of the Department may necessitate the involuntary transfer of a member. Involuntary transfer of a member who has served with the Department in those positions covered by the bargaining unit in excess of five (5) years shall not be normal practice, except in special job requirements or extenuating circumstances. Recruit members on probationary status are subject to involuntary transfer without regard to this paragraph.

In the case of involuntary transfer of members with less than five (5) years of service, the Department's usual course of business shall be to select the most senior member with less than five (5) years from the location(s) being reduced and from the members who have not previously transferred. However, special skills or qualifications such as pilot, K-9, and other factors may necessitate an involuntary transfer of a member not in that order.

- e. Members shall be given ninety (90) days notice prior to transfer, except when circumstances beyond the control of the Department prevent this notice. If practicable, the Department shall coordinate moving dates with the member. Upon the request of the member, he/she shall be granted five (5) working days administrative leave, and up to an additional five (5) working days at the discretion of the Commissioner, to effectuate the move involved in any transfer, whether voluntary or involuntary. Such requests shall not be unreasonably denied by the Commissioner.
- f. The State shall continue to effect transfers arising out of special and extenuating circumstances of a personal nature consistent with its transfer policy. Nothing in this Article shall be construed to require the Employer to divulge the nature of circumstances that are confidential to any member unless the member provides written

consent allowing such disclosure.

- g. Members who present a disciplinary problem shall not be transferred as a disciplinary measure. The matter shall be resolved at the point of origin.
- h. In the case of involuntary transfer, and prior to assignment, the member at his/her request may be given a trip to the new location for up to five (5) days for the purpose of securing housing
- i. When a vacancy is to be filled in accordance with this Article, the State may determine prior to the required posting notice to either fill the vacancy from members within the employing division or from members of all divisions covered by this Agreement. The posting shall indicate that the bidders for consideration shall be either from the employing division or from all divisions.

Section 3 - Remote Transfers

It is the obligation of the State to place enforcement personnel strategically throughout the State of Alaska for optimum public safety services to the citizens of Alaska.

Therefore, remote assignments shall be considered a FIXED PERIOD ASSIGNMENT. After members have served the maximum of that duration of time in the assigned post, they would be eligible for a remote transfer based on the procedures set forth in this Section.

- a. DEFINITIONS--For purpose of this Section:
 - 1) **HIGHWAY SYSTEM** is defined as those portions of the public road system in the State of Alaska that are used by normal vehicular traffic with unbroken access to the Alaska/Canada border.
 - 2) **REMOTE** is defined as an assignment to a location other than Anchorage, Fairbanks, Juneau, Kenai/Soldotna, or Palmer/Wasilla.
 - 3) **MAXIMUM ASSIGNMENT PERIOD** is defined as the maximum duration of time a member assigned to a REMOTE location can expect before relocation. In the event there are insufficient funds in the budget to relocate the member at the completion of the MAXIMUM ASSIGNMENT

PERIOD, RELOCATION PRIORITY POINTS shall begin to accumulate.

- 4) **CLASS I REMOTE** is defined as posts that are serviced by one (1) to two (2) enforcement personnel in the same division in remote areas of the State that are not connected to the HIGHWAY SYSTEM. These assignments shall be recognized as a three (3) year MAXIMUM PERIOD ASSIGNMENT with the member eligible for transfer and bid after completion of two (2) years, or at the time of promotion.
- 5) **CLASS II REMOTE** is defined as all other remote posts. These assignments shall be recognized as a four (4) year MAXIMUM PERIOD ASSIGNMENT with the member eligible for transfer and bid after completion of two (2) years, or at the time of promotion.
- 6) **URBAN ASSIGNMENT** is defined as Anchorage, Fairbanks, Juneau, Kenai/Soldotna, or Palmer/Wasilla.
- 7) **STANDARD REMOTE ASSIGNMENT** is defined as an assignment wherein enforcement personnel have elected to remain in remote areas. Standard assignments shall be eligible for rotation by the procedures contained in Sections 1 and 2 of this Article, be eligible to relocation due to promotion, or may be relocated for unplanned circumstances such as reduction in force, or post closure.
- 8) **FIXED PERIOD ASSIGNMENT** is defined as an assignment wherein enforcement personnel have elected a remote assignment for a fixed period of time as indicated by CLASS I REMOTE, or CLASS II REMOTE.

Future vacancy announcements shall designate the post as CLASS I REMOTE, CLASS II REMOTE, or URBAN.

Those members transferred to CLASS I, or CLASS II REMOTE shall be considered assigned on a FIXED PERIOD ASSIGNMENT. Six (6) months prior to the ending period of the MAXIMUM ASSIGNMENT PERIOD the member may elect to convert to a STANDARD ASSIGNMENT, or may elect to renew the FIXED PERIOD ASSIGNMENT. Renewal of the FIXED PERIOD ASSIGNMENT requires departmental concurrence.

Renewal of the FIXED PERIOD ASSIGNMENT would eliminate all previously accrued RELOCATION PRIORITY POINTS.

- 9) **RELOCATION PRIORITY POINTS** are defined as the accumulation of points after the completion of the maximum FIXED PERIOD ASSIGNMENT. One (1) point shall be accrued for each month beyond the MAXIMUM ASSIGNMENT PERIOD.

b **PRIORITIZING OF REASSIGNMENTS OF FIXED PERIOD ELECTIONS**

The order of reassignment from Remote locations shall be the member with the most points first, continuing to the member with the least number of points. Where point values are identical, ties shall be broken by bargaining unit seniority. Should a tie continue to exist, the tie breaking method in Article 11, Section 2, shall be utilized.

The same point assignment and tie breaking method for CLASS I, or CLASS II REMOTE, shall apply to members who are assigned after the implementation of this provision. In the event the class designation of an assignment is changed from that as indicated on the vacancy notice posting, after the successful bidder has physically been relocated, the lesser fixed period of time shall be considered as governing.

c **REASSIGNMENT FROM FIXED PERIOD ASSIGNMENTS**

Once yearly the Department shall transfer all or as many of the FIXED PERIOD ASSIGNMENT members and their replacements as allowed by the budget. The Department shall determine the number of FIXED PERIOD ASSIGNMENT transfers financially feasible for transfer. The Department shall then select those members to be transferred based on the highest RELOCATION PRIORITY POINTS. These planned Remote vacancies shall be bid in Urban areas only. Once the bid returns have been analyzed, the Department shall then formulate a list of planned Urban vacancies including any necessary involuntary transfers from Urban areas. An involuntary transfer under this provision constitutes an extenuating circumstance as that term is used in Section 2.d. above. The member with the highest RELOCATION PRIORITY POINTS shall have first choice of these planned vacancies, the

member with the second highest points, second choice, and so forth.

d DEPARTMENT'S ABILITY TO TRANSFER

The Department's ability to transfer members from FIXED PERIOD assignments may be limited by budget funds. However, the Department shall make every reasonable effort to secure the proper level of funding for the projected FIXED PERIOD transfers of the appropriate fiscal year; of the appropriated transfer funds, excluding placement of new members, the Department shall expend the majority of appropriated transfer funds on REMOTE transfers.

For purposes of this section, there shall be four types of remote transfers:

Type 1 – Department of Public Safety employees who transfer to a Remote One location will receive a Rural Relocation Expense Offset in the amount of \$2000.00. The payment will be made in two installments: \$1000.00 upon the employee's initial relocation and \$1000.00 upon completion of one year of service at the remote location.

Type 2 – Department of Public Safety employees who transfer to a Class Two Remote location that is on the road system will receive a Rural Relocation Expense Offset in the amount of \$2500.00. The payment will be made in two installments: \$1500.00 upon the employee's initial relocation and \$1000.00 upon completion of one year of service at the remote location.

Type 3 – Department of Public Safety employees who transfer to a Class Two Remote location with State provided housing will receive a Rural Relocation Expense Offset in the amount of \$3500.00. The payment shall be made in two installments: \$2000.00 upon the employees initial relocation to the remote location and \$1500.00 upon the completion of one year of service at the remote location.

Type 4 - Department of Public Safety employees who transfer to a Class Two Remote location without State provided housing will receive a Rural Relocation Expense Offset in the amount of \$5000.00. The payment shall be made in two installments; \$3000.00 upon the employees initial relocation to the remote location and \$2000.00 upon the completion of one year of service

at the remote location.

e. NONREMOTE TRANSFERS:

Nothing in this Section precludes transfer between Remote posts based on the provisions of Sections 1 and 2 of the Article after the completion of the minimum of two (2) years since last transfer, or by mutual agreement.

Nothing in this Section shall preclude Management's right to transfer a member based on Article 12, Section 2.f.

Section 4 - CSO Transfers

CSO positions in Juneau, Ketchikan, Bethel, Nome, Homer, and Barrow are not normally filled by bid.

When a CSO position in Anchorage, Fairbanks, Kenai, or Palmer becomes vacant, CSO members shall be advised of the vacancy. CSO positions in these locations shall normally be filled by the bid of the senior most qualified CSO. After a vacancy has been filled by member transfer, the Director may opt to backfill the remaining position with a local hire.

When the senior CSO's transfer request is not honored in the filling of the vacancy, a member who makes the request shall be advised in writing of the reasons why his/her request was not granted.

Any such move would be at the expense of the member.

ARTICLE 13 - EMPLOYEE HOUSING

The parties agree that the following is the rental schedule for members living in State-owned or State-controlled housing.

