

BREAST PUMPS FOR THE WOMEN, INFANT AND CHILDREN PROGRAM

The Western States Contracting Alliance (WSCA) leverages the buying power of 15 western states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of WSCA. In order to use a WSCA contract, the state must sign a Participating Addendum (PA).

If the state has not signed a Participating Addendum for the vendor listed in the table below and you would like to work with that vendor, please notify the Contracting Officer listed at the bottom of this page.

WSCA has established the following non-mandatory contract with a single provider Breast Pumps and Accessories for the Women Infant and Children (WIC) program.

| CONTRACTOR | CONTRACT NUMBER | PA SIGNED |
