SUBJECT: Staff Report
16-03-POFD, *Cheryl Frasca v. Ross Bieling*

SUMMARY

On May 31, 2016, Ms. Cheryl Frasca came to the offices of the Alaska Public Offices Commission (APOC) seeking to file a complaint against an undisclosed respondent. Her complaint form was blank and staff provided her information on how to file a complaint. During the week of July 11, 2016, Ms. Frasca came to the APOC office with an incomplete complaint concerning Mr. Ross Bieling's candidate Public Official Financial Disclosure (POFD) statement. Because the allegations and complaint were incomplete APOC staff advised her how to correctly file the complaint.

On July 13, 2016, Mr. Bieling received the complaint via certified mail and contacted APOC at approximately 3:00 PM that day. He came in the next morning to make amendments to his POFD filing.

On July 15, 2016, APOC staff received the properly completed and served complaint. The complaint alleges that Mr. Bieling failed to:

- 1) Report ownership of a residential property in Florida;
- 2) Report ownership of vacant land in Anchorage;
- 3) Report ownership of residential property in Anchorage;
- 4) Report a business incorporated in Florida;
- 5) Report complete information about his real property;
- 6) Report his and his family's Permanent Fund Dividend (PFD);
- 7) Report any taxable capital gains;
- 8) Report clients who may have paid his business over \$1,000;
- 9) Report other financial interests.¹

BACKGROUND

Mr. Bieling, a candidate for state house district 28, filed his candidate Public Official Financial Disclosure (POFD) on May 31, 2016. Candidates for state elective office are required

¹ Exhibit 1, Complaint with supporting material.

to file a POFD with their declaration of candidacy with the Division of Elections.² Each candidate POFD must report “all sources of income over \$1,000 received during the preceding calendar year, including taxable capital gains” by the person, the person’s spouse and/or dependent children living at home; the name and address of each business in which the filer, spouse, or dependent child is an owner, officer, director, or stockholder; and the identity of each interest in real property owned at any time during the preceding year; among other requirements.³

Mr. Bieling’s POFD was reviewed by staff on June 7, 2016. At that time the report had already been amended once by Mr. Bieling. The review noted that the filing appeared complete. In most instances, a filer’s financial condition is unknown to staff, and staff relies on filers presenting a complete report. It is not unusual for filers to have no or few beneficial interests, no taxable capital gains, or no real property.

Ms. Frasca appears to have more detailed knowledge of Mr. Bieling’s financial status than APOC staff. She notes that vacant land in Anchorage, property in Florida, and other matters were not reported on Mr. Bieling’s candidate POFD.

Mr. Bieling stated that he has had the property in Florida listed for sale for some time and that it was sold in May of 2016.

There also appears to have been some communication between the complainant and the respondent regarding the matters noted in the complaint before the complaint was received by APOC staff.

FACTS and ANALYSIS

Mr. Bieling is a 2016 candidate for state house and required to file a candidate Public Official Financial Disclosure statement under AS 39.50.020. While his report was filed on time, it was incomplete.

Respondent filed his first candidate POFD on May 31, 2016; he made an amendment that same day. On his first, unamended POFD dated May 31, 2016, Mr. Bieling listed a salary from Select Medical Products, interest in a business named Medical Bidline, Inc., and 50% interest in real property located in Anchorage. He disclosed no loans or debts, leases, close economic associations, or partner as a lobbyist.⁴ On the amendment submitted on May 31, 2016, he amended the time period of his employment with Select Medical Products, Inc., to include the entire 2015 calendar year to reflect his employment during the reporting period for the POFD⁵

Mr. Bieling noted that his first indication of a problem with his financial disclosure statement was when he received the complaint on July 13, 2016. He contacted APOC staff the same afternoon. He came to the APOC office the next morning to make amendments to his POFD.

² AS 39.50.020(a).

³ AS 39.50.030(b).

⁴ See Exhibit 2, May 31, 2016 POFD unamended.

⁵ See Exhibit 3, May 31, 2016 POFD amended.

Amending his report on July 14, 2016, Mr. Bieling disclosed two additional properties; one in Florida and another in Anchorage, Alaska and the PFDs received by his spouse and children.⁶ Because APOC staff had not yet received the complaint, staff was unable to provide him any further guidance.