Section 1 - Factors to be Used in Determining Rent

Dwelling units: The following factors are to be used in the rental formula for assessing rental charges for State housing units:

- 1) Rental Base--The fair market value for an unfurnished rental unit in Anchorage with a particular number of bedrooms as determined by the Department of Housing and Urban Development Fair Market Rent Schedules. This value shall be increased in accordance with any adjustments to Article 15, Section 1, Salary Schedule.
- 2) Facility Condition--The index of facility condition in terms of "Good," "Fair," or "Poor."
- 3) Adjusted Rent--The figure derived from application of the facility condition index to the rental base. The adjusted rent figure shall be used for the calculation of the amenities lacking and imposition-on-privacy deductions.
- 4) Required-to-Live--A deduction of 25 percent of the adjusted rent allowed for protection of property or for the convenience of the State where applicable.
- 5) Imposition-on-Privacy--A deduction of 10 percent of the adjusted rent allowed for the use of a portion of the facility for State business if applicable.
- 6) Amenities Lacking--Percentage of the adjusted rent to be deducted due to lack of fire and/or police protection.
- 7) Geographical Differential--The coefficient used to adjust an Anchorage-based rent to a level appropriate for a specific location outside of Anchorage. See Section 9 for list of coefficients by location.
- 8) Travel Allowance--Deduction allowed for locations involving unusual transportation costs.

Section 2 - Rental Formula

The rental formula is as follows:

$$[[[(RB \times CI) - (AL + IP)] \text{ GDF}] - TA] \text{ RTL}] + UC = \text{FCR}$$

or calculated FCR is:

$$\begin{array}{r}
 \text{RB} \\
 \times \text{CI} \\
 \hline
 \text{Subtotal 1} \\
 \\
 - \quad \text{Subtotal 1} \\
 \quad \text{(Sub Total 1 x AL) and (Sub Total 1 x IP)} \\
 \hline
 \text{Subtotal 2} \\
 \\
 \times \quad \text{Subtotal 2} \\
 \quad \text{GDF} \\
 \quad \hline
 \quad \text{Subtotal 3} \\
 \\
 - \quad \text{Subtotal 3} \\
 \quad \text{TA} \\
 \quad \hline
 \quad \text{Subtotal 4} \\
 \\
 - \quad \text{Subtotal 4} \\
 \quad \text{(Sub Total 4 x RTL)} \\
 \quad \hline
 \quad \text{Subtotal 5} \\
 \\
 + \quad \text{Subtotal 5} \\
 \quad \text{UC} \\
 \quad \hline
 \quad \text{FCR}
 \end{array}$$

GDF is the geographic differential factor for a particular location.

CI is the facility index:

- 1.0 Good
- 0.8 Fair
- 0.6 Poor

RB is the fair market value for an unfurnished rental unit in Anchorage with a particular number of bedrooms.

RTL is the reduction for required-to-live; when used in the formula the RTL equals .75.

AL is the deduction for amenities lacking.

IP is the deduction for imposition-on-privacy.

TA is the allowance for excessive travel.

UC is the utility charge for all units except bunkhouses.

FCR is the formula calculated rent.

AND:

Amount of rent to be paid shall be the lesser of the following:

1. 25 percent of a member's gross income (standby and overtime compensation excluded) as an employee of the State of Alaska.

or

2. "FCR" resulting from exercise of formula.

Section 3 - Rental Base Schedule

<u>ALL TYPES OF STRUCTURES</u>	<u>NUMBER OF BEDROOMS</u>			
	<u>0</u>	<u>1</u>	<u>2</u>	<u>3 or more</u>
(Mobile Homes, Apartments or Houses)	\$480	583	686	837

Rental Base Unit Notes:

1. Units are assumed to be unfurnished. All units are to include one (1) refrigerator, one (1) stove, one (1) washer, one (1) dryer, and window coverings.
2. Units are assumed to be in "Good" condition. A lesser condition shall be compensated for by application of the "condition index."

Section 4 - Facility Condition

State housing units are classified into the following three (3) condition categories:

1. "Good"--Wear and tear may be evident and/or is in need of minor repairs; insulation for winter use is adequate or heating plant capacity is able to compensate for inadequate insulation; water is reliable, adequate and safe for household use; reliable and adequate electrical service; reliable and adequate fuel available for heating, hot water and cooking needs.

2. "Fair"--Wear and tear is evident and/or unit is in need of significant repair; insulation for winter use is adequate or heating plant capacity is able to compensate for inadequate insulation. No member shall be required to live in a "fair" condition unit for more than fourteen (14) days in any calendar year.
3. "Poor"---Unit is marginally habitable and is in serious need of repair or insulation for winter use is less than adequate. The heating plant is not able to compensate for lack of insulation. No member shall be required to live in a "poor" condition unit for more than twenty-four (24) hours.

Any member required to occupy a "poor" condition unit shall be paid per diem for each twenty-four (24) hour period or any portion thereof until moved to a "fair" or better unit.

Section 5 - Required to Live

In cases where the commissioner of a department requests and the Commissioner of the Department of Administration approves a member to occupy any State-owned or State-controlled facility for either the protection of State property or for the convenience of the State a deduction of 25 percent is allowable. In no case shall the total deductions reduce the rental base more than 50 percent.

Section 6 - Imposition on Privacy

In cases where the head of a department requests the use of a portion of the facility for the purpose of accommodating official visitors, for use as office space, or for the general convenience of the public, a deduction of 10 percent of the adjusted rent is allowable. Only one (1) deduction is allowed per agency per location. In no case shall the total deductions reduce the rental base more than 50 percent.

Section 7 - Amenities Lacking

A deduction from the adjusted rent equal to 2 percent shall be allowed for the lack of fire and/or police protection up to a maximum of 4 percent for the unit in question. In no case shall the total deductions reduce the rental base more than 50 percent.

Section 8 - Travel Allowance

In some cases the State supplies quarters to members in locations where minimal community services are available only at some distance from the location of the quarters. In this situation the Department of Administration shall grant a deduction from the chart listed below, to offset the direct economic effects of the unusual transportation costs incurred. The nearest established community as defined in this Section is to be used as the base community for calculating the deduction. A community must be deficient in more than one (1) of the listed services if a town farther away is to be selected as the base for calculating the distance deduction.

<u>Distance in Miles, One (1) Way for Surface Travel or Air Travel If Surface Travel Not Available</u>	<u>Maximum Monthly Deduction</u>
Less than 10 miles	No deduction
10 but less than 20	\$15.00
20 but less than 30	25.00
30 but less than 40	35.00
40 but less than 50	45.00
50 but less than 60	55.00
60 but less than 70	65.00
70 but less than 90	80.00
90 but less than 110	95.00
110 and more miles	110.00

For purposes of calculating a deduction under this Section, an established community is a population center offering the minimal community services listed below on a year round basis, or alternatively, approximately the same seasonal basis as the occupancy of the State rental quarters under consideration. Conformity with this definition, without regard to population size or other criteria, is the sole basis for identification of an established community.

<u>SERVICES</u>	<u>MINIMUM</u>
Medical	Physician, one (1) dentist
Educational	Public elementary and high school (unless transportation is provided without charge, to a borough, or district school)
Shopping.....	Grocery, drugs, clothing, hardware and general household needs
Religious	Congregation of <u>two (2)</u> faiths, or denominations

Public Transportation Connection with at least one (1) major town or city by common carriers (i.e., trucking, airport, bus)

In no case shall total deductions reduce the Rental Base more than 50 percent.

Should work stations be established in locations not listed above, the Employer and Association agree to meet to negotiate the appropriate geographic differential factor.

Section 10 - Utility Charge

The utility charge shall be two hundred (\$200.00) per month for all units.

Section 11 - Mobile Home Pad Rental Rates

The rental rate for mobile home pads shall be fixed at one hundred seventy-five (\$175.00) dollars a month and is not subject to reduction or increase by geographic differential.

Section 12 - Damage Deposit

A damage deposit of two hundred fifty dollars (\$250.00) is required for each unit.

This deposit is refundable in full or part based on the condition of the unit, allowing for reasonable wear and tear, at the time of final inspection.

Section 13 - Clean-up Deposit--Mobile Home Pads Only

A clean-up deposit of two hundred fifty dollars (\$250.00) for each mobile home pad is required for utility disconnect and pad clean-up. This deposit is refundable if upon inspection the pad is found to be clean and free of debris.

Section 14 - Payroll Deductions; Disputed Amounts

Rent and utilities shall preferably be paid by payroll deduction. If a dispute between the State and a member develops concerning the unit's condition as provided for in the Landlord Tenants Act, payment shall continue and the State agrees to establish a separate account into which monthly rent shall be deposited until the dispute is resolved. When a settlement is reached the disputed funds shall be disbursed appropriately.

Section 15 - Bunkhouse Rental Rates

The standard bunkhouse room rental rate shall be one hundred dollars (\$100.00) a month for each occupant.

There shall be no charge for utilities to bunkhouse residents. All bunkhouse units shall be furnished. No damage deposit shall be required by bunkhouse residents.

Section 16 - Pet Limitation

Member occupants that own pets shall ensure that pets are not nuisances and do not create unsanitary conditions in/around quarters. All pets must be leashed or otherwise under direct control of their owners while on State-owned or State-controlled premises. Ownership of kennels, dog teams, livestock, horses and other exotic pets is prohibited on State-owned or State-controlled premises. Owners of pets are responsible and liable for injury, damage or loss caused by their pets.

ARTICLE 14 - LEAVES OF ABSENCE FOR PERMANENT EMPLOYEES

Section 1 – Personal Leave General

Personal leave shall be earned and used in lieu of all sick and annual leave, except as specified in this Article. Members transferring into the bargaining unit who have annual leave earnings credited to their State annual leave accounts, shall have the annual leave balances transferred to their personal leave account.

