

WORK ORDER CONTRACT

NON-MANDATORY FOR STATE AGENCIES

*AVAILABLE TO POLITICAL SUBDIVISIONS

The State of Alaska, Department of Administration, Division of Enterprise Technology Services (ETS), has established a non-mandatory-use contract for the purchase of comprehensive telecommunications services, hardware, software, training, and professional services with World Wide Technology, Inc. (WWT). The contract is available to all State of Alaska agencies and political subdivisions.

Contractor	Contract	State Contract Number
WWT	Work Order Contract	2013-0200-1232

Current Term: July 1, 2016 through June 30, 2019

Work Order Process:

Each Work Order will become a standalone contract between WWT and the requesting agency. The Work Order process is explained in further detail through the [Process and Guidelines document](#).

The original RFP and complete contract terms and conditions can be found [here](#) .
