**Subject:** Foreign Country Coverage

NOW , WE must front the Money & get Paid Back upon filing a claim. This is Fine, when the bill is Low. If bill HIGH, could be a problem. Please explore a method to get involved & Pay, IF the bill is LARGE ENOUGH..... Example : \$ 200 - OK ; \$5,000, NOT - OK, to large..... Medical Attention - THAILAND.

Thank YOU, Robert E. Bradley