- a. **Rate of Accrual:** A member who has permanent and/or probationary status shall accrue personal leave as follows:
- 1) Two (2) working days for each full monthly pay period if the member has less than two (2) years of service.
 - 2) Two and one quarter (2 ¼) working days for each full monthly pay period if the member has had more than two (2) but less than five (5) years of service.
 - 3) Two and one-half (2 ½) working days for each monthly pay period if the member has more than five (5) but less than ten (10) years of service.
 - 4) Three (3) working days for each full monthly pay period if the member has more than ten (10) years of service.
 - 5) Accruals for less than full month pay periods shall be prorated.

In determining years of service for the purpose of computing personal leave, all service with the Territory and State of Alaska is included.

- b. **Changes of Accrual Rate:** All accrual rate changes shall become effective the first (1st) day of the pay period following the pay period in which the member completes the service requirement and becomes eligible for the higher accrual rate.
- c. **Personal Sick Leave Bank :** Members transferring into the bargaining unit who have sick leave earnings credited to their State sick leave accounts, shall have such earnings transferred to their personal sick leave bank.

On the date of entry into the bargaining unit, a member may draw upon a maximum of fifteen (15) days or the balance in the sick leave bank, whichever is less. Such leave is to be used consistent with the Personnel Rules governing the use of sick leave. There shall be no further additions to the sick leave bank, and the balance can be authorized for use only for those purposes consistent with Personnel Rules regarding the use of sick leave, and only after the personal leave balance has been exhausted, except that any medical disability that prevents the member from performing his/her duties, as certified by the attending physician, that exceeds seven (7) working days shall be charged as follows:

- 1) Shall be charged first to the fifteen (15) days referred to in this Section.
- 2) Shall be charged to personal leave up to a maximum of seven (7) working days.
- 3) After exceeding the seven (7) days charged to personal leave, the additional leave shall be charged to the sick leave bank.
- 4) If the sick leave bank has been exhausted, the leave shall be charged to personal leave.

Such illness may require a report from a licensed physician, at the discretion of the supervisor.

- d. Utilization and Disposal: Personal leave shall be used for any and all purposes for which sick and/or annual leave has heretofore been used. Personal leave requests require the prior approval of the supervisor, except in the case of illness or injury to the member. Member requests shall be given full consideration and, to the extent practicable, approved. However, the parties agree that the final decision with regard to approval or disapproval of any request shall be based on the supervisor's evaluation of the needs of the job. When a member takes three or more consecutive work days of personal leave due to an illness or injury, the supervisor may require the member to provide a physician's certificate stating the reason for the absence.

Personal leave accrued but not used shall accumulate until separation, however, at least five (5) days personal leave must be used each calendar period (leave year) beginning December 16

and ending December 15 of the succeeding year.

If the member is denied the use of five (5) days in any full leave year, the member shall be entitled to payment for the unused portion. This payment shall be at the rate of one and one-half (1 ½) times his hourly rate and shall be included in the first (1st) regular monthly pay following the close of the leave year in which the denial occurred. The period of time for which payment is made shall be deducted from the personal leave balance. It is understood that, should the member take no action to schedule the five (5) days leave, the State may direct that he/she take the personal leave at any time to satisfy the five (5) day requirement.

- e. Separation: A member shall receive a lump-sum payment of personal leave upon separation from State service. The lump-sum payment shall equal the compensation that the member would have received if he/she had remained in the service until the expiration of the period of unused personal leave. The sick leave bank balance shall be automatically canceled without pay except in case of death of a member who, at the time of his/her death, is a bargaining unit member. All unused sick leave shall be paid to his/her beneficiary in a lump sum.
- f. Movement from the Unit: If a member transfers to a position outside the bargaining unit without a break in service, his/her personal leave shall be credited to his/her annual leave account and banked sick leave shall be credited to his/her sick leave account in the new position. If the member transfers to a bargaining unit that has a maximum accrual of annual leave, he/she shall be credited up to the maximum annual leave allowed in his/her new position by virtue of transfer of personal leave earnings. Any leave remaining after the transfer of the maximum allowed shall be paid to the member.
- g. Funeral Leave: If a death occurs among members of a member's immediate family, the member shall be excused from work to attend the funeral and make other necessary arrangements without loss of pay from the day of death until the day after the funeral, but not more than a total of five (5) days (not more than a total of ten [10] days if circumstances require the member to leave the State of Alaska). The funeral leave time shall be deducted first from personal leave and then from banked sick leave.

Immediate family, for the purposes of funeral leave, shall mean

husband, wife, child, father, mother, sister, brother, father-in-law and mother-in-law, including step relationships.

- h. Leave Cash-In. Employees having in excess of forty (40) hours of personal leave shall, upon written request to the Employer, receive payment for accrued but unused personal leave, subject to the following limitations:
 - 1) Under no circumstances may an employee request or receive a leave cash-in that would reduce the employee's accrued personal leave balance below forty (40) hours.
 - 2) No more than three (3) leave cash-in requests may be made in any one (1) leave year (i.e., December 16 of one calendar year to December 15 of the following calendar year).
 - 3) Payment shall be made no later than one (1) pay period following the pay period on which the request was made.
 - 4) Leave cashed in under this section does not reduce the forty (40) hour mandatory leave requirement in Article 14, Section 1 d. above.
- i. Donation of Leave: Leave donations for medical reasons may be made in accordance with AS 39.20.245(b).

Section 2 - Parental Leave

For members leave for purposes of childbirth and/or adoption shall be consistent with the Federal Family and Medical Leave Act and the Alaska Family Leave Act.

For those members who do not qualify under either of the Family Leave Acts, immediately preceding and following childbirth, the member giving birth is entitled to take a total of nine (9) weeks leave. This leave shall be charged first to sick leave, and if this is insufficient, to personal leave, then to leave without pay for the balance of the period of nine (9) weeks.

Where a maternity/FMLA/AFLA leave of absence is taken in accordance with the provisions of this section, the member shall accumulate service credit and seniority for the first nine (9) weeks or during the full period of paid leave, whichever is longer.

Section 3 - Military Leave

A member who belongs to a reserve component of the United States Armed Forces is entitled to a leave of absence without loss of pay, time or performance rating on all days during which he is ordered to training duty, as distinguished from active duty, with troops or at field exercises, or for instruction. The leave of absence may not exceed sixteen and one-half (16 1/2) working days in any calendar period beginning December 16 and ending December 15.

A member who is ordered by the United States Selective Service System to report for a pre-induction physical examination is entitled to a leave of absence without loss of pay, time or performance rating. A member shall be granted three (3) days of administrative leave immediately prior to reporting for active duty.

Section 4 - Leave Without Pay

A member who has exhausted personal leave may be granted up to one (1) year of leave without pay for a compelling reason.

Section 5 - Association Leave Bank

There is hereby created an Association Leave Bank for the sole and exclusive use of the Association. The Bank shall be administered and managed solely by the Association and subject to periodic audits by the Employer. Each audit shall be preceded by written notice, at least forty-eight (48) hours prior to the audit. Audits shall not be more frequent than twice each calendar year.

The first (1st) day of accrued personal leave of all new bargaining unit members shall be transferred to the Association Leave Bank. Upon request from the President of the Public Safety Employees Association, the Employer shall transfer from one (1) hour to one (1) day from each bargaining unit member's personal leave account to the Association Leave Bank. Such deductions do not reduce the amount of personal leave use required by Section 1.d. of this Article.

The Association agrees that it shall not use the Leave Bank for any purpose other than bona fide Association business. The Association further agrees that the Leave Bank balance is not returnable to personal leave accounts, not transferable to successor bargaining agents and has no cash value upon de-certification. Notification of absences from duty for business leave shall be made to the appropriate management level as designated in writing by the Employer. Each request shall state specifically the purpose of the absence. Requests for absences for Association business shall not be unreasonably denied.

Section 6 - Administrative Leave

Administrative leave is paid leave used to properly record an excused absence.

It shall be granted for the following:

- a. Approved training including attendance at seminars and schooling.
- b. Pre-induction physical examination as ordered by the U.S. Selective Service System.
- c. Jury duty.
- d. Time necessary for grievance administration up to one hundred and fifty (150) hours, the allocation to individual Association representatives to be at the discretion of the Association. The Association shall furnish the State reasonable advance notice when a member is to be absent from his/her station for the purpose of grievance administration.
- e. When appropriate during a transfer for the purposes of house hunting and moving according to the State Administrative Manual and Article 12, Section 2.e.
- f. A leave of absence for up to twelve (12) consecutive months from the date of initial injury/illness for a member who has suffered an illness or injury in the line of duty that would normally qualify them for Workers' Compensation. In such instances, the member may be assigned work at the discretion of the Department providing such work assignment does not adversely affect the nature of the illness or injury. Should it be determined the member shall not be eligible to return to full duty and applies for retirement, and retirement is granted prior to the twelve (12) months expiration of administrative leave, the Department's obligation under this provision shall then be nullified. It is the intent of this provision that a member would not be eligible to receive lost wage compensation from Workers' Compensation for that period of time covered by Administrative leave. However, in the event the member does receive lost wage compensation for that period of time covered by Administrative leave, such payment shall be submitted to the Department. In extraordinary circumstances, the parties may mutually agree to modify the provisions of this section. This provision does not apply to probationary recruit employees in training at the academy. These employees, however, shall be subject to eligibility of the Alaska Workers' Compensation Act.

In the event any geographic differential paid prior to the effective date is lowered,

the salaries of affected members, except in the case of a demotion, shall be frozen for so long as they remain in their current geographic differential area, or until salary increases or changes in the member's position result in the member receiving a higher salary than the frozen amount. In the case of a demotion, the member's geographic differential shall be frozen at the rate in effect prior to the demotion.