On July 15, 2016, APOC staff received the complaint properly completed and serviced.

On July 18, 2016, an e-mail request for information was sent to the respondent.⁷

On July 26, 2016, a second request for information containing the same questions as the July 18 request was sent to Mr. Bieling.⁸ Respondent contacted APOC staff that day to discuss the information requested.

On August 2, 2016, Mr. Bieling came to APOC's Anchorage office and hand delivered his written responses to the July 26, 2016, request for information. At that time he noted that he had amended his POFD to include clients who had paid the company in which he has a controlling interest more than \$1,000 in 2015. His attempted amendment was unsuccessful.

August 2, 2016, was the deadline for respondent to provide a response to the complaint. Mr. Bieling did not submit a response to the complaint.

On August 3, 2016, Mr. Bieling came to the APOC office to amend his report, specifically to upload a list of his clients.⁹ This was accomplished with considerable assistance from staff. Unfortunately he also somehow deleted two of the properties on an earlier amendment. This amendment contained many "clients" who had not done business with Select Medical Products in 2015, and therefore should not have been included in the amendment. Staff left a voice mail for him and e-mailed him to notify him of these deficiencies and to correct his report.¹⁰ He returned the same day to correct and complete his filing.¹¹

Allegation 1 – Failure to report ownership of a residential property in Florida.

In neither of his filings dated May 31, 2016, did respondent report ownership of property in Florida. While correcting his filing in the APOC office on the morning of July 14, 2016, he did note that he had sold one property in May of 2016 year and did not think that it needed to be reported since he no longer owned it. The property that was sold was the residence in Florida.¹² The property in Florida which was sold in May 2016 was required to be reported since Mr. Bieling did own it in 2015.¹³

⁶ See Exhibit 4, Amended POFD dated July 14, 2016.

⁷ See Exhibit 5, E-mailed request for information dated July 18, 2016.

⁸ See Exhibit 6, Second request for information dated July 26, 2016.

⁹ Exhibit 7, August 3, 2016 first amended report.

¹⁰ Exhibit 8, August 3, 2016 E-mail to Mr. Bieling regarding the deficiencies in his filing.

¹¹ Exhibit 9, August 3, 2016 completed candidate POFD filing for Mr. Bieling

¹² Confirmed in the August 3, 2016 telephone interview with Mr. Bieling.

¹³ AS 39.50.030(b)(3).

Allegation 2 – Failure to report ownership of vacant land in Anchorage;

In neither of his filings dated May 31, 2016, did respondent report ownership of vacant land in Anchorage, Alaska. In his July 14, 2016, amendment he did list such a property. This property was required to be reported by AS 39.50.030(b).

Allegation 3 – Report ownership of residential property in Anchorage;

This property was reported on the May 31, 2016, candidate POFD. Respondent reported a 50% ownership interest in real property in zip code 99507. Reporting in this manner is enabled by 2 AAC 50.720.

Allegation 4 – Report a business incorporated in Florida;

According to Mr. Bieling, he and his brother jointly own Select Medical Products, Inc., but records show that he is the sole owner of stock in the company.¹⁴ The company is registered in Alaska according to documents filed with the Department of Commerce, Community, and Economic Development. The same documents also show that the business has a home state of Florida. According to Mr. Bieling he receives a W-2 from the company for conducting payroll work and dealing with accounts payable. He says he has no other contact with the company and that his brother conducts the day-to-day business of the company.¹⁵ Because Respondent accurately reported his salary from this business and because the information regarding his business ownership and its home state is available through another public forum, he has substantially complied with this reporting requirement.

Allegation 5 – Report complete information about his real property;

This allegation is a combination of allegations 1, 2, and 3 and is redundant.

Allegation 6 – Report his and his family’s Permanent Fund Dividend (PFD);

In response to the July 26 request for information, Mr. Bieling called the APOC office to discuss that request. During that conversation he noted that he neither filed for nor received a 2015 PFD, although his spouse and children did receive a 2015 PFD. On July 14, 2016, he amended his report to reflect the PFDs received by his spouse and children.

