

## PUBLIC SAFETY COMMUNICATION EQUIPMENT

The Western States Contracting Alliance (WSCA) leverages the buying power of 15 western states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of WSCA. In order to use a WSCA contract, the state must sign a Participating Addendum (PA).

WSCA has the following non-mandatory contracts for public safety communication equipment:

| CONTRACTOR | PRICE AGREEMENT<br>NUMBER | PA SIGNED |
|------------|---------------------------|-----------|
| See Page 2 |                           |           |

**PLACING ORDERS:** With most contractors, agencies have the option to place orders via phone, fax, or online. Always identify the Price Agreement Number to receive the WSCA discount.

**EXCLUDED ITEMS:** Single items that cost more than \$100,000 are not included in this contract.

**F.O.B. POINT:** The F.O.B. point for all orders is Final Destination. Most prices include shipping anywhere within the boundaries of the State of Alaska. No additional freight charges will apply unless the ordering agency requests expedited shipping.

The original solicitation and contract terms and conditions for this contract can be found at the following website: [www.aboutwsca.org/contracts/psradio.cfm](http://www.aboutwsca.org/contracts/psradio.cfm)