Except as provided above, after the effective date, members appointed to positions at duty stations covered by a different geographic differential shall be paid at the appropriate new differential.

Should work stations be established in locations not listed above, the Employer and Association agree to meet to negotiate the appropriate geographic differential.

Section 4 - Shift Differential

- a. All members while assigned to a shift that begins between 12:00 noon and 8:00 p.m. shall be paid an additional amount that equals 3.75 percent above their regular rate for all hours so worked.
- b. All members while assigned to a shift that begins between 8:00 p.m. and 4:00 a.m. shall be paid an additional amount that equals 7.5 percent above their regular rate for all hours so worked.
- c. In compliance with the Fair Labor Standards Act, for the purpose of overtime computation, shift differentials shall be included in the calculation of the straight time hourly rate of pay.

Section 5 - Holiday Worked

When a member is required to work on his/her designated non-floating holiday, he/she shall be paid at the rate of one and one-half (1 1/2) times his/her regular pay in addition to being paid for the holiday.

A member required to work on his/her designated non-floating holiday may elect to add to his/her accrued personal leave one and one-half (1-1/2) hours for each hour worked in lieu of cash payment. Such increases to personal leave shall require the approval of the Employer.

Section 6 - FTO/OIC Differential

- a. Department of Public Safety

- 1) A member assigned to Field Training Officer (FTO) duty shall receive a pay differential of five percent (5%) of the member's regular hourly rate for each hour worked in that capacity.
 - 2) A member assigned to Officer-In_Charge (OIC) duty shall receive a pay differential of five percent (5%) of the member's regular hourly rate for each hour worked in that capacity. This differential shall apply only to (a) members in the classification of State Trooper, Range 76, when supervising other members of equal or higher rank, and (b) Court Services Officers, when supervising other Court Services Officers.
- b. Department of Transportation and Public Facilities
- 1) A member assigned to FTO duty shall receive a pay differential of five percent (5%) of the member's regular hourly rate for each hour worked in that capacity.
 - 2) A member assigned to Acting Watch Commander (AWC) duty shall receive a pay differential of five percent (5%) of the member's regular hourly rate for each hour worked in that capacity
- c. When a Department of Public Safety member is simultaneously assigned to FTO and OIC duties, and when a Department of Transportation and Public Facilities member is simultaneously assigned to FTO and AWC duties, the member shall receive a pay differential of ten percent (10%) of the member's regular hourly rate for each hour worked in those capacities.

Section 7 - Pilot Flight Time Differential

For Department of Public Safety members, all members who are designated as current authorized Department of Public Safety pilots shall receive a pay differential of 5.0% percent of their regular hourly rate for each hour preparing to fly, flying, and concluding a flight for the Department of Public Safety.

Section 8 - Standby

Members may be required to be available for standby duty. In such instances, the members' names shall be placed on a standby roster for the designated

period of time of such requirement. Assignments to a standby roster shall be equitably rotated among members normally required to perform the anticipated duties. Except during emergencies, standby shall not be assigned during a member's RDOs.

One hour of pay at the regular straight time hourly rate shall be paid to a member who is assigned to a standby roster for each calendar day or portion of a calendar day of such assignment. When assigned to standby on their RDO due to an emergency the member shall receive an amount equal to two (2) hours pay at the regular straight time hourly rate. If members are assigned to the standby roster on a non-floating holiday, they shall receive an amount equal to four (4) hours pay at the member's regular straight time hourly rate.

A member must be notified by means of a published schedule, or by telephone, as to when the assigned periods of standby begin and end.

Standby pay is for the purpose of compensating the member for being available for work. Standby pay is not intended as compensation for any work performed by the member.

Section 9 - Recall

- a. If a member is recalled to work after the completion of his/her regular shift, the member shall be paid a minimum of three (3) hours pay at the appropriate overtime rate. Provided that should total call-back hours worked exceed three (3), the member shall receive pay at the appropriate overtime rate for all such hours worked. "Recall" shall be defined as the notification of a member after completion of his/her regular shift and having left the premises of the Employer and the requirement that he/she report for duty at a time prior to the commencement of his/her next scheduled shift and not connected to the next shift.
- b. Upon completion of any specific, non-emergency duties for which a member was recalled, the member is entitled to return to off-duty status. Upon completion of any specific emergency duties for which a member was recalled, the member is entitled to return to off-duty status, provided that the Department can assign the member to handle other emergencies that occur during the minimum call back period, and before the member goes off duty, without incurring additional call back liability.

Section 10 - Telephone Calls

When a member receives telephone call(s) during off-duty hours that require work, he/she shall receive a minimum of one-half (1/2) hour pay, or actual time spent, whichever is greater, at an appropriate rate. Multiple calls during the same one-half hour period of time are considered as one call. The member may receive one-half hour pay for up to three separate and distinct calls received during an off-duty period. Upon receiving the fourth call during one off-duty period, the member shall be entitled to an additional 1.5 hours pay at the appropriate rate of pay. In no case shall the member be entitled to more than 3.0 hours pay in a single off-duty period for answering phone calls, unless more time has actually been worked.

For flexible shift schedule posts, calls received during other than sleep hours shall count toward the workweek requirement. "Telephone call" hours during a sleep period shall not be credited toward the forty (40) hour workweek requirement.

Telephone call pay shall not be pyramided.

Section 11 - Early Call-in

If a member is notified within four (4) hours after the completion of his/her shift that he/she is to report for duty prior to his/her next scheduled shift, he/she shall be paid at the appropriate overtime rate. If the member is notified later than four (4) hours after the completion of his/her shift that he/she is to report for duty prior to his/her next scheduled shift, he/she shall receive a minimum of two (2) hours at the appropriate overtime rate. Provided, however, that if the early call-in is for one hour or less before the normal shift starting time, only the actual time worked shall be compensated; the rate to be straight time or overtime as appropriate. "Early call-in" shall be defined as the notification of a member to report early and contiguous with his/her next regular scheduled shift.

Section 12 - Interruption of Vacation/Leave

Occasionally, due to necessity, a member will be required to interrupt his/her vacation and return to duty status. It is agreed that this is not desired by either party and it is the parties' intent to keep this to a minimum. However, as this does occasionally occur, the following provision will control.

Prior to beginning the vacation, the member is required to clear with appropriate judicial officer before beginning the vacation, and inform the scheduling supervisor in writing of this action in order to be eligible for compensation in this section.

When member begins the trip from the vacation site to the work location, the

member will be placed in travel status and the State will be responsible for the member's reasonable transportation costs. At completion of the trip, the member will be compensated at the overtime rate. Upon arrival at the work location, the member shall be placed in normal duty status and compensated at the overtime rate for all hours worked.

When the member's presence is no longer required, the member shall have the option of being returned to the vacation site or remaining; in any event, every reasonable effort shall be made to allow the member to extend the vacation by the interrupted period. If the member chooses to return to the vacation site, the member will be placed in travel status from the time the trip begins until it ends and will be compensated at the overtime rate. The State is responsible for reasonable transportation costs.

FLEXIBLE SCHEDULE – INTENT LANGUAGE

The intent of a flexible schedule workweek is for the employee to address his/her work schedule throughout the workweek to accommodate the work load, such as an extended number of hours to be worked during a village visit or complex investigation. It is acknowledged that during the course of a flexible schedule workweek, hours worked earlier in the week may cause a decision to be made by a supervisor as to whether overtime is necessary to complete the employee's scheduled workweek, or whether the employee is going to take the rest of the workweek off in conjunction with his/her RDOs. It is not the intent of a flexible schedule to allow the Employer to split shifts or shorten a shift in the middle of the week for a planned event, unless it is mutually agreed upon with the employee.

It is the intent of a flexible schedule that an employee advise his/her supervisor of the status of his/her shift or hours remaining in a workweek so that his/her supervisor can plan for coverage later in the employee's workweek as necessary. Employees on a flexible schedule shall normally be in contact with their supervisor when it is apparent the normal workweek is changing. In any case, the employee should be in contact with the supervisor when they reach 32 hours and it is apparent that the 40-hour workweek shall be complete prior to the end of the normal 5-day workweek, unless other arrangements are in place for supervisor notification. This is to ensure that a supervisor can assign overtime or elect to re-schedule other employees to cover the needed shifts or standby time.

Section 13 - Nonscheduled or Flexible Scheduled Posts

(This Section applies to Department of Public Safety members only.)

The Employer reserves the right to designate posts and assignments as being on a "flexible schedule." The workweek for these posts and assignments shall be based on a total workweek of forty (40) hours rather than the normal daily schedule. Paid leave and non-floating holidays shall be considered as work status.

Members stationed at nonscheduled posts and the detachment/bureau Commander, or designee, shall mutually agree on a flexible schedule that shall specify the workdays and the workweek. The member shall complete forty (40) hours in work status each workweek. These hours are to be completed within a five (5) day period beginning on the first (1st) day following his/her regularly scheduled days off.

Each agreed-upon schedule shall be in writing, and shall state:

1. The member's normal and anticipated hours of work for each workday, specifying all "core" hours, if required, and stating, when appropriate, the "non-core hours." It shall also specify the member's "sleep hours."
 - a) "Core" hours are those during which a member is required to be on duty. Core hours normally shall not be subject to adjustment at the member's discretion. Core hours may be different for each day of the week.
 - b) "Sleep hours" are those eight (8) consecutive hours that a member shall not normally be interrupted by a call to duty.
 - c) "Non-core hours" are those hours within a forty (40) hour workweek that may be subject to adjustment at the member's discretion. Adjustment of non-core hours shall be task oriented. The task may be routine business. Prior approval by a supervisor is not required.
2. "Core Hours" for each workday, not to exceed four (4) hours.
3. The member's normal and anticipated workdays for each workweek.
4. The member's normal and anticipated two (2) consecutive regular days off.
5. The member's normal and anticipated workweek. The first (1st) workday of the workweek shall be the first (1st) duty day after the normal and anticipated scheduled regular days off. If no workweek is designated, the workweek shall be Sunday midnight to Sunday midnight.
6. A provision for the authorization and utilization of overtime for all hours worked beyond forty (40) hours within a workweek.
7. A provision for the authorization and application of "recall." For the purposes of this Agreement, "Recall" for a member on a flexible schedule shall be treated as follows:

If a member is recalled to work during his/her scheduled "sleep hours," the member shall be paid a minimum of three (3) hours pay at the appropriate overtime rate, or credited with a minimum of four and one-half (4 ½) hours of straight time to be counted towards his/her forty (40) hour

workweek requirement. Should total call-back hours worked exceed three (3) hours, the member shall receive pay at the appropriate overtime rate for all such hours worked, or credited with the number of hours worked, four and one-half (4 ½) hours minimum at the straight-time rate, towards his/her forty (40) hour workweek requirement. For the purposes of this Section, it shall be management's right to decide whether to pay the member for overtime, or credit his/her hours toward the member's workweek requirement. If overtime is paid for these "recall" hours, those hours paid shall not be credited towards the forty (40) hour workweek requirement.

8. The duration of the agreed-upon flexible schedule that shall not be less than one (1) workweek.
9. A procedure for the termination or modification of the agreed-upon schedule, with not less than seven (7) calendar days written notice by either party.
10. Flexible schedules shall be reviewed at a minimum of every six months. The review shall be initiated when management instructs the member to propose a new flexible shift schedule, or when the member requests a new schedule be negotiated and submits a proposal. The member may submit the current flexible shift schedule. The member and the designated supervisor shall meet within seven (7) days of the submission of the proposed schedule to discuss any changes and determine if a schedule can be agreed upon.
11. Should the member and the designated supervisor be unable to agree upon a new flexible shift schedule, the member shall remain on his /her previous flexible shift schedule until the dispute is resolved. The first level of review for a disputed flexible shift schedule shall be the Detachment/Bureau Commander. If the dispute is not resolved at that level, it shall be submitted to an Independent Review Board.

The Independent Review Board shall consist of two Department employees appointed by the Director of the appropriate division, and one Association representative selected by the Association staff. Should the review board fail to resolve the issues, the Department may direct the member to work a designated flexible schedule. The Association retains the right to grieve the designated schedule as unreasonable under the provisions of this section.

A copy of each flexible schedule initiated shall be forwarded to the Association business office within three (3) working days of the date on which it is signed. The parties shall utilize the form contained in Appendix 1 of this contract.

Shift differential pay for the normally scheduled flexible workday shall be in accordance with Article 15, Section 4. However, hours worked outside the normally scheduled flexible workday shall receive the appropriate shift differential for the time the work was performed

Section 14 - Workweek

- a. The normal workday shall be eight (8) hours, including a paid lunch period of one-half ($\frac{1}{2}$) hour. Members shall receive overtime for all hours over eight (8) hours in pay status per day. However, for Airport Screening Officers the workday shall be ten (10) hours, including a paid lunch period of one-half ($\frac{1}{2}$) hour.
- b. The workweek shall be five (5) normal workdays preceded and followed by two (2) consecutive days off within a nine (9) day period. The member is guaranteed five (5) eight (8) hour days within the workweek provided he/she is ready, willing and able to work, unless suspended, on layoff or on leave without pay. However, Airport Screening Officers shall normally work four (4) ten (10) hour days followed by three (3) days off. Any member who has in excess of forty (40) hours in pay status in a given workweek shall be entitled to one and one-half ($1\frac{1}{2}$) times his/her regular hourly rate for all authorized hours in excess of forty (40) hours.
- c. Overtime pay shall not be pyramided.
- d. Overtime shall be paid in cash except where a member requests and management approves compensatory time. All compensatory time agreements must be in accordance with the Fair Labor Standards Act.

Compensatory time shall be accrued at the rate at which the time was worked.

The Employer can require a member, who has in excess of two hundred (200) hours of accrued compensatory time, to present a plan to reduce his/her compensatory time balance to two hundred (200) hours within a reasonable period of time.

Hours used for compensatory time off shall be considered as hours worked.

- e. The Employer shall make every reasonable effort not to schedule a

member for duty on his/her days off.

Section 15 - Sea Duty Pay

(This section applies to Department of Public Safety members only)

This Section shall apply to members who are assigned to Sea Duty for more than twenty-four (24) consecutive hours.

1. Members on Sea Duty shall be assigned an uninterrupted sleep period in compliance with FLSA.
2. An uninterrupted meal period shall be allowed for each meal, not to exceed three (3) meals per day.
3. The hourly rate of pay while assigned to Sea Duty shall be computed by the following formula:

Monthly salary x 0.00212 = Sea Duty Hourly Rate of Pay

4. All hours of Sea Duty shall be considered hours worked, therefore on:
 - a) Regular Duty Day: The member shall be paid eight (8) hours at the straight rate and sixteen (16) hours at the time and one-half (1 ½) rate of Sea Duty Hourly Rate of Pay; and
 - b) Regular Day Off (Sixth [6th] and Seventh [7th] day) and Non-floating Holiday: The member shall be paid eight (8) hours at the time and one-half (1 ½) rate and sixteen (16) hours at the double time rate of the Sea Duty Hourly Rate of Pay.

For each thirty (30) days Sea Duty, the member shall be provided with ten (10) days of Shore Duty. When assigned to Shore Duty, members shall revert to the standard provisions of this Agreement.

The normal accrual rate for personal leave and credit for non-floating holidays shall not be changed by this Section.

Sea Duty Hourly Rates of Pay shall not be used in the computation of overtime rates when the member is not assigned to Sea Duty. Overtime pay during a workweek that includes Sea Duty shall be paid on the basis of the work performed during the overtime hours in accordance with 29 CFR Sec 778.419.

Section 16 - Temporary Investigator Assignments

A Trooper, Range 76, and an Airport Police & Fire Officer (AP&FO) II, Range 75, who has received written delegated authority by the Division Director to be trained as an investigator and performs the full duties of the higher range for more than six (6) consecutive or cumulative months, shall be paid for all subsequent days at the step of Range 77 that would be appropriate in the case of promotion. Management shall review the delegated authority after a Trooper, Range 76, or an AP&FO II, Range 75, has been paid to perform as an investigator for a year and after each six (6) months interval thereafter. Upon commencement of the duties of their regular position, the member shall return to their normal rate of pay.

Section 17 - Master & Mate Pay

A classified Trooper, Range 76, or a classified Corporal, Range 77, who has received written delegation from the Division Director and performs the duties of any of the positions listed below, shall be paid for all hours of compensation in accordance with the pay differential applied to the appropriate hourly rate of pay as specified below. This pay differential applies only to employees specifically designated as a Master or Mate and during the time that they are assigned as a Master or Mate.

<u>SPECIAL DUTY</u>	<u>VESSEL SIZE</u>	<u>PERMANENT RANK</u>	<u>PAY DIFFERENTIAL</u>
Master	100+ ft	Corporal	3.75%
Master	100+ ft	Trooper	7.5%
Mate	same	Trooper	3.75%
Master	65-99 ft	Trooper	3.75%

A Trooper, Range 76, performing the duties of a Master or Mate, is not eligible for OIC differential pay.

Section 18 - Acting in a Higher Classification

When a bargaining unit member receives a written assignment to perform many of the duties of a position in a higher pay range, the member will be paid for such time worked at the first step in that higher pay range that is above the member's current pay rate. If the assignment requires a member to perform the work of a position outside the bargaining unit, the member will remain a member of the bargaining unit and continue to have all the rights and obligations of a bargaining unit member, including the payment of dues and entitlement to health coverage.

Section 19 - Instructor Pay

A member assigned to give instruction to other employees of the department as an additional assignment to their regular duties shall receive a five percent (5%) premium pay in addition to their regular rate of pay for all hours worked in preparation, presentation and travel associated with the course of instruction.

Section 20 - Diver Pay

A member assigned as a department diver shall receive a five percent (5%) premium pay in addition to their regular rate of pay for all hours worked while actually engaged in diving activities.

Section 21 - SERT Pay

Section 22 - Explosive Ordinance Disposal (EOD) Pay

Members assigned to explosive ordinance disposal shall receive a five percent (5%) premium pay in addition to their regular rate of pay for all hours worked while actually engaged in explosive ordinance disposal activities, including training.

ARTICLE 16 - HOLIDAYS, RELIEF PERIODS, LUNCH BREAKS AND SHIFT ASSIGNMENTS

Section 1 - Observance of Holiday

With the exception of floating holidays, a designated holiday shall normally be observed on the calendar day on which it falls, except that if a holiday falls on a member's first (1st) RDO, the preceding workday shall be the designated holiday. When a holiday falls on a member's second (2nd) RDO, the following workday shall be the designated holiday. However, another mutually agreed day within the same workweek may be taken instead of those designated herein.

Section 2 - Relief Period

When circumstances permit, members shall be allowed a fifteen (15) minute relief break during the first (1st) half of the shift and a fifteen (15) minute relief break during the second (2nd) half of the shift.

Section 3 - Lunch Break

A lunch break of thirty (30) minutes shall be allowed, in accordance with Article 15, Section 13.a. approximately midway of each shift. The lunch break may be extended without pay with the Employer's approval.

Section 4 - Continuous Hours of Work

If a member is assigned by Management and is required to work in excess of sixteen (16) continuous hours, except Sea Duty, those hours in excess of sixteen (16) continuous hours shall be paid at double-time.

Section 5 - Shift Assignments

Shift assignments shall be made in accordance with Article 11, Section 7 entitled "Shift Assignments and Regular Days Off."

Section 6 - Shift Scheduling--Limitations

- a. No member shall be required to work back-to-back shifts when effectuating a shift change. A minimum of eight (8) hours shall separate the shift change.
- b. Scheduling shall be arranged so that the member is afforded a minimum of forty (40) hours on his/her two (2) consecutive days off.

- c. Article 15, Section 13.b., shall not be interpreted to require the State to pay overtime to members while effectuating regularly established shift changes that utilize the exercising of Article 11, Section 7, Seniority rights.

Regularly established shift changes are considered to occur not more frequently than once every three (3) months or less frequently than once every six (6) months for Department of Public Safety members and not more frequently than once every four (4) months or less frequently than once every twelve (12) months for Airport Police and Fire Officers.

When effectuating the shift/workweek change, a member may be required to work more than five (5) consecutive days. In this case, for the purpose of establishing the new shift/workweek, the initial consecutive days worked beyond five (5) shall be paid at the applicable straight-time rate of pay, unless the Employer is required to pay overtime in accordance with the Fair Labor Standards Act.

When effectuating the shift/workweek change, a member may work less than five (5) consecutive days. In this case, for the purpose of establishing the new shift/workweek, the member shall receive the guaranteed pay in accordance with Article 15, Section 13.b.

ARTICLE 17 - PAY PRACTICES

Section 1 - Payday

- a. Pay Periods - Pay periods shall be the first (1st) through the fifteenth (15th) day of each month (first pay period) and the sixteenth (16th) through the last day of each month (second pay period). Pay for the first pay period of each month shall be issued on the last day of that month. Pay for the second pay period of each month shall be issued on the fifteenth (15th) of the following month.
- b. Payday - Paydays shall be the fifteenth (15th) and last days of each month. If the fifteenth (15th) day of the month or last day of the month falls on a Saturday, Sunday or holiday, then the last working day before such Saturday, Sunday or holiday shall be the payday.
- c. Should a member fail to receive his/her paycheck on the due date, he/she shall notify the appropriate payroll officer, who shall immediately cancel the lost warrant. A replacement warrant shall be issued and mailed or deposited according to the member's instructions within three (3) working days of notification to the appropriate payroll officers. The member shall, within three (3) working days, confirm in writing his/her request for a replacement warrant.

Section 2 - Method of Receiving Payment

- a. Members shall normally have their pay mailed to their work station, however, a member may designate another mailing address or electronic direct deposit to a bank account. Members who are not at the normal duty station by reason of being on leave or being on travel status for a period anticipated to be seven (7) days or less following payday shall be considered to have been paid in a timely manner if they receive their pay on their first (1st) day back at their duty station after such payday. In cases where anticipated leave or travel status exceeds seven (7) days, it shall be the responsibility of the member to make alternative pay arrangements prior to departure.
- b. All checks mailed shall be considered paid timely if postmarked three (3) days prior to due date.

- c. The Payroll Report as submitted by the member may only be changed by that member. Should the Employer question the accuracy of the report, the Employer has the right to correct or disapprove portions of it. If portions are corrected or disapproved, a copy of the member's report, showing all corrections, approvals and disapprovals shall be returned to the member.

Section 3 - Pay Shortages

The Employer shall verify pay shortages within two (2) working days following receipt of a dated and written complaint accompanied, when necessary, by a corrected Payroll Report signed by the member's supervisor. In the event that a pay shortage is determined to exist, the Employer shall issue payment for the shortage within five (5) working days of the date of verification. For pay shortages exceeding four hundred dollars (\$400.00) above the normal base rate of pay, or shortages to the normal base rate of pay, and/or geographic pay levels, not received within the five (5) days, there shall be a penalty of forty dollars (\$40.00) per day. Other pay shortages not received with the next warrant shall be subject to the forty dollar (\$40.00) per day penalty rate. Penalty pay for any single pay shortage shall not exceed four hundred dollars (\$400.00) per calendar month.

Section 4 - Overpayments

If an employee is overpaid, he/she shall be provided with an accounting of the overpayment at least one (1) month prior to the Employer commencing repayment. Overpayments of greater than one hundred dollars (\$100.00) but less than five hundred dollars (\$500.00) shall be recovered from the employee in two (2) monthly deductions from the employee's pay warrant.

Overpayments of five hundred dollars (\$500.00) or over shall be recovered in not less than three (3) monthly deductions and not more than six (6) monthly deductions from the employee's pay warrant.

Section 5 - Itemized

The Employer shall continue to itemize the deductions and pay on the members pay warrant. A complete itemized breakdown of the pay shall be provided upon request of that member.

Section 6 - Payment on Separation

fifteen (15) days.

- b. Withdrawn retirement contributions become due and payable thirty (30) days after receipt by the Division of Retirement and Benefits of required notification from the member requesting withdrawal of said contributions.
- c. All State property shall be returned, or reimbursement shall be provided, on the effective date of termination.

Section 7 - Credit Union Deductions

Members may have regular payroll deductions made from their earned wages and sent to the credit union of their choice when such deductions are properly authorized by the member on a form agreeable to both the Association and the Employer, provided twenty (20) or more members so request.

Section 8 - Merit Increases

A permanent non-probationary employee shall receive his/her merit increase no more than thirty (30) days after meeting their time of service requirement absent a written denial of the increase prior to the merit anniversary date.

ARTICLE 18 - PROBATION, EVALUATION AND SEPARATION

Section 1 - Probation for Permanent Employees

State Trooper Recruits, Security Specialists I, Airport Police and Fire Officers I, Deputy Fire Marshals I and Regional Public Safety Officer Trainees shall serve an initial probationary period of twelve (12) months. There shall be no probationary period after promotion from State Trooper Recruit to State Trooper, from regional Public Safety Officer Trainee to Regional Public Safety Officer, or from Airport Police and Fire Officer I to Airport Police and Fire Officer II. Airport Screening Officers and Court Services Officers shall serve a probationary period of six (6) months.

The probationary period after promotion to all other classifications represented by the bargaining unit shall be one (1) year. If it is determined during the promotional probationary period that the member cannot perform the higher duties satisfactorily, the member shall be returned to his/her former classification.

Section 2 - Performance Evaluation

- a. Members in this bargaining unit on probationary status shall receive semiannual written evaluations. Members in permanent status shall receive annual evaluations that shall be reviewed by the rater with the member.
- b. Nonpermanents in the bargaining unit employed for more than thirty (30) consecutive days shall receive a written evaluation that shall be reviewed by the rater with the nonpermanent. The evaluation is to become a part of the nonpermanent's records.
- c. A member, other than nonpermanent, not satisfied with his/her performance evaluation may request his/her evaluation be reviewed by the Division Director for Department of Public Safety members, or reviewed by the appropriate Airport Manager for Department of Transportation and Public Facilities members. Any decision reached by the Reviewer shall be the sole remedy, except that procedural discrepancies and alleged arbitrary or capricious actions shall be grievable/arbitrable.

Section 3 - Discharge Notification

A member, other than nonpermanent, shall be notified in writing of the reason for discharge prior to termination.

Section 4 - Resignation Notification

Each member shall give the Employer two (2) weeks written notice before leaving his/her employment in order to resign in good standing. This time requirement may be modified by mutual Agreement between the Employer and the member.

ARTICLE 19 - MOVING EXPENSES

Section 1 - Basic Moving Allowances

When a member, excluding a nonpermanent member, is required to change his/her place of residence because of a required change of duty station, he/she shall be reimbursed for transportation and moving expenses as provided in Article 8 and as follows:

- a. Lowest cost/economy class airfare (one way) for the member and his/her dependents or thirty-seven and one-half cents (\$.375), or such other amount as is authorized by the Internal Revenue Service as non-taxable reimbursement for mileage, per mile for driving each family-owned vehicle, whichever is used.
- b. A standard per diem for the member, half of the standard per diem for his/her spouse and one-quarter of the standard per diem for each of his/her other dependents while en route.
- c. Should it be necessary to move the member's personal effects prior to the effective date of transfer, beginning with the date the personal effects are packed, the member shall be entitled to per diem allowances equal to the standard rates set forth above. Upon arrival at the new duty station, the member, spouse, and dependents are entitled to per diem at the standard rate while the member is seeking permanent housing. In no case, shall a member, spouse and dependents receive more than fifteen (15) days of per diem under this section, except extenuating circumstances may dictate more than fifteen (15) days and shall be handled on a case-by-case basis.
- d. When applicable, a ticket for all members of the family and each conveyance for transportation on the State ferry system.
- e. The appointing authority may authorize the payment of travel and per diem for the member and spouse to secure housing prior to the change of duty station. Such authorization, however, shall be made only if the change in duty station is at the request of the Employer.
- f. All members shall be reimbursed for moving expenses under Sections 60.350 and 360 of the "Alaska Administrative Manual" at the rate of thirty-seven and one-half cents (\$.375) per mile and with

a reimbursable weight allocation of fifteen thousand (15,000) pounds or as set out in the Alaska Administrative Manual. "Personal effects" as defined in Article 1 is applicable, except in those cases where geography or other conditions beyond the member's control require that the member's privately-owned vehicle(s) be shipped rather than driven. In such cases, the Employer shall pay for shipping and the weight of such privately-owned vehicles shall not be deducted from the reimbursable weight allocation.

- g. Nothing shall prohibit the mutual Agreement to change rates whenever the Commissioner of the Department of Administration finds that the rates set forth for State employees are not proper in any community.
- h. Nothing shall prohibit the member, spouse and dependents from receiving per diem allowances provided by this Article while the member is on administrative leave.

