

VEHICLE LIFTS AND RELATED GARAGE EQUIPMENT

The Western States Contracting Alliance (WSCA) leverages the buying power of 15 western states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of WSCA. In order to use a WSCA contract, the state must sign a Participating Addendum (PA). If a PA has not yet been signed for a contractor you wish to purchase from, please contact the contracting officer shown at the bottom of this page.

WSCA has the following non-mandatory contracts for vehicle lifts and related garage equipment:

CONTRACTOR	PRICE AGREEMENT NUMBER	PA SIGNED
ARI-HETRA	06405	Yes
Mohawk Resources, LTD	06405	Yes
Steril-Koni USA, Inc.	06405	Yes

PLACING ORDERS: Agencies have the option to place orders via phone or fax. Always identify the Price Agreement Number to receive the WSCA discount.

Click the contractor name in the table above to view that contractor's Alaska-specific WSCA page for ordering and pricing details.

More information, including the original solicitation and contract terms and conditions for this contract, can be found at the following website:
