<sup>†</sup> Virtually unlimited refers to the Executive Branch minute and text pool, which is currently in excess of 7 million minutes and 5 million text messages. Each service adds 250 minutes and 100 text messages to the pool. Unused minutes and messages roll over to the next month and never expire. Should the entire Executive Branch usage exceed the pool of over 7 million minutes, a per minute overage rate of \$0.25 per minute applies. Should the entire Executive Branch usage exceed the pool of over 5 million messages, a per message overage rate of \$0.10 per message applies.

GCI's iPhone pricing applies to new lines of service, including 11 month equipment refresh, and for upgrades from the basic voice plan to the iPhone plan. Replacement devices purchased within the 11 month refresh window will be billed at the retail rate.

Every iPhone comes with one year of hardware repair coverage through its limited warranty and up to 90 days of complimentary support. AppleCare+ for iPhone extends your coverage to two years from the original purchase date of your iPhone and adds up to two incidents of accidental damage coverage, each subject to a \$79 service fee. Whether you use your iPhone with a Mac or a PC, just one phone call can help resolve most issues.