Section 2 - Mandatory Change of Housing at Duty Station

When a member is required to change his/her place of residence because of a change of housing at the duty station, he/she shall be reimbursed for transportation and moving expenses as provided in Section 1.

An annual clothing allowance shall be paid to non-uniformed members, except nonpermanents. A dry cleaning monthly allowance shall be paid to those members, except nonpermanents, who wear departmental clothing.

Uniformed members shall receive a forty-eight dollars (\$48.00) per month clothing maintenance allowance with no requirement to submit receipts.

Nothing in this Section shall preclude the member from his/her rights to restitution by the Employer for damage or cleaning costs incurred during the performance of duties to non-departmental issue clothing.

Should the Employer be unable to supply the member the contractually required number of uniforms, the member shall be reassigned to duties that do not require a uniform.

ARTICLE 21 - BULLETIN BOARDS

The Employer agrees to furnish space on bulletin boards in the members' work areas to be used by members of the Association. The Association shall use these boards for the posting of notices pertaining to recreational and social activities, Association elections, reports of the Association or its committees, Association meeting notices and legislative enactments, and judicial decisions affecting public employee labor relations. The parties agree that materials that are obscene, defamatory or impair the operation of the department or that constitute partisan political campaign material shall not be posted.

A courtesy copy of each item posted shall, at the department's expense, be provided to the first level supervisor outside the bargaining unit.

ARTICLE 22 - INSURANCE

Section 1 - Travel Accident Insurance

The Employer shall insure the life of every member against accidental death while the member is traveling within the scope of their State employment in the amount of \$100,000.00. The Employer shall make a timely good faith attempt to alter the existing policy to allow for the payment of death benefits to a beneficiary(ies) at their option over a five (5) year period or a lump-sum payment provided that such change is at no additional expense to the Employer.

Section 2 – Health Insurance Trust

- a. Health insurance is provided by the PSEA Health and Welfare Trust, solely managed by the Association. Both Employer and Employee contributions fund this Trust.
- b. Effective July 1, for each year of this Agreement, the Employer health insurance contribution shall increase by an amount of money not exceeding that necessary to maintain the Select Benefits Default/Economy plan.
- c. In the event that the Trust requires less than the per month Employer contributions described herein, the Employer shall remit fifty percent (50%) of the net savings to the individual members for the exclusive use as a pre-tax contribution to a Health Care Reimbursement Account, or such other distribution as may be determined by the Association.
- d. The employee's contribution shall be \$75.00 per month, or as otherwise authorized by the Board of Trustees and approved by the Board of Directors. The employee's contributions shall be deducted on a pre-tax basis.
- e. Under no circumstances shall the State be responsible for the payment of any benefits under the health and welfare plan or plans administered by PSEA or the Trust or their agents, successors, or assignees. No disputes under or relating to such benefits shall be subject to the grievance arbitration procedure in the collective bargaining agreement except an allegation that the State failed to make the agreed upon contributions.

PSEA agrees and undertakes to assure that any alternative

insurance plan or health and welfare plan implemented under this agreement is in compliance with all applicable Federal and State laws and regulations.

The State is not a party to, and has no obligations arising under Trust or the Trust Agreements. However, the State does recognize and acknowledge that the prompt and accurate payment of contributions is essential to the maintenance of the Trust and the Plan, and that it would be extremely difficult, if not impossible, to fix the actual expense and damage to the Trust that would result from the failure of any Employer to pay the required contributions within the time provided. Therefore, if the State is unable to transmit or otherwise make available those contributions to the Trust that are required by a valid collective bargaining agreement, not later than the twenty-second (22nd) day of each month, the State shall be liable for interest payments in the manner provided by AS 37.05.285. Date of postmark or hand-delivery constitutes day of payment, and no penalty shall be applied to delinquencies caused by conditions beyond the control of the State. The State shall reimburse the Association all legal costs associated with securing delinquent contributions and/or appropriate interest.

The parties acknowledge that discrepancies between employee eligibility and corresponding contributions shall frequently arise and may exist in any month. The parties shall exercise all due diligence in reconciling contributions and eligibility on a monthly basis, including adjustments of overpayments and underpayments as may be necessary.

- f. Electronic Data Interchange (EDI) - The Employer agrees that the monthly payments required by this Article shall be paid via financial EDI, with settlement by the 22nd of each month.
- g. Reports -The monthly reconciliation report shall be transmitted only via electronic data file. The report shall be transmitted only via electronic data file. The report shall indicate:
 - (i) members who have become ineligible for coverage by the Trust since the previous report.
 - (ii) members who have become eligible for coverage by the Trust since the previous report.
 - (iii) members whose eligibility status has not changed since the

previous report.

(iv) members' first and last names, social security numbers, employing department, Employer contribution for the period, and employee contribution for the period.

ARTICLE 23 - MEDICAL WELLNESS AND SAFETY

1. Each member is required to have a State provided medical examination no less than every two years. Medical examinations as deemed necessary and appropriate by the physician to determine the fitness for duty shall be furnished at no cost to the member and shall be performed by a physician licensed in the State of Alaska. The Employer shall be entitled to a report from the physician that indicates either fit or not fit for duty. The custody of detailed medical information shall remain confidential and be kept with physician or qualified medical records officer.

In compliance with State statutes, the State shall continue to provide Hepatitis B vaccinations at no cost to the member.

2. Upon reasonable showing of need, or upon assignment to special duties such as SERT or METRO, the department may order a member to submit to a psychiatric evaluation by a psychiatrist of the Employer's choosing, to determine fitness for duty. Psychiatric evaluation reports shall be treated as confidential/privileged documents. Employer ordered psychiatric evaluations shall be furnished to the member at no cost.
3. Nothing in this Article limits the Employer's existing right to relieve a member from duty, with pay, or to require the member to undergo examination to determine fitness for duty, in those instances where there is a reasonable basis to believe that the member's continued presence on the job constitutes a danger to the member, other employees, or the public.
4. The parties agree to jointly establish a Labor-Management Committee for the purpose of determining fitness standards.
5. The State and Association shall create a Safety and Equipment Committee for the Department of Public Safety and a Safety and Equipment Committee for the Department of Transportation and Public Facilities. Each committee shall not exceed three members appointed by management and three members appointed by the Association. The committee(s) shall be charged with the duty and responsibility of formulating safety procedures, recommending equipment acquisitions, and recommending minimum staffing levels.

ARTICLE 24 - LEGAL INDEMNIFICATION

The Employer shall provide for indemnification of members against losses arising out of any judgments or claims for acts committed by them in the course of or discharge of their duties and in the scope of their employment, provided that such losses do not result from the willful commission of wrongful acts or gross negligence of such members.

A member charged in any civil action in the performance of his/her duties as required by the Employer shall not lose his/her position, pay or benefits; costs stemming from a civil suit against any member in the performance of his/her duties as provided in this Article shall be borne by the Employer, including any judgment rendered against the member. If it is determined by a court of competent jurisdiction that the member was not acting in the course or scope of his/her employment, the Employer is not liable for any judgment and may recover any costs incurred from the member.

The member shall have the right to counsel; however, the Employer shall have the right to determine which attorney shall represent the member. If the member objects to the attorney provided by the Employer, the following process for selection of a defense attorney shall prevail: The Commissioner of the Department of Public Safety or the Commissioner of the Department of Transportation and Public Facilities, as appropriate, and the Attorney General shall meet with the member and/or a representative of the Association in an effort to select an attorney who shall represent the member. The Attorney General shall make the final decisions; except, if in consultation with the member or his/her representative, the Attorney General determines that, due to an actual or potential conflict of interest, he/she or his/her representative cannot adequately defend both the State and the member, he/she shall select an attorney from outside the Attorney General's office to represent the member; such selection shall be subject to the approval of the member or his/her representative.

If a member is charged criminally for acts committed by him or her in the course of or discharge of his/her duties and in the scope of his/her employment, the member shall be entitled to reimbursement of reasonable costs and attorney's fees if the member is acquitted or the charges dropped, providing that such charges do not result from the willful commission of wrongful acts or gross negligence of the member. Disputes involving entitlements of a member to reimbursement or the amount of costs and fees to be borne by the Employer shall be submitted to the grievance arbitration procedure.

The member, within ten (10) days of receipt of actual notice of a claim subject to the provisions of this Article, shall forward the claim to the Employer at the

following address:

Department of Administration
Division of Risk Management
PO Box 110218
Juneau, AK 99811-0218

The postmark of the forwarded claim or the date that the claim is delivered, whichever is sooner, shall be deemed the date of forwarding the claim. Failure by the member to satisfy his/her obligation under this Article releases the Employer of its obligation under this Article.

ARTICLE 25 - NO STRIKE--NO LOCKOUT

The Association agrees that during the life of this Agreement, the Association, its agents or its members, shall not authorize, instigate, aid, engage in or condone any work stoppage or concerted slowdown, mass illness, refusal to work, picketing or strike against the Employer.

The Employer agrees that during the life of this Agreement, there shall be no lockout.

The Association further agrees that its members shall, in each and every instance, cross the picket line of any other employee organization in order to perform duties as assigned.

ARTICLE 26 - VERBAL OR WRITTEN AGREEMENT

No member covered by this Agreement shall be asked or required to make any written or verbal agreement that may in any way conflict with this Agreement.

No member covered by this Agreement shall ask or require the Employer to make any written or verbal agreement that may in any way conflict with this Agreement.

ARTICLE 27 - AVAILABILITY OF PARTIES TO EACH OTHER

The parties agree that representatives of the Association and the Employer shall meet at reasonable times for discussions of this Agreement, its interpretations, continuation or modification. Both parties agree that an obligation to meet expeditiously and in good faith exists.

This provision is established for the purpose of facilitating two-way communications.

ARTICLE 28 - SUPERSEDING EFFECT OF THIS AGREEMENT

If there is any conflict between the terms of this Agreement, the Personnel Rules, DOT/PF Policies and Procedures manual, SOPs, OPM, or other DPS or DOT/PF directives, the terms of this Agreement shall be controlling. The Association shall be copied with any of the aforementioned management writings at the time of implementation.

ARTICLE 29 - CONDITIONS NOT SPECIFICALLY COVERED

In the event of any enactment by the Legislature that creates conditions not specifically covered by this Agreement, upon written request the parties agree to confer immediately for the purpose of negotiating a mutually satisfactory supplement covering such action. Such supplement shall become a part of this Agreement.

ARTICLE 30 - SUPPLEMENTAL AGREEMENT

This Agreement may be amended by supplemental agreements, provided that both parties concur. Subjects relating to maintenance of contract provisions may be negotiated under this clause provided both parties agree.

Supplemental agreements may be completed through negotiations between the parties at any time during the life of this Agreement. Should either party desire to negotiate a matter of this kind, it shall notify the other party in writing of its desire to negotiate and of the specific subjects it wishes to negotiate. Supplemental agreements thus completed shall be signed by authorized Employer and Association representatives. Unless otherwise agreed to in writing by both parties, supplemental agreements shall remain in effect for the duration of the Agreement, and shall continue in effect beyond the formal expiration date of the Agreement for any period in which the terms of the Agreement continue to apply.

ARTICLE 31 - SAVINGS CLAUSE

Section 1 - Violations

If an article or part of an article of this Agreement should be decided by a court of competent jurisdiction or the State Labor Relations Agency or by mutual agreement of the Employer and the Association, to be in violation of any Federal, State or local law, or if adherence to or enforcement of an article or part of an article should be restrained by a court of law, the remaining articles of this Agreement shall not be affected.

Section 2 - Replacement

If a determination or decision is made pursuant to Section 1 of this Article that part of this Agreement is in violation of Federal, State or local law, the parties to this Agreement shall convene within fifteen (15) working days for the purpose of negotiating a satisfactory replacement.

Section 3 - Federal Regulations

Should this Agreement or any section or article be found in violation of Federal regulations where compliance is required for receipt of Federal funds, the Employer and the Association agree to convene within ten (10) working days and renegotiate the section or article to comply with such regulations.

ARTICLE 32 - CONTRACTING OUT

Section 1 - Feasibility Studies

- a. The Employer has the right at all times to analyze its operation for the purpose of identifying cost-saving opportunities.
- b. Decisions to contract out work that would result in the layoff of bargaining unit members shall be made only after the affected agency has conducted a feasibility study determining the potential costs and benefits that would result from contracting out the work in question. The Employer agrees to notify the Association within two (2) weeks of its decision to initiate a study, or, in the alternative, that it intends to review operational analyses for purposes of contracting out work. Such operating analyses shall constitute a feasibility study under this Article. As necessary, the Employer may request quotations or proposals from potential contractors as a part of a feasibility study. Notice to the Association shall include the job classification and work areas affected.
- c. Notification by the Employer to the Association of the results of the feasibility study shall include all pertinent statistical and analytical information that the Employer shall consider in making its decision regarding contracting out the work, including but not limited to the total cost savings the Employer anticipates.
- d.
 - 1) The Employer shall notify the Association of its final decision regarding contracting out.
 - 2) If the Employer decides to contract out and such contracting out shall directly result in the layoff of bargaining unit members, the Employer shall provide the Association with no less than thirty (30) days notice that it intends to contract out the work.
 - 3) The Association may then submit an alternate plan that is to include potential costs and benefits. The alternate plan shall be given fair consideration by the Employer, provided the plan is submitted not more than fifteen (15) days after the Association has received the notice of intent to contract out. During the thirty (30) day notice period, the Association shall have the opportunity to discuss the placement of affected

members.

- e. No bargaining unit members shall be laid off and their work contracted out unless the feasibility study shows that contracting out would cost the Employer less.

Section 2 - Effect on Members

- a. Once the Employer makes a decision to contract out work that shall directly result in the layoff of bargaining unit members, it shall make a good faith effort to place members elsewhere in State government in the following order of priority: 1) within the division/airport, 2) within the department, 3) with State service generally.
- b. In the event members must be laid off as a result of contracting out, such layoff shall be made in accordance with the layoff provisions of this Agreement.

ARTICLE 33 - LICENSES

Bargaining unit members shall be responsible for obtaining and retaining all mandatory licenses and certifications necessary to perform the duties of their positions. If a new licensing or certification provision is imposed by statute or regulation on current members, the State shall pay for the initial license/certification fee, provided the member obtains the license or certification prior to the deadline established by statute or regulation.

When specific licenses/certifications are required by the Employer, the Employer shall pay for the training and attaining the certification/license.

ARTICLE 34 - COMPLETE AGREEMENT

The Agreement expressed herein in writing constitutes the entire Agreement between the parties and no oral statement shall add to or supersede any of its provisions.

The parties acknowledge that during the negotiations that preceded this Agreement, each had the unlimited right and opportunity to make proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement; each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

The parties further agree that notwithstanding the above section, maintenance of contract matters, should they develop, may be negotiated under the Supplemental Agreement Provision.

ARTICLE 35 - SUBORDINATION ARTICLE

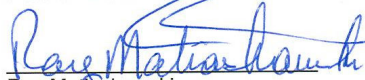

The State and the Association mutually agree that this Agreement shall in all aspects comply with and be subordinate to Federal laws and Alaska Statutes in effect at the time of the signing of this Agreement or hereafter enacted.

ARTICLE 36 - DURATION OF THE AGREEMENT

This Agreement, including all Letters of Agreement executed under the parties' prior agreement, takes effect on July 1, 2005, and remains in full force and effect through June 30, 2008. This Agreement remains in effect from year to year thereafter, provided, however, that either party may give the other party written notice of its desire to terminate the Agreement or effect changes therein. Such written notice shall be served upon the other party between September 1 through September 30, 2006. If either party serves such notice the parties shall meet to negotiate such termination, modifications, or amendments by the first week in October of 2006, unless otherwise mutually agreed. Nothing herein precludes the termination, modification, or amendment of this Agreement at any time by written mutual consent of the parties.

The parties further agree that should the State enter into an agreement with another labor organization that provides for an increase in another employee's wages in excess of that provided for in this Agreement, upon request of this Association, this Agreement shall be promptly reopened for the sole purpose of negotiating economic issues.

All other provisions of the master agreement not specifically mentioned below shall remain in full force and effect.

A. General Conditions

1. Shift scheduling shall be in accordance with the current contract with the following exceptions:
 - a. Members, by seniority select between two day shifts, and two evening shifts. The start/stop and regular days off will be as follows:

0400 – 1600 hours with Fri/Sat/Sun as regular days off
1600 – 0400 hours with Fri/Sat/Sun as regular days off
0400 – 1600 hours with Mon/Tue/Wed as regular days off
1600 – 0400 hours with Mon/Tue/Wed as regular days off

Note: Each shift will have every other Thursday as a regular day off. One work day within each two-week period will be an eight-hour day.
 - b. Bidding for annual leave will be conducted once a year.
2. The FAA Liaison, investigation and training positions will be exempt from the 12 hour shifts and will be maintained at a 5 day, 8 hours a day workweek.

B. 80 Hour Work Period, 12 Hour Work Day Schedule

1. The normal work period shall consist of 14 consecutive days. The member shall be guaranteed 6 work days of 12 hours and 1 work day off of 8 hours within the work period, unless the member is on personal leave, suspension, layoff, or leave without pay.

The 8 hour day that occurs once every two weeks shall be decided

by the officers based on seniority.

2. Work performed by members in excess of 80 hours in work status during a work period shall be paid at the rate of 1.5 times the member's regular hourly rate of pay. Work performed in excess of 12 hours in work status during a work day shall be paid at the rate of 1.5 times the member's regular rate of pay.
3. Members working a 12 hour shift shall receive two half-hour meal periods as well as two fifteen minute rest breaks.
4. With the exception of floating holidays, a member who works a designated holiday shall be paid at the rate of 1.5 the member's regular hourly rate of pay for the first 8 hours worked, as well as straight time pay for the entire time worked that day. For example, if a holiday falls on a member's regular work day, the time sheet would report 8 hours of holiday premium pay, 8 hours of holiday straight time pay, and 4 hours of regular straight time pay.

With the exception of floating holidays, a designated holiday shall be observed on the calendar day that it falls. If a holiday falls on a member's first or second regular day off, the last work day before the holiday shall be the member's designated holiday. If a holiday falls on a member's third or fourth regular day off, the next work day after the holiday shall be the member's designated holiday.

5. For the purposes of personal leave accrual, personal sick leave bank, leave cash in, mandatory leave usage, and association leave bank assessments, a "day of leave" equals 8 hours. For the purposes of personal leave usage, it shall require 12 hours of leave to equal 12 hours in pay status.
6. Members shall receive midnight shift differential for all hours worked between 0000-0800. Members shall receive swing shift differential for all hours worked between 1600-2400.
7. This agreement shall be in effect starting the first pay period after signing of this agreement and shall expire with the current bargaining agreement.
8. Either party may give written notice of their desire to terminate this agreement with a minimum of thirty (30) days written notice.

This agreement is entered into solely to address the specific circumstance of this particular situation. It does not establish any practice or precedent between the parties. This agreement shall not be referred to in any other dispute, grievance, arbitration, hearing, negotiation, or any other forum, except as may be necessary for the execution of its terms.