Allegation 7 – Report any taxable capital gains;

In a telephone interview on July 26, 2016, Mr. Bieling stated that neither he nor his spouse received taxable capital gains valued at over \$1,000 in 2015.¹⁶ Respondent confirmed this in his written response to the July 26, 2016, request for information.¹⁷

Allegation 8 – Report clients who may have paid his business over \$1,000;

¹⁴ See Exhibit 10, Business Corporation Biennial Report for Select Medical Products.

¹⁵ Interview with Mr. Bieling held July 26, 2016 from approximately 11:37 AM to 12:07 PM.

¹⁶ Interview with Mr. Bieling held July 26, 2016 from approximately 11:37 AM to 12:07 PM.

¹⁷ Exhibit 11, Written response to request for information dated August 2, 2016, and amendment.

The reporting of clients who provided a company income of over \$1,000 is required for self-employment income (2 AAC 50.700). According to Mr. Bieling he receives a W-2 from the company for conducting payroll work and dealing with accounts payable. He says he has no other contact with the company and that his brother conducts the day-to-day business of the company.¹⁸ However, respondent does have a controlling interest in the company and is required to report any clients who provide income of over \$1,000 to the company. Reporting any clients who provided income of over \$1,000 is required. He did not report clients until August 3, 2016, although the potential penalties stopped accruing with the filing of the complaint on July 15, 2016.

Allegation 9 – Report other financial interests

In a telephone interview on July 26, 2016, respondent noted that neither he nor his spouse had financial interests valued at over \$1,000 in 2015 other than a controlling interest in Select Medical Products, Inc., and Medical Bidline, Inc.¹⁹ Respondent confirmed this in his written response to the July 26, 2016, request for information.²⁰ There is no income listed for Medical Bidline, Inc., because, although registered in the State of Alaska, this is an inactive company.²¹

LAW & ANALYSIS

Financial disclosure by candidates for the state legislature is required by AS 39.50.020(a). The information to be reported is listed under AS 39.50.030. As per AS 39.50.030 all sources of income over \$1,000 earned during the previous calendar year must be reported to include the source of the income, the recipient of the income, the amount of the income, how the income was earned, a description of the work performed, and, unless required by law to be kept confidential, the identity of the source of income. Disclosure of real property interests, trusts, and natural resource leases is also required.²²

Candidate disclosures are due when filing for office with the Division of Elections.²³ The deadline for filing for the 2016 primary election was June 1, 2016.²⁴ His report was filed before the deadline.

Reporting interests in real property is required under AS 39.50.030. Regulation 2 AAC 50.720 enables filers to have their primary residence and one recreational property identified by zip code only. All other properties must have a full legal description or address. The ability to have one's primary residence and one recreational property identified by zip code only was an effort by the Commission to provide some level of privacy to public officials. Mr. Bieling reported his primary residence in Anchorage within the acceptable guidelines of 2 AAC 50.720.

¹⁸ Interview with Mr. Bieling held July 26, 2016 from approximately 11:37 AM to 12:07 PM.

¹⁹ Interview with Mr. Bieling held July 26, 2016 from approximately 11:37 AM to 12:07 PM.

²⁰ Exhibit 11, Written response to request for information dated August 2, 2016, and amendment.

²¹ This was verified in a telephone interview with Mr. Bieling held on August 3, 2016 at 8:38 AM; see also Exhibit 12, Articles of Incorporation for Medical Bidline, Inc.

²² AS 39.50.030(b).

²³ AS 39.50.020, AS 15.25.030

²⁴ AS 15.25.040

Guidance for reporting business interests directs that business interests valued at over \$1,000 must be reported if the filer, spouse, or dependent child is was a stockholder, officer, director, partner, proprietor, or employee of the business and the nature of that interest.²⁵ Mr. Bieling is listed as the president and sole stock holder of Select Medical Products, a Business Corporation registered in Alaska. Mr. Bieling reported receiving a salary from Select Medical Products on his candidate POFD. The Alaska biennial report shows that the business has Florida listed as its home state.²⁶

The Commission adopted Substantial Compliance criteria in 2010. These criteria include specifically that a “filer who does not include the annual Permanent Fund Dividend as income on their financial disclosure filing is considered to be in substantial compliance with APOC reporting requirements”; and generally that if the “missing or incomplete information is readily available to the public through another forum” or “the dollar amount of the information missing from a form or disclosure is *de minimus*” the filing is substantially compliant.²⁷ Because the amount of each year’s PFD is broadcast on the news it is considered readily available through another forum. Similarly, his ownership of Select Medical Products was readily available via online CCED documents.

