

LETTER OF AGREEMENT
between the
STATE OF ALASKA
and the
INLANDBOATMEN'S UNION of the PACIFIC, ALASKA REGION
representing the
AMHS UNLICENSED VESSEL EMPLOYEES

FVF Fairweather; Quarters and Meal Allowance

15-II-185

It is agreed between the parties that the following terms and conditions of employment apply to certain members of the Inlandboatmen's Union in the Alaska Marine Highway System, Department of Transportation & Public Facilities. No provision of the July 1, 2014, through June 30, 2017, master agreement not specifically referenced herein is modified by this agreement.

1. The FVF Fairweather (FWX) is temporarily providing service in Prince William Sound. Those employees assigned to the vessel that have an assigned change port other than Cordova are entitled to a quarters and meal allowance under Rule 11. Payments of these allowances are normally made by the DOT&PF Fiscal Office; however, due to year-end reporting restrictions, no payments will be issued during the last two weeks of the year.
2. Employees assigned to the FWX who are entitled to a quarters or meal allowance under Rule 11 may request a one-time payment, up to \$999.99, paid through an online warrant issued by DOP&LR Payroll Services, as an advance on their entitlements.
3. Eligible employees may request a payment as provided in this agreement by submitting a request to Payroll Services through the FWX Personal Services Worker in Charge. Payments made to eligible employees will be deducted from their next quarters and meal allowance reimbursement payments.

This agreement is effective upon signature and remains in effect through December 31, 2014. This agreement is entered into solely to address the unique circumstances of the situation and does not establish any practice or precedent between parties. This agreement shall not be referred to in any other dispute, grievance, arbitration, hearing or any other forum, except as may be necessary for the execution of its terms.
