

PROGRAM 4—SENIOR AND DISABILITIES SERVICES

COMMUNITY BASED GRANTS

DEPARTMENT OF HEALTH AND SOCIAL SERVICES

I. PROGRAM OBJECTIVES

The Senior and Disabilities Services Community Based Grant component was created in FY2019 in order to streamline and combine three budget components into one. SDS Community based grant programs utilize state funds to provide services that will assist individuals with disabilities and seniors to remain independent as they age in their homes and communities throughout the state. The SDS Community based Grant Program includes state funded grant programs only: Alzheimer's Disease and Related Disorders Education, Training, and Support, Adult Day Services, Senior In-Home Service's, Traumatic and Acquired Brain Injury, Deaf Navigator, Protection and Advocacy, Behavior Risk Management, and Student Life Center for the Alaska State School for Deaf and Hard of Hearing.

II. PROGRAM PROCEDURES

Funding for these programs are distributed through a competitive grant process and is administered by the Division of Senior and Disabilities Services (DSDS). Each program's services are developed to target the needs of a specific population and is specified in the RFP. Individuals who receive services under the Home and Community-Based Medicaid waiver program are not eligible for Community Based Grant Services that are Medicaid reimbursable. Each grant program's goals, outcomes, activities, target population, services area, and eligibility requirements are clearly specified in the RFP and are specific to the needs of the population the grant program is intended to serve.

III. COMPLIANCE REQUIREMENTS AND SUGGESTED AUDIT PROCEDURES

A. TYPES OF SERVICES ALLOWED OR UNALLOWED -

Compliance Requirements: Grant funds under this program are used to provide services to the target populations as specified the RFP. SDS Community based grant programs are listed below:

ADRD Education and Support Services is a sole source grant to provide statewide education, training and support services to people with Alzheimer's disease and related disorders and their caregivers, as well as education about ADRD to the general public, healthcare professionals, professional caregivers, agencies and organizations

Adult Day Services provide planned and supervised daytime activities for physically frail or disabled seniors age 60 and over; adults of any age with Alzheimer's Disease and Related Disorders (ADRD); and adults age 18 and over with similar disabilities as older Alaskans who are at risk for institutionalization or unsafe at home alone.