CONCLUSIONS

Mr. Bieling’s 2016 candidate POFD was incomplete in that it did not contain information regarding two pieces of property and the clients from a company he owns. Of the nine allegations contained in the complaint, only these three result in violations. The other six allegations are either unfounded or the information was reported in a manner that is substantially complaint.

- 1) **Failure to report ownership of a residential property in Florida**—This was not corrected until the revision of July 13, 2016. This allegation is true and the report was incomplete for 43 days from May 31 to July 13, 2016.
- 2) **Failure to report vacant land held in Anchorage**—This was not corrected until the revision of July 13, 2016. This allegation is true and the report was incomplete for 43 days from May 31 to July 13, 2016
- 3) **Report ownership of residential property in Anchorage**--Although not specifically noted as a primary residence on the first report, when received by staff it appeared that this listing was a residence either primary or recreational. This entry met the requirements of 2 AAC 50.720. This allegation is not a violation.
- 4) **Report a business incorporated in Florida**--This business was reported appropriately in Alaska and showed a home state of Florida. The information reported was substantially complaint. Had there been no reporting of receiving a salary from Select Medical Products on respondent’s candidate POFD this conclusion could be different. This allegation is not a violation.

²⁶ Exhibit 10, Business Corporation Biennial Report for Select Medical Products.

²⁷ Exhibit 13, Alaska Public Offices Commission order on Substantial Compliance dated February 24, 2010 and June 10, 2010.

- 5) **Report complete information about his real property**--This allegation is a combination of allegations 1, 2, and 3 and has already been addressed. This is a redundant allegation.
- 6) **Report his and his family's PFD**--Mr. Bieling's initially filed information regarding this allegation is considered substantially complaint. This allegation is not a violation. His filing was later amended to reflect the PFDs received by his spouse and children.
- 7) **Report any taxable capital gains**--There were no taxable capital gains to report. This allegation is unfounded.
- 8) **Report clients who may have paid his business over \$1,000**--This was not reported correctly until his second August 3, 2016 amendment. There was some confusion on this point as he receives a W-2 from the company for work performed although he clearly has a controlling interest in the company and should have reported clients of the company even if he is not "self-employed" by the endeavor. Not reporting this information is a violation. His report was noncompliant for 45 days from May 31, 2016 until July 15, 2016 when the complaint was received.
- 9) **Report other financial interests.**—There were no other financial interests to report. This allegation is unfounded.

His report was noncompliant for 45 days; from May 31, 2016, to July 15, 2016, the date the complaint was filed for his self-employment income.

RECOMMENDATION

Although timely, the report filed by Mr. Bieling was incomplete by not listing property in Florida and Alaska, and by not listing clients under self-employment income. Allegations 1, 2, and 8 result in violations. The remaining six allegations are recommended for dismissal as the items alleged were either substantially complaint or there was no information to report.

Mr. Bieling is an inexperienced and first time filer who came to APOC's office to amend his report before the complaint reached APOC. Mr. Bieling cooperated with APOC staff during this investigation and while no evidence of intentional non-reporting was apparent during the investigation, it did appear that Mr. Bieling was somewhat inattentive to the requests made of him. He did not fully respond to the request for information, needed to amend that response because of inaccuracies, and required multiple amendments to his report on multiple occasions in spite of considerable personal attention and assistance from multiple staff members.

The three allegations that are substantiated mean that the filing was noncompliant for 45 total days for a maximum penalty of \$450.00 based on a maximum penalty of \$10 per day of violation. Under present mitigation criteria, Mr. Bieling is considered an inexperienced filer, which supports a reduction of the penalty by 50%.²⁸ Because this is a candidate financial disclosure matter it is difficult for staff to judge the level of harm to the public considering two of the allegations concerned unreported vacant properties and the third was for business conducted outside of the State of Alaska. Mr. Bieling's thought process concerning his status as self-employed is understandable, but based on the information provided on the electronic form

²⁸ Mitigation Criteria are contained in 2 AAC 50.865.

he could have referred to the statutes and regulations noted on the electronic form or called APOC staff for clarification. These three matters of nonreporting are violations of AS 39.50.

