The Minnesota Multi-state Contracting Alliance for Pharmacy (MMCAP) is a free, voluntary group purchasing organization operated and managed by the State of Minnesota. MMCAP's primary function is to provide a full range of pharmaceuticals to its participating facilities. However it also has contracts, for vials and containers, medical supplies, drug testing, returned goods processing, influenza vaccine, and dental supplies. [Click here](#) for a list of current services and vendors.

Although this is a non-mandatory contract, agencies that choose to participate are requested to use it as a primary source. To request that your agency be added to the list of approved participants:

- Complete and execute the [MMCAP Membership form and Agreement](#) and submit it to your state's [MMCAP Purchasing Contact](#)
- comply with all laws, rules and regulations governing government purchasing of pharmaceuticals and related products, including operating within the boundaries established by [Robinson-Patman](#) (15 U.S.C. 13 (a)), Abbott Labs v. Portland Retail Druggists (425 U.S. 1(1976)) and Jefferson County Pharmaceutical Association, Inc. v. Abbott Labs (460 U.S. 150 (1983)); and
- use the [MMCAP-contracted distributor](#) selected by your governing member state.
