I wish to claim all creditable days (only full days will be credited) of sick leave accrued during my Teachers' Retirement System (TRS) membership service. I understand that I must claim the sick leave within one year of my retirement. I also understand that I must be on retirement the same number of days as the number of creditable sick leave days accrued, before a benefit will be paid on that portion of service and that my benefit will be increased effective the first day of the month following the expiration of this period. Further, I certify that this application denotes my full and entire claim for all my accrued sick leave during my TRS membership service and forfeits my right to a further claim for this service.

## I understand it is my sole personal responsibility to claim my unused sick leave.
