17-GG-075

It is agreed and understood between the parties that the following terms and conditions of employment apply to those bargaining unit members in the Department of Fish & Game, Division of Sport Fish, assigned to work on either the Mat-Su/Deshka Weir or the Gulkana Chinook Counting Tower projects, who obtain approval for assignment to an alternate workweek schedule option on the attached form. No provision of the July 1, 2016 through June 30, 2019, master agreement not specifically referenced is modified by this Agreement.

In accordance with Article 4-Management Rights and Article 27-Shift Assignment, Management reserves the right to make final determinations concerning scheduling. The workweek shall be in accordance with the Fair Labor Standards Act (FLSA). The workweek and the work period for each individual shall be established in writing by the supervisor on the corresponding assignment form.

Alternate Workweek Schedule

1. The work period will consist of eight (8) consecutive work days and six (6) days off over a fourteen (14) day period. No single work day may exceed 12.5 hours and will include mid-way through each work day either a one (1) hour or a one-half (.5) hour lunch break.

2. Article 22.01-Workweek, shall be revised and replaced as follows:

   The workweek shall consist of thirty-seven and one-half (37.5) hours. Each bargaining unit member shall be entitled to a minimum of two (2) consecutive days off each week. All full-time employees shall be guaranteed a full workweek.

3. Article 22.06-Holiday Pay (A), and Article 24.02-Observance of Holidays, shall be revised and replaced as follows:

   a. If a holiday falls on the member's regularly scheduled day off, the member shall receive holiday pay of seven and one-half (7.5) hours at the straight time rate provided the member was in pay status for a portion of the last regularly scheduled work day prior to the holiday and a portion of the next regularly scheduled work day after the holiday. Such holiday pay does not count for the purposes of fulfilling the workweek, work period or computing overtime.

   b. If a holiday falls on the member's scheduled day of work, and the member does not work that full shift, the difference between the seven and one-half (7.5) hours holiday and the scheduled hours of work for that day, at the member's request and business permitting, will be:

      i. added to or subtracted from other days within the workweek; or
      ii. taken as Personal/Annual Leave in order to maintain the established schedule.
This agreement supersedes LOA 14-GG-066. This agreement is effective July 1, 2016, and remains in effect through June 30, 2019, except that it may be canceled by either party with fifteen (15) days written notice. This agreement is entered into solely to address the specific circumstances of this particular situation. It does not establish any practice or precedent between the parties. This agreement shall not be referred to in any other dispute, grievance, arbitration, hearing, or any other forum, except as may be necessary for the execution of its terms.
