

# LABORATORY EQUIPMENT AND SUPPLIES

NON-MANDATORY FOR STATE AGENCIES

AVAILABLE TO POLITICAL SUBDIVISIONS

The National Association of Procurement Officials (NASPO) leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivision. Alaska is an active member of NASPO. In order to use a NASPO contract, the state must sign a Participating Addendum (PA).

Both contracts include a full line catalog of laboratory equipment and supplies. There is a \$75,000 (per item) ceiling within each order. Separate items that cost more than \$75,000 after the NASPO discount has been applied.
