

Floorcovering and Installation

The NASPO ValuePoint Cooperative Purchasing Organization (formerly WSCA-NASPO) provides master agreements with qualified vendors to provide carpet and hard surface floorcovering and related services, including all customer service, installation, design and sales services on behalf of the State of Utah and through the NASPO ValuePoint (Previously WSCA-NASPO) Cooperative Purchasing Program.

NASPO ValuePoint provides the highest standard of excellence in public cooperative contracting by leveraging the leadership and expertise of all states with the purchasing power of their public entities. NASPO ValuePoint delivers best value, reliable, competitively sourced contracts.

Effective Date: December 16, 2015

Expiration Date: December 15, 2020

Renewals Remaining: Optional annual renewals through December 15, 2020

In order to use a NASPO ValuePoint contract, the state must sign a Participating Addendum (PA). NASPO ValuePoint has established the following non-mandatory contracts for Floorcovering and Installation.