Past cases that have some similarity to this case include the following complaints:

04-02-CD—multiple instances of not reporting interests over three years—penalty \$500 because of the number of incomplete reports over multiple years.

05-06-LFD—failure to identify services to clients and to name clients—dismissed.

05-08-LFD—failure to report chairmanship of board and to disclose unexercised option for stock purchase over multiple years—total penalty imposed \$300.

08-03-POFD—missing POFD information—50% reduction to \$25 for prompt amendment.

08-11-POFD—7 allegations failure to identify sources of income and business interests 142 days noncompliant. Penalty assessed at the maximum of \$1,420 because of the number of issues not reported.

12-09-CD/POFD—failure to disclose income and debts, 30 days noncompliant. This complaint was assessed at the maximum of \$300.00 because the report was considered “woefully inadequate” by the Commission.

The maximum penalty for the violations of this complaint is \$450.00 or \$10 per day from the date of filing until the date the complaint was filed with APOC. Based on all this information, and past commission decisions in similar cases and the context of those cases, staff recommends a penalty of \$225.00. The recommendation is based on prompt attention by the filer to amend his report, the filer’s status as an inexperienced filer, and no evidence to suggest intentional nonreporting.

Staff spent approximately 25 hours investigating the complaint, writing the staff report, and assisting Mr. Bieling. At \$42.50 per hour the cost is approximately \$1,062.50. Staff does not recommend charging either party for costs in this matter.

(c) *[Repealed, Sec. 26 ch 25 SLA 1975]*.

(d) In addition to the requirements of (b) of this section, each statement filed under this chapter by a public official in the executive branch of state government other than the chair or a member of a state commission or board must include a disclosure of the formation or maintenance of a close economic association involving a substantial financial matter as required by this subsection. The disclosure must be sufficiently detailed so that a reader can ascertain the nature of the association. A public official shall disclose a close economic association with

(1) a legislator;

(2) a public official who is not an elected or appointed municipal officer;

(3) a lobbyist; or

(4) a public officer if the person required to make the disclosure is the governor or the lieutenant governor.

(e) If a public official required to disclose a close economic association under (d) of this section forms a close economic association after the date on which the public official files the financial disclosure statement required by (a) of this section, disclosure of the association must be made to the commission within 60 days after the formation of the association.

(f) When making a disclosure under (d) of this section concerning a relationship with a lobbyist to whom the public official is married or who is the public official's domestic partner, the public official shall also disclose the name and address of each employer of the lobbyist and the total monetary value received from the lobbyist's employer. The public official shall report changes in the employers of the spouse or domestic partner within 48 hours after the change. In this subsection, "employer of the lobbyist" means the person from whom the lobbyist received money, or goods or services having a monetary value, for engaging in lobbying on behalf of the person.

(g) The requirements in this section for disclosures related to a person's domestic partner do not apply to an elected or appointed municipal officer.

(h) In this section,

(1) "close economic association" means a financial relationship that exists between a public official required to disclose a close economic association under (d) of this section and some other

person or entity, including a relationship where the public official serves as a consultant or advisor to, is a member or representative of, or has a financial interest in an association, partnership, limited liability company, business, or corporation;

- (2) "lobbyist" has the meaning given in [AS 24.60.990\(a\)](#);
- (3) "public officer" has the meaning given in [AS 39.52.960](#).

Sec. 39.50.020. Report of financial and business interests. (a) A public official other than the governor or the lieutenant governor shall file a statement giving income sources and business interests, under oath and on penalty of perjury, within 30 days after taking office as a public official. Candidates for state elective office other than a candidate who is subject to [AS 24.60](#) shall file the statement with the director of elections at the time of filing a declaration of candidacy or a nominating petition or becoming a candidate by any other means. Candidates for elective municipal office shall file the statement at the time of filing a nominating petition, declaration of candidacy, or other required filing for the elective municipal office. Refusal or failure to file within the time prescribed shall require that the candidate's filing fees, if any, and filing for office be refused or that a previously accepted filing fee be returned and the candidate's name removed from the filing records. A statement shall also be filed by public officials no later than March 15 in each following year. On or before the 90th day after leaving office, a former public official shall file a final statement covering any period during the official's service in that office for which the public official has not already filed a statement. Persons who are members of boards or commissions not named in [AS 39.50.200](#)(b) are not required to file financial statements.

