

SALARY SCHEDULES BY BU/LOCATION
Effective 7/1/2016

Code - Three character location indicator entered on the 10 and 62 screens.

Description - Full name of the town (work site).

Unit Schedule - The units are listed across the top of the table with the salary schedule for each location listed below. Each unit has its own salary schedules.

Schedules are identified by three characters:

The first character contains both the class designation (see AS 23.40.200) and the appropriate 3.25% vs 3.75% schedule designation, if any.

A leading pound sign means there are multiple class designations/schedules within that unit.

for unit SS it represents 1 or 5 (Class 1), and 2 or 6 (Class 2/3) on the 3.25% schedule.

for unit SS it represents 3 or 7 (Class 1), and 4 or 8 (Class 2/3) on the 3.75% schedule.

	<u>Class1</u> No Pay Increment Change	<u>Class 2/3</u> No Pay Increment Change	<u>Class1</u> <u>3.25% Pay</u> Increment Change	<u>Class 2/3</u> <u>3.25% Pay</u> Increment Change	<u>Class1</u> <u>3.75% Pay</u> Increment Hold	<u>Class 2/3</u> <u>3.75% Pay</u> Increment Hold
