

BODY ARMOR

The Western States Contracting Alliance (WSCA) leverages the buying power of 15 western states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of WSCA. In order to use a WSCA contract, the state must sign a Participating Addendum (PA).

If the state has not signed a Participating Addendum for one of the vendors listed in the table below and you would like to work with that vendor, please notify the Contracting Officer listed at the bottom of this page.

WSCA has established the following non-mandatory contracts with providers of Body Armor. The contracts offer a wide range of Body Armor and include a variety of fitting services. Orders are placed with the authorized Alaska Distributor for each brand that has been awarded.
