**Additional Information:**

A reconstructed vehicle is one that has been materially altered from the original construction. This alteration may consist of the removal, addition, or substitution of essential parts. Essential parts are considered to be the chassis/frame, body and engine.

**Title Requirements:**

- Complete Form 829, in full. Must have the vehicle inspected by Alaska State Troopers, local law enforcement in the State of Alaska or a DMV Representative.
- The original title from all vehicles used to reconstruct the vehicle, unless the titles were returned to DMV as "JUNKED".
- All bills of sale and invoices for major parts used in the reconstruction.
- A lien release is required if a lien is recorded on DMV records.
- An Application for Title and Registration (Form 812).
- I/M certificate if the owner of the vehicle is domiciled in the Municipality of Anchorage or the Fairbanks North Star Borough (See our home page under "Emissions and Waiver Information" for more information on requirements.)
