

HAZARDOUS INCIDENT RESPONSE EQUIPMENT

The National Association of State Procurement Officials (NASPO) leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of NASPO. In order to use a NASPO contract, the state must sign a Participating Addendum (PA). If a PA has not yet been signed for a contractor you wish to purchase from, please contact the contracting officer shown at the bottom of this page.

NASPO has the following non-mandatory contracts for hazardous incident response equipment:

CONTRACTOR	PRICE AGREEMENT NUMBER	PA SIGNED
See Page 2		

PLACING ORDERS: With most contractors, agencies have the option to place orders via phone, fax, or online. Always identify the Price Agreement Number to receive the NASPO discount.

Pricing information can be found at:

All other information, including the original solicitation and contract terms and conditions, can be found at the following website:

www.ogs.state.ny.us/purchase/spg/awards/3823219745CAN.HTM

MINIMUM ORDERS: Minimum orders may vary by contractor. Please check the individual award documents to verify if any minimum order amount exists.

F.O.B. POINT: The F.O.B. point for all orders is point of exportation. The ordering entity and the vendor must negotiate fair shipping terms and charges.

If you have questions regarding Alaska's participation in this contract or wish to request that a PA be signed with a particular contractor, please contact:
