ALASKANS FOR BETTER ELECTIONS' RESPONSE TO ARTHUR MATHIAS' PRE-HEARING BRIEF

Complainant Alaskans for Better Elections, Inc. ("ABE"), by and through counsel, provides this response to Respondents' pre-hearing brief filed on January 6, 2025. ABE provides these three limited points for the Commission to consider in advance of the hearing scheduled for January 16, 2025, which is without prejudice because Respondents may still respond in advance of the hearing.²

See Pre-Hearing Brief of Arthur Matthias (Jan. 6, 2025).

See generally Notice and Procedural Order at ¶ 7 (Dec. 20, 2024).

- The Commission previously ordered Respondent Alaskans for Honest Elections ("AHE") to not dissolve until all matters before the Commission "have been resolved."
- One of AHE's officers previously testified before the Commission that AHE
 would not dissolve to avoid the imposition of civil penalties before APOC.⁴
- Under certain circumstances, an entities' "corporate veil" can be pierced to cover any outstanding financial obligations.⁵

ORDER DENYING EXPEDITED CONSIDERATION

Complainant Alaskans for Better Elections filed a complaint and a Request to Expedite Consideration in this matter on December 4, 2023. The Complaint alleges that the Respondents have failed to comply with registration and disclosure requirements to APOC in connection with Alaskans for Honest Elections' signature gathering effort for ballot initiative 22AKHE. The Request to Expedite was heard at a special meeting of the Alaska Public Offices Commission on December 6, 2023 at 1:00 p.m. Complainant and Respondents participated in the hearing through their respective counsel. Art Mathias and Phillip Izon testified under oath on limited subjects raised by counsel and the Commissioners.

The Commission will expedite consideration of a complaint where "there is reasonable cause to believe that a violation has occurred or will occur," and where "the alleged violation, if not immediately restrained, could materially affect the outcome of an election or other impending event" or "whether the alleged violation could cause

irreparable harm that penalties could not adequately remedy."1

The Commission concludes that the violations alleged in this case do not warrant expedited consideration. Rather, the matter would benefit from a full investigation and report from Staff. The Commission's next regular meeting, currently scheduled for January, will be rescheduled for February and this matter heard at that time.

Order Alaskans for Honest Elections stated under oath at the hearing that the organization will continue in existence until this matter and other related matters have been resolved. The Commission orders Alaskans for Honest Elections to honor that agreement.

Page 6 Page 8 dissolution of an organization such as this. Is there 1 the earlier bunch was paid. So (indiscernible) for 2 2 anything that would -- an -- an ongoing complaint payments. 3 3 filed by an agency or another complainant that would COMMISSIONER DAN LASOTA: Okay. Thank you. 4 put a stop to the dissolution process? 4 That does complete my questions. 5 KEVIN CLARKSON: I don't believe so. I 5 JOHN PTACIN: Mr. Kendall, do you have any 6 6 mean, a business organization, which is essentially limited questions for Mr. Izon? 7 7 what this is, could be developed at the choice of the SCOTT KENDALL: Yeah. Just a couple. 8 JOHN PTACIN: Go ahead. people who own it. Businesses sometimes dissolve SCOTT KENDALL: Thank you, Mr. Ptacin. 9 fully solvent, and sometimes they deserve -- they 10 dissolve when they're not. 10 JOHN PTACIN: You testified -- you have to answer questions within the scope of what you 11 And so to answer your question generically, 11 12 I don't think so. But I can tell you, from the 12 testified to. 13 13 intention of my client, they did not -- their SCOTT KENDALL: Okay. So I'm going to, sort 14 intention is not to try to skirt responsibilities. 14 of, repeat some of your testimony, and you feel free 15 COMMISSIONER DAN LASOTA: Okay. And I -- I 15 to correct me if I'm phrasing something incorrect, as it is your testimony. 16 think this is my final question, Mr. Clarkson. 17 You were saying to the Press, and you said, 17 Exhibit O contains the independent 18 I believe just now, that you intend to shut AKHG down? 18 expenditure from AHE to TFS for 15,000, and then there PHILLIP IZON: Our activities. 19 was another -- I think Commissioner Stillie brought up 19 20 another report. It was, like, three -- 3,600 or 3,000 20 SCOTT KENDALL: And part of that --21 21 or so. So combined there was, on record, reportable PHILLIP IZON: Organization dissolution is 22 amounts of \$18,000 paid from AHE to TFS. 22 not a part of that. I said if we were shut down. 23 Am I correct in all of these 23 we're not doing any more activities. 24 24 (indiscernible)? SCOTT KENDALL: Okay. 25 25 PHILLIP IZON: And the new organization will KEVIN CLARKSON: Yeah. I think if you add Page 7 Page 9 1 them up, it's \$18,196. But I -- I don't actually have be the new activities. SCOTT KENDALL: And --2 the report that Commissioner Stillie mentioned in 2 3 front of me, but I'm taking him at his word. 3 PHILLIP IZON: That -- that is something I 4 COMMISSIONER DAN LASOTA: Well, he's -- he's 4 did say. 5 a man of his word. That's my word. 5 SCOTT KENDALL: And part of that -- and, 6 KEVIN CLARKSON: Of course. again, correct me if I'm wrong -- is that you -- you 7 COMMISSIONER DAN LASTOA: So the -- the didn't want to, kind of, quote other entities or other 8 recording period that was filed on 11-13, is that -individuals to rehash what AKHG has done over and over 9 again? that encompasses all of TFS's contracted work for AHE? In other words, they -- when did -- when did 10 PHILLIP IZON: Actually, wrong. I said that Ms. Emswiler's -- Emswiler's -- sorry. I butchered 11 11 the APOC department gave us the wrong information from 12 that name. the get go, as you have also testified about, and that 13 When did Emswiler -- Emswiler -- okay --13 you said that I should not be accountable for those activities. You said that. And that those are the 14 when did she -- when did she begin work for the AHE? 15 In other words, when -- when was her firm hired on to 15 activities I'm speaking of. 16 assist with the election management? 16 So rehashing things that APOC had done 17 KEVIN CLARKSON: I believe, October 2nd, incorrectly by giving us the wrong information, which 18 according to the report that was mentioned by 18 caused us to not do reporting correctly, which then 19 Commissioner Stillie. And the 15,000 payment -- bill you created complaints about, that is the thing that 20 of payment was intended to be a payment for all of 20 I'm concerned about continuing. And so a new 21 their services. So, basically, out of that 15,000, it organization would limit that from you being able to 22 was her job to perform the service. She had the cost do that, wouldn't it? 23 23 of whatever her company's operation was, and there's SCOTT KENDALL: Well, I'm an attorney. 24 24 no further billing from her that I understand to --PHILLIP IZON: Anyway... 25 upon AHE. She paid 15,000 under the contract, plus 25 SCOTT KENDALL: I don't -- I -- I don't

