

LABORATORY SUPPLIES AND EQUIPMENT

NON-MANDATORY FOR STATE AGENCIES

NON-MANDATORY FOR POLITICAL SUBDIVISIONS

The Western States Contracting Alliance (WCSA) leverages the buying power of 15 western states to offer exceptional pricing for participating states and their political subdivision. Alaska is an active member of WCSA. In order to use a WCSA contract, the state must sign a Participating Addendum (PA).

WCSA has the following non-mandatory contract for laboratory supplies and equipment:

CONTRACTOR	PRICE AGREEMENT NUMBER	PA SIGNED
Fisher Scientific	SBP01118	Yes

PLACING ORDERS: Agencies have the option to place orders via telephone (800) 766-7000, or fax (360) 546-0591, or online at <http://www.fishersci.com>. To receive the WCSA discount all orders must include the Price Agreement Number SBP01118.

EXCLUDED ITEMS: Individual items that cost more than \$5,000 are not included in this contract.

SHIPPING INFORMATION: Orders over \$50 will be shipped F.O.B. Final Destination anywhere in the State of Alaska. Freight charges will not apply unless the ordering agency requests expedited shipping. Orders under \$50 will include the actual shipping unless waived by the contractor at the time the order is placed.

NOTE: Agencies are required to make reasonable efforts to consolidate orders on a weekly basis. In addition, agencies are encouraged to consolidate orders for hazardous chemicals in order to minimize hazardous materials fees.

The original solicitation and contract terms and conditions for the Fisher Scientific contract can be found at the following website: <http://www.aboutwsca.org/contract.cfm/contract/w8-2003>
