Mr. Meyer, Thank you again for your letter. I have reviewed your letter and appreciate the feedback. As we mentioned during the June 29 meeting, all of the information presented at that point was speculative at best. I encourage you to review the RFP's contents once it's issued and provide your feedback during the timeframe identified in the RFP. Thanks again.

Hi Kim,

We work closely with SAP and talked last year about the potential Financials replacement project and at that time you were close to finalizing the Wostmann and Pacific Technologies agreement. Since I will be in Juneau this week I was hoping to stop by for a brief introduction either Tuesday, Wednesday or Thursday morning. Given all the changes at the State it would be great if you have 15 minutes for an introduction?

Thanks Kim, I appreciate your consideration.

As you are aware, the State of Alaska plans to conduct a procurement for its Administrative Systems Replacement Project using a Best-Value approach. This is a reminder that the State of Alaska is holding a Best-Value Training Session on Tuesday, June 29, 2010, beginning at 1:00pm, Alaska Time.

There are three ways to participate:

1. **In Person (STRONGLY ENCOURAGED):** at Centennial Hall (101 Egan Drive)
<http://www.juneau.org/centennial/> in Juneau, Alaska.
2. **Via teleconference:** Dial 907-465-1105 **(ACCESS LIMITED TO 31 CALL IN LINES)**
3. **Via "GotoMeeting":** <https://www1.gotomeeting.com/join/203023017>
Then join the conference call: Meeting ID: 203-023-017 **(ACCESS LIMITED TO 15 ACCESS LOCATIONS)**

A response to this email to confirm your attendance and method of attendance (option 1, 2, or 3) would be GREATLY appreciated, even if you've already registered. We would like to assure that we have appropriate resources allocated to the event.

As a reminder regarding the Best-Value Training Session, we will NOT be discussing the actual RFP or the scope of work at the session, only the Best-Value process will be discussed. After the RFP is released, we will hold another Best-Value Training Session on the same day (currently scheduled for August 17, 2010) as the Pre-Proposal Conference that is specific to the RFP and the State's approach.

Thanks!

Hi Fenton, we will not be posting the presentation from last week, as it was similar in nature to the previous session. While we are still shooting for the release of the RFP on August 2 with the pre-proposal and Best-Value education session on the 17th, I hesitate to fully commit to it, as there are many things that could happen in the interim. My best advice is to purchase "refundable" tickets so that if things are delayed, you're not stuck.

Hi Stacie,
Thanks for the overview session last week. Also, we enjoyed our time in Alaska in the summer!!!!

Will you be posting the presentation that was delivered last week?

Is August 17th's session confirmed? I plan to book my flights.

Have a good day!

Thank you,

Fenton Penna

There are three ways to participate:

1. **In Person (STRONGLY ENCOURAGED):** at Centennial Hall (101 Egan Drive)
<http://www.juneau.org/centennial/> in Juneau, Alaska.
2. **Via teleconference:** Dial 907-465-1105 **(ACCESS LIMITED TO 31 CALL IN LINES)**
3. **Via "GotoMeeting":** <https://www1.gotomeeting.com/join/203023017>
Then join the conference call: Meeting ID: 203-023-017 **(ACCESS LIMITED TO 15 ACCESS LOCATIONS)**

Hello Staci,

I hope you've been well.

If you recall Capgemini responded to the RFI for Statewide Administrative Systems Replacement project in April. According to the original schedule, the RFP was due to be released at the end of June with a due date of 10/1. The bid conference is scheduled for 7/21. Are these dates still accurate? If the RFP has been released, can you provide some instruction on how I can obtain a copy?

Thanks very much.

Staci,

Could you send me the information to attend remotely today? I would like to listen in to this one to try to be as prepared as possible. A few of my other colleagues from CIBER have already attended, so I am trying to catch up.

Thanks again, Staci.

The content will differ a little-the one on the 17th will be more specific to the State's project, whereas the one today will be more generalized. You may attend remotely.

A response to this email to confirm your attendance and method of attendance (option 1, 2, or 3) would be GREATLY appreciated, even if you've already registered. We would like to assure that we have appropriate resources allocated to the event.

As a reminder regarding the Best-Value Training Session, we will NOT be discussing the actual RFP or the scope of work at the session, only the Best-Value process will be discussed. After the RFP is released, we will hold another Best-Value Training Session on the same day (currently scheduled for August 17, 2010) as the Pre-Proposal Conference that is specific to the RFP and the State's approach.

Thanks!

Subject: State of Alaska Administrative Systems Replacement Project Request to be added to Interested Vendor List

Hello Staci,

I'm writing to follow up on a conversation we had a few months ago, when the RFI for your project went out. I had asked if my group, Empower Software, could be added to the Interested Vendor list. I checked your website today, and I don't see Empower Software on the list.

As you may know, the State of Alaska already uses one of our Payroll solutions for your Payroll needs. We would like to present our new Payroll Solution, EmpowerPay to your group.

I want to make ensure we can be added to the list, as well as receive a copy of the RFP.

Can you let me know if we can still get on the list as well as a copy of the RFP?

Thanks again for your consideration.
