

Juneau Core Parking Area Parking Guidelines and Restrictions

Permit holders are required to abide by all parking restrictions. Parking restrictions include, but are not limited to the following:

- **General Parking:** Includes all parking spaces covered by this policy (unless otherwise restricted and posted.) These parking spaces are available to permit holders as open, unassigned, first-come, first-served for State employees who display a valid state parking permit.
- **Parking for Persons with Disabilities:** Persons with disabilities must possess and display a Handicapped Parking Permit issued by the Division of Motor Vehicles in order to park in parking spaces designated as handicapped. These parking spaces are available to Handicapped Parking Permit holders on an open, unassigned, first-come first-served basis.
- **Unregistered Visitor Parking:** Designated visitor parking spaces covered by this policy are available for up to three hours. Visitor parking is not for use by State employees. If a vehicle is registered for State parking, it may not utilize visitor parking.
- **Contractor Parking:** If a contractor (generally the construction trades) has work on a full time basis or for an extended period, a temporary permit may be issued for their use. The contracting agency is required to provide documentation explaining the need and duration of the contract.
- **Executive Parking:** Executive State employees displaying executive parking permits may park in the Juneau State Office Building Parking Garage on the first level (P1) in spaces marked reserved. Executives may also park in visitor parking spaces when other P1 Executive parking spaces are full. *Executives utilizing visitor parking must notify Parking Enforcement.*
- **Supervisory and Confidential Bargaining Unit Parking:** Spaces for bargaining unit members properly displaying their valid permit are available on the third level (C & P3) of the Juneau State Office Building Parking Garage.
- **Parking Lots Covered by this Policy:** There are a number (see attached map) of State-owned and leased buildings in the core area of Juneau covered by this policy with parking available to permit holders. The City and Borough of Juneau Parking Lot is available for all State employees except where designated for Centennial Hall, National Guard Armory, the Zach Gordon Youth Center, and the Juneau Arts Center (JACC) Parking Lot.

Part of the CBJ Lot (located between Bullwinkle's Pizza Parlor and 400 Willoughby) is available to permit holders as authorized, except during Legislative session when the Legislature has exclusive use of those spaces as marked.

Automobile Damage or Thefts

- Parking in a State parking lot is done so at the permit holder's own risk. The State does not have responsibility or liability for damage or theft.
- Reports of damaged or stolen property are to be reported to the Juneau Police Department and the State parking security contractor (Parking Enforcement.)

Parking Violations, Fines, Penalties, and Enforcement

- Penalties for parking in an unauthorized location, or without a valid permit, may result in the issuance of a Uniform Traffic Citation. Parking in violation of Alaska Administrative Code (13 AAC 02.340) and other pertinent regulations will result in a fine of up to \$25.00 (Exception: parking in a handicapped space without authorization will result in \$100 fine + \$10 fee.)
- Repeated violations may result in further issuance of citations, loss of parking privileges, towing and impoundment of the vehicle, and/or disciplinary action up to and including dismissal.
- Enforcement of these rules is the responsibility of the Parking Enforcement contractor. The Parking Enforcement contract is managed by the Division of General Services' Facilities section staff.

Juneau Legislative Parking

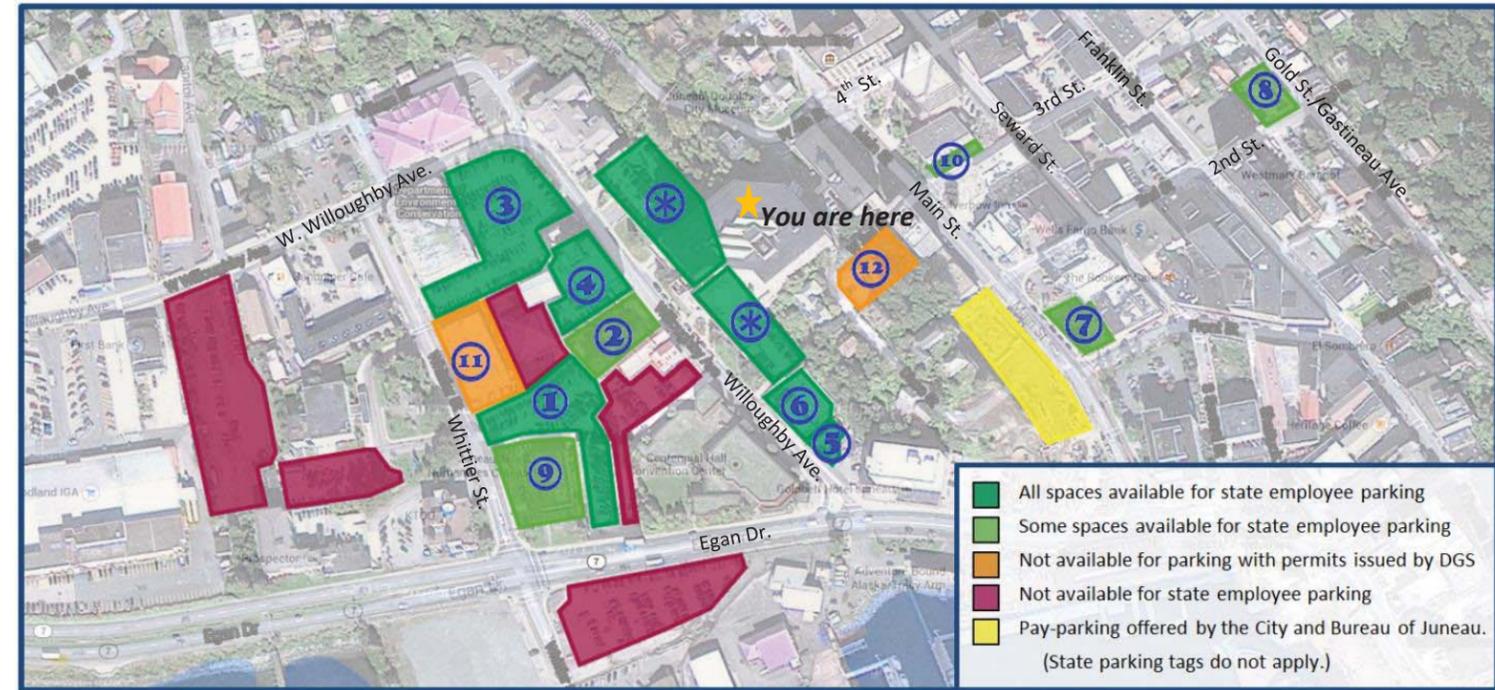

- Legislative employees are to obtain parking permits from the Legislative Affairs agency and abide by this permit's issuance and eligibility policies. These permits may be used in restricted legislative parking areas/lots and in all parking areas designated as a part of the State's *general* parking pool as open and unassigned for State employees. *Legislative permit holders may not park in parking spaces designated reserved, executive, supervisory/confidential, handicapped, or visitor parking.*
