

Accessible Parking Video with Nellie Moore

“Access Helps Us Do What we Can”

Transcript for People who are Blind or Visually Impaired

(Scene: Inside of a green house. Nellie is walking with a cane toward the camera.)

Hi, I'm Nellie Moore. They used to call accessible parking spaces handicapped, but they aren't: for me, they work just fine – I can visit people and buy things. Thanks to these spaces I can go places without getting hurt. So please don't park there unless you need to and know that some people really do.

We're working to make Alaska modern and accessible.
