FOUR of the five following items must be present and permanently attached. Select all that apply

- 1) Cooking facilities and refrigeration or icebox.
- 2) Self-contained toilet or toilet connected to a plumbing system with connection for external water disposal.
- 3) Heating and/or air conditioning systems for the motorhome unit, separate from vehicle engine or vehicle engine electrical system.
- 4) Portable water supply, including plumbing and a sink with faucet either self-contained or with connections for an external source.
- 5) 110 or 115 volt system separate from the vehicle engine electrical system either with its own power supply or with a connection for an external source or a liquefied petroleum (LP) system and supply.

NOTE: If a school bus is converted to a motorhome, the color must be changed and school bus identification removed.

I, the undersigned applicant, certify that this vehicle has been permanently converted to a motorhome and that at least four of the five above items are permanently attached.