(b) A public official or former public official other than an elected or appointed municipal officer shall file the statement with the Alaska Public Offices Commission. Candidates for the office of governor and lieutenant governor and, if the candidate is not subject to [AS 24.60](#), the legislature shall file the statement under [AS 15.25.030](#) or 15.25.180. Municipal officers, former municipal officers, and candidates for elective municipal office, shall file with the municipal clerk or other municipal official designated to receive their filing for office. All statements required to be filed under this chapter are public records.

2 AAC 50.708. Reporting business interests and investments

(a) In a disclosure statement required under [AS 24.60.200](#) or [AS 39.50.020](#) , a legislative branch filer, public official, or candidate shall report the information required in [AS 39.50.030](#) (b)(2) and this section for each business in which the legislative branch filer, public official, candidate, or family member held an interest or an option to purchase in the reporting period. A business interest includes a nonprofit entity if the legislative branch filer, public official, candidate, or family member is an employee, officer, or member of the governing board of the nonprofit entity.

(b) For each business interest reported, the disclosure statement must identify

(1) the nature of the interest of the legislative filer, public official, candidate, or family member, including stockholder, owner, officer, director, partner, proprietor, member, employee, or similar interest by any other name; and

(2) the category of income in 2 AAC [50.685\(a\)](#) in which any income or benefit received from the business is reported.

(c) A legislative branch filer, public official, or candidate who owns stock investments other than trust and beneficial interests as provided in 2 AAC [50.712](#), and who directly and individually selects the investments, shall report each owned company by name and address. A legislative branch filer, public official, or candidate who owns stock investments selected and managed by an investment manager, financial services company, or other third party, or held in an investment fund, shall report the name and address of each investment manager, financial services company, or other third party, and shall report the name and type of any investment fund held. This subsection does not require reporting of an interest of less than \$1,000 in the stock of a publicly traded corporation.

(a) A civil penalty determined under 2 AAC [50.855](#) may be reduced by up to 50 percent if

(1) a person required to file a statement or other filing

(A) has a good filing history; in this subparagraph, "good filing history" means

(1) no late filings in the immediately preceding five years; and

(2) no activity shown on the overdue report;

(B) is an inexperienced filer; in this subparagraph, "inexperienced filer" means a person required to file reports under this chapter if that person has been subject to a registration or reporting requirement for less than 365 days;

(2) a technical error at the commission, including a communication, facsimile machine, computer program, or other equipment problem may have contributed to the late or incomplete filing;

(3) any unreported or mistakenly reported information had a value of \$100 or less; or

(4) any unreported or mistakenly reported information had a value higher than \$100 but no more than \$1,000, and a factor listed in (b) of this section also applies.

(b) A civil penalty set out in 2 AAC [50.855](#) may be reduced by a percentage greater than 50 percent, or waived entirely based on the following factors:

(1) the person required to file, or a family member of the person required to file, experienced a personal emergency, including a call for military service, a natural disaster, a civil disturbance, or an incapacitating illness that prevented the person from filing on or before the due date; this mitigating factor is only available to a natural person;

(2) a significant cause of the late filing is commission staff error, including

(A) furnishing reporting materials too late for filing on or before the due date;

(B) giving incorrect oral or written information to a person required to submit a statement or other filing;

(C) failing to deliver required notices when due; or

(D) confirmed technical problems with operation of commission equipment, including the electronic filing program;

(3) a municipal clerk or the clerk's designee failed to notify a municipal official, as provided in 2 AAC [50.850\(f\)](#), that the municipal official's filing is delinquent or incomplete;

