Staci,

MAXIMUS would like to RSVP for the 07/21/2010 pre-proposal conference. To help with your space planning, MAXIMUS could bring a group of 3-4 people to this meeting, but probably not more.

If you need any further information, please don't hesitate to contact me.

Thanks,

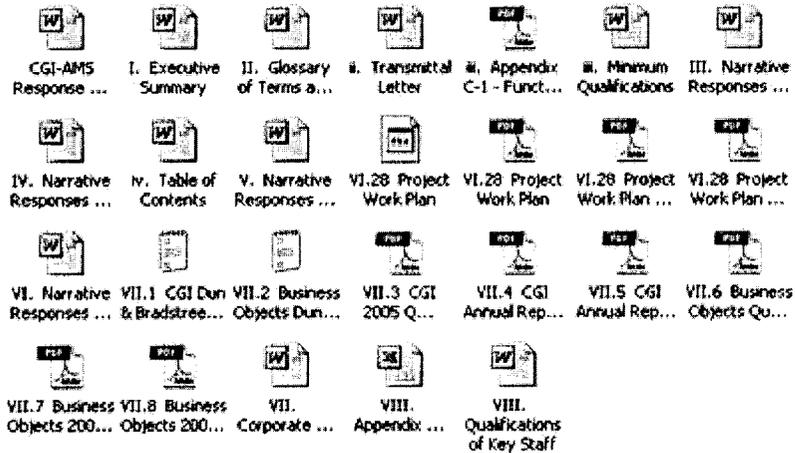

Rob

Hi Ray, I've spent a bit of time in the storeroom looking through the procurement file-I've been able to locate the CGI proposal, but have not been able to locate the SAP proposal. In my review, I can see that SAP did not directly submit a proposal-but perhaps one of the other offerors were proposing an SAP solution?? The CGI proposal is quite large, so I'll send it in several emails. Please let me know if you'd like me to continue looking for the SAP proposal (as it were).

Sent: Wednesday, April 28, 2010 1:46 PM
To: Nguyen, Ann
Cc: Culver, Ernest
Subject: RE: SAP Response to the State of Alaska Statewide Administrative Systems Replacement Project RFI

Hi Ms. Nguyen, thank you for your inquiry.

The State of Alaska cannot meet individually with vendors during the process, as one of the cornerstones of our procurement law is to provide all information to all vendors at the same time. We accomplish that through the issuance of the RFP itself and any RFP amendments. Additionally, we are not allowed to disclose the actual contents of the RFP until the RFP is released, so we would not be able to discuss any of the State's requirements with SAP. As you might imagine, if we were to meet individually with vendors, not every vendor would have the same information, which could result in an unfair advantage. After the RFP is issued, we welcome written questions regarding the RFP and its requirements. All questions will be answered in writing, through the formal amendment process. I thank you in advance for understanding the reasons we cannot meet with vendors.

Good Afternoon Staci,

I wanted to follow up with you on SAP's response to the RFI for Statewide Administrative Systems Replacement.

Within our RFI response, we have requested the ability to have a meeting with the team within the State to get a better understanding of the requirements and ensure that our RFP response is all encompassing.

Would it be possible for Ernest and I to connect with you via phone conference this week to discuss our intent for requesting a meeting and also the feasibility to do so.

Thanks,
Ann.

Subject: RE: CGI Response to Statewide Administrative Systems Replacement Project

I secured it so that if it fell into "the wrong hands" it could not be replicated without significant effort. I would be willing to provide you a copy that is not secured if it is not released with any public records request which may take place.

I was not sure how Alaska managed these requests and if electronic copies would be provided. Some states I have worked with require a person requesting this information to actually come in and make paper copies if they want to. Other states honor the copyright of the material and require a person requesting to only come in and review while on State property....they can review and make notes, but are not allowed to make copies.

Let me know your thoughts....if you want to talk via phone about this, please give me a call! I am still working!

Staci,

Attached please find CGI's response to the State of Alaska RFI for the Statewide Administrative Systems Replacement Project. We are pleased to see the State taking steps towards realizing the vision set forth in the business case. We look forward to hearing from the State on next steps in the Best Value process.

If there is any clarification we can provide to the attached information please do not hesitate to reach out to me via email or phone. My contact details are below and in the attached response.

Please can you confirm receipt of this submittal?

Thank you for your consideration,

Jeff Snyder

Subject: RE: CGI Response to Statewide Administrative Systems Replacement Project

The best I can do is if we're asked for a copy (which we will not provide until after the RFP is actually released) I can release the secured one, not the unsecured one. I need to be able to grab the contents to use on our end to assure we've addressed everything. Thanks

I secured it so that if it fell into "the wrong hands" it could not be replicated without significant effort. I would be willing to provide you a copy that is not secured if it is not released with any public records request which may take place.

I was not sure how Alaska managed these requests and if electronic copies would be provided. Some states I have worked with require a person requesting this information to actually come in and make paper copies if they want to. Other states honor the copyright of the material and require a person requesting to only come in and review while on State property....they can review and make notes, but are not allowed to make copies.

Subject: AK Administrative Systems Replacement - BVE Session 2

Staci,

Great information exchange in Juneau on 3/30!

Would like to request BVE Session 2 before the RFP is released, one week ahead would be perfect. This is a new process/departure from what we have traditionally seen, with regard to a RFP process. Having the session a week ahead would allow us to get our key folks to the session, ask questions and get us prepared for the RFP release. Though I can't speak for the entire vending community, we need to "reorient/ education" our team as well.

Any consideration to this request would be appreciated.

Respectfully,

Hi Mr. Strohl, I have been asked to respond to your email inquiry. The State of Alaska is currently in the pre-planning stages of an RFP for many of our administrative systems,

including our Statewide Accounting System. You can find more information regarding the project at:

<http://fin.admin.state.ak.us/dof/sysrepl/index.jsp>

Additionally, the State currently has a Request for Information regarding the project published on the State's Online Public Notice website at:

<http://notes4.state.ak.us/pn/pubnotic.nsf/cc52605f7c156e7a8925672a0060a91b/7f38139226b60e6b892576dd002a412?OpenDocument>

As you can see, the State has scheduled a Best-Value Educational Session for next Wednesday, March 31 in Juneau, Alaska.

Subject: Sub Ledger Bond accounting for municipalities

Ms. Garnero,

I am interested in learning when the state will be conducting their RFP for accounting software.

We would be interested in participating in a possible upcoming RFP and I wish to put the date on my calendar. We believe that you should have a choice in accounting software and that you can save money, have a more robust program and have a fully automated accounting system for your municipality.

If you would, please let me know when and if you expect to review the accounting software, we will be happy to participate.

Regards,

Robert Allen Strohl

That's a very fair question, so no stink eye for you! We have submitted the presentation to our IT staff and it should be uploaded to the project website tonight. Thanks!

Hi Staci,

Thank you for the great session on the 31st. I did what you suggested, so I don't get "stink eye", and checked the website for the posted presentation. before I emailed you. :) My company has an all hands State of Alaska team meeting next Monday and I wanted to know if it would be possible to get a copy of the presentation today or early Monday. I would like to educate my team on the BV session using the powerpoint. Please let me know.

Thank you!

Augustus, Staci A (DOA)

March 23, 2010

Staci Augustus
Department of Administration
PO Box 110208
Juneau, AK 99811-0208

Dear Ms. Augustus:

Thank you for the opportunity to respond to the State of Alaska's Request for Information for the Statewide Administrative Systems Replacement Project. We regret that SunGard Public Sector Inc. will not be submitting a response at this time.

If you find that the other vendors do not meet your qualifications, or have any other questions, I can be reached at (800) 727-8088.

We would also like to remain on your bidder's list to have the opportunity to respond to other RFPs. We look forward to the possibility of working with you in the future.

Sincerely,

Tony Quilici
Account Executive

Subject: RE: Statewide Administrative Systems Replacement Project RFI - Question

Hi Mr. Snyder, We have not received any questions yet. Depending on the type of questions, we may issue a Q&A addendum, however, we have not made any decisions yet. If you have questions, please submit them to me via email. Depending on the type of question, I may be able to answer you directly, however, if the question requires a change to the RFI or is otherwise of a significant matter that everyone needs to know about, we will notify all registered parties. The main point is to give everyone the same information at the same time. I hope this helps.

Subject: Statewide Administrative Systems Replacement Project RFI - Question
Importance: High

Staci –

I have a couple clarifying questions to the RFI. Can you tell me if other vendors have submitted questions and if the State plans to issue a Q&A addendum with formal answers –OR–if I should just submit my questions to you via email and can get a response back via email informally?

Thank you....have a great day!
