

CISCO HARDWARE SOFTWARE AND SMARTNET CONTRACT

MANDATORY FOR STATE AGENCIES

*AVAILABLE TO POLITICAL SUBDIVISIONS

The State of Alaska, Department of Administration, Division of Enterprise Technology Services (ETS), has established a mandatory-use contract for the purchase of Cisco hardware, software, and SMARTnet maintenance services with World Wide Technology, Inc. (WWT) for all State agencies. The contract is available to all State of Alaska political subdivisions.

Contractor	Contract	State Contract Number
WWT	Cisco Hardware, Software & SMARTnet	CA 99-482-J

Current Term: January 1, 2015 through December 31, 2016

Placing Orders:

Agencies are required to register through the SOA ePortal in order to access the products and services on the WWT (WWT ePortal) website. All orders placed must reference the state contract number. Registration instructions, product lists and information on how to navigate through the ordering process can be found at the following link: [ETS NSI Network Equipment](#)

The original ITB and complete contract terms and conditions can be found [here](#).