-
- (4) a late or erroneous report included only administrative costs in a group report;
- (5) a late or incomplete report did not cause significant harm to the public, and aggravating factors under (d) of this section do not exist; for purposes of this paragraph, a late or incomplete report did not cause significant harm to the public if
- (A) the dollar amount missing from a form or disclosure is \$100 or less;
 - (B) the dollar amount for the information missing from a form or disclosure is more than \$100 but no more than \$1,000, and the filer self-reported the error; or
 - (C) the missing or incomplete information is readily available to the public through another forum;
- (6) the civil penalty assessment is significantly out of proportion to the degree of harm to the public for not having the information; or
- (7) a unique circumstance justifies reducing or waiving the penalty.
- (c) The commission will not accept any of the following as mitigating factors to reduce the amount of a penalty:
- (1) relying on another person or mailroom to mail, postmark, or submit the statement on or before a due date;
 - (2) forgetting to file;
 - (3) being a volunteer;
 - (4) having no change in reportable information from previous filed statements;
 - (5) relying on the responsible person's staff to remind the person of the filing deadline;
 - (6) being too busy to file;
 - (7) experiencing staff turnover, unless the turnover created turmoil serious enough to justify a finding of unique circumstances;
 - (8) absence caused by travel, unless the travel was unplanned or unavoidable, including travel for a personal emergency, or weather-related travel problems.
- (d) A civil penalty determined under 2 AAC [50.855](#) may be increased to the maximum amount allowed under the applicable statute if a person required to file a statement or other filing has
- (1) failed to substantially comply with financial disclosure requirements by omitting a significant source of income, interest in real property, business interest, loan, trust, or other substantial

financial interest; in this paragraph, "substantial financial interest" means an interest with a value greater than \$1,000; or

(2) a poor reporting history; indicators of a poor reporting history include any of the following:

(A) more than one late filing in the immediately preceding five years;

(B) evidence suggesting deliberate non-reporting;

APOC:

As an update to the attached complaint, Mr. Bieling signed the certified receipt on July 14, 2016. He then amended on the same day his POFD to include some of the information identified in the complaint that was missing.

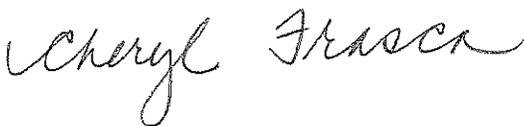

However, at a minimum, his POFD still does not disclose:

- Identification of business clients from which he has received over \$1000 in income;
- Taxable capital gains;
- Proper identification of property owned, including his current Alaska residence.

Instead of proceeding with this complaint, an informal effort was made to encourage him to report the additional information as required by law and his response was that it wasn't anybody's business.

As a result, I am proceeding with the complaint to ensure accountability to the public through full disclosure of required information.

Sincerely,

A handwritten signature in cursive script that reads "Cheryl Frasca".

APOC Complaint Alleging Ross Bieling's Violation of AS 39.50

Description or Summary of Alleged Violation

Mr. Bieling withheld information that is required to be reported in the POFD. Information that he failed to report for 2015 includes (but may not be limited to):

- Ownership of residential property in Florida;
- Vacant land in Anchorage owned by a Florida-based company of which he is President, and in which he was identified as the trustee;
- Ownership of residential property in Anchorage; and
- A business incorporated in the State of Florida.

While he almost reported on his filed POFD that he and his spouse had a 50% ownership interest in real property, he failed to provide any information about what they owned, as required by state law.

He also did not disclose if he and his family members received a permanent fund dividend, or if he and his family have any other financial/investments.

Attachment B - Anchorage vacant property for which Mr. Bieling is a trustee for his Florida company that owns it

Subject: Complaint Request for information

Mr. Bieling,

Earlier today you were provided with a notice of a complaint being filed against you concerning your candidate public official financial disclosure (POFD) statement.

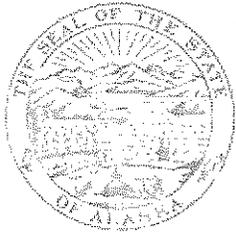

That complaint had a series of allegations regarding your POFD and several of these have been dealt with on your filing when you amended it on July 14, 2016. I have listed the allegations below and added requests for information next to those that appear to require clarification. You can place any additional information in a reply to this e-mail, or send it via a different e-mail, or via a letter whichever is easier for you.