Page 10 Page 12 testify, but I know -- I will represent --1 the activities I'm speaking of are the activities that 2 2 PHILLIP IZON: You did -- you did say that APOC had spoke incorrectly, gave us the wrong in a previous hearing. information. 3 4 So if all of the activities from November 4 SCOTT KENDALL: I will represent that, yes, 5 there was --5 through February, you can go back and rehash every one 6 PHILLIP IZON: You did say that. of those over and over again for the next year until 7 SCOTT KENDALL: There was incorrect election day. I don't want you to be able to do that, 8 information. so -- because they gave us the wrong information, as 9 you pointed out. PHILLIP IZON: So you did -- so you did say 10 it? 10 So I don't believe that we should be held 11 SCOTT KENDALL: Mr. Izon --11 accountable in a new organization with a new 12 PHILLIP IZON: I'm just asking you. 12 compliance person, and we don't make mistakes, seems 13 SCOTT KENDALL: I think, Mr. Ptacin, 13 like a corrected path, which this department, and, you 14 know, the public, should be very happy that we're 14 (indiscernible) --15 KEVIN CLARKSON: Hold on, Hold on, Hold 15 making those changes, because that's -- that's the 16 on. 16 appropriate thing to do. 17 SCOTT KENDALL: -- responsive to my 17 SCOTT KENDALL: So your -- your testimony is 18 questions. 18 that you would dissolve the organization so that JOHN PTACIN: Yeah. We need to make a clear 19 complaints about its prior activities cannot be 20 record as well, so one person speaks at a time. If 20 retained? 21 PHILLIP IZON: No. That's not what I said 21 there's an objection to a question, Mr. Clarkson's 22 at all. 22 here to raise any objections. 23 But let's -- both of you take a breath. 23 KEVIN CLARKSON: I'm -- I'm going to object. 24 Every time one person talks, breathe, and then you --24 I'm going to object that the --25 PHILLIP IZON: Yeah. 25 then you make your responsive statement. Page 11 Page 13 1 So, Scott, go ahead. KEVIN CLARKSON: -- question has been asked 1 2 SCOTT KENDALL: Yeah. Thank you, and answered now three times. 3 Mr. Ptacin. 3 PHILLIP IZON: I -- I'm not going to answer 4 So, Mr. Izon, you didn't want these issues any more questions with him. 5 5 rehashed again and again, and I will represent it's SCOTT KENDALL: Do you --6 part of my question, I have said that prior to the 6 PHILLIP IZON: No. 7 7 February date on which APOC gave you corrected SCOTT KENDALL: Mr. Izon. 8 guidance that for -- (indiscernible) part of that 8 PHILLIP IZON: I'm not answering any more 9 February date, February of this year -- you shouldn't 9 questions. You can't make me. So -- no. 10 have been held liable. We took that position in prior 10 KEVIN CLARKSON: Hold -- hold on. 11 litigation. 11 PHILLIP IZON: No. I'm not doing it. 12 Now, you seem to be saying -- and I don't 12 KEVIN CLARKSON: Hold on. Hold on. 13 want to restate it -- that you don't want additional 13 (Simultaneous speech.) PHILLIP IZON: I refuse. He's leading the 14 complaints filed about activities that AHE has already 14 15 taken? 15 questions. I'm not --16 PHILLIP IZON: Oh, interesting. I mean that 16 KEVIN CLARKSON: Hello? 17 the APOC directed activities, so the information that 17 JOHN PTACIN: Wait a minute. 18 had been changed from when they say, "We did not need 18 KEVIN CLARKSON: Hello? 19 to do any reporting" to now, you can literally -- you 19 JOHN PTACIN: It's -- it's essentially a 20 and your group can go back and file a complaint after 20 cross-examining question. He's entitled --21 complaint after complaint, as you have done, and cost 21 PHILLIP IZON: He's -- he's asking 22 us delays, cost us legal bills, cost us issues in our 22 questions --23 23 progress to petition our government legally. That's JOHN PTACIN: -- to ask you --24 24 what you've done. PHILLIP IZON: -- that are outside of the 25 And so I'm just saying, those activities or 25 scope. I -- I do not --