- 1) Report ownership of land held in Florida—this appears to have been dealt with in your amendment;
- 2) Report vacant land held in Anchorage—this appears to have been dealt with in your amendment;
- 3) Report ownership of residential property in Anchorage—this appears to have been dealt with in your amendment;
- 4) Report a business incorporated in Florida—this appears to have been dealt with in your amendment;
- 5) Report complete information about his real property—this appears to have been dealt with in your amendment;
- 6) Report his and his family's PFD—this appears to have been dealt with in your amendment—**HOWEVER you noted that you did not receive a POFD in 2015 while you were amending your report—please verify this for me;**
- 7) Report any taxable capital gains—we did not discuss this while you were amending your filing. **Please let me know if you or your spouse had any taxable capital gains that were over \$1,000 in 2015;**
- 8) Report clients who may have paid his business over \$1,000—we discussed this very briefly when you were amending your report and I do not remember the outcome of that discussion. Regulation 2 AAC 50.700(b) discusses the requirements to disclose self-employment and client information. In general if you have a controlling interest in a corporation (i.e. 50% or more ownership in a LLC, professional corporation, or partnership) you would need to report clients that have paid if you more than \$1,000 in the preceding calendar year. If you have questions about this I can be reached via phone to discuss with you. **If you do not have controlling interest of the corporation please verify this.**
- 9) Report other financial interests—**did you or your spouse have any other financial interests valued at over \$1,000 in 2015 that you did not put on your amended report?**

As noted in the notification letter you have until August 2, 2016 to respond to the complaint. Please provide the information requested above no later than the same date. Providing the information prior to responding to the complaint would be appreciated.

Yours truly,

Paul Dauphinais

Mr. Bieling,

This is a follow-up to my e-mail to you dated July 18, 2016 regarding a request for information concerning the complaint filed against you by Ms. Cheryl Frasca about your candidate Public Official Financial Disclosure (POFD). This information is requested under authority of AS 15.13.111 and 2 AAC 50.806. Please provide responses to the following questions:

1. There is an allegation that you did not report Permanent Fund Dividend (PFD) for yourself on your financial disclosure report. **Did you receive a PFD in 2015?**
2. There is an allegation that there are no taxable capital gains on your POFD. **Did you or your spouse receive any taxable capital gains in calendar year 2015?** If so, please provide records showing the capital gains.
3. There is an allegation that you did not disclose clients that paid your business over \$1,000 in 2015. Although you do not list any self-employment income on your POFD, an individual with a controlling interest as defined in 2 AAC 50.700 is required to report self-employment income. **Did you or your spouse have a controlling interest in a company, LLC, or professional corporation? If so, what is the name of that company and your interest in it? If so, did you have clients who paid you over \$1,000 in calendar year 2015?** Please provide documentary evidence if any responses to the questions in this section are "yes".
4. **Did you or your spouse have any other financial interests valued at over \$1,000 in 2015 that are not listed on your amended POFD?**

If you have any questions about this matter or the requests in this letter please call APCO staff at 907-276-4176. You may submit the information via mail, e-mail, or otherwise deliver it to our office at 2221 E. Northern Lights BLVD, #128, Anchorage, AK 99508, **no later than Tuesday August 2, 2016.**

Yours truly,

Subject: Your amendment to your candidate financial disclosure statement

Importance: High

Mr. Bieling,

I have reviewed your latest amendment to your candidate financial disclosure statement. There are two serious issues with that amendment.

First, you have not provided the income received from numerous clients. You need to provide that income from each client. Failure to do so will not satisfy the requirements of AS 39.50 for candidate financial disclosure and will not be a compliant response to the complaint filed against you.

Second, it appears that in your amendment you have deleted the material for two pieces of property which you had added in an earlier amendment. Those two pieces of property need to be placed back on to your report.

The state of your most recent amendment is non-compliant for the two reasons stated above and does little to mitigate issues described in the complaint against you.

Please amend your report properly or make an appointment to come into the APOC office in Anchorage when you have all the material required to amend your filing so that we can help you file correctly in response to the complaint filed against you.

This action needs to be completed by Monday August 8, 2016.

Yours truly,
Paul Dauphinais
