Coverage for Employee + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact our office at (800) 821-2251. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at [AlaskaCare.gov](#) or call (800) 821-2251 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <a href="#">deductible</a> ?	\$300/Individual or \$600/family	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> services with an in-network provider, some primary care services, and some specialty care services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount, but a copayment may apply. For example, this <a href="#">plan</a> covers certain in-network <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="#">www.alaskacare.gov</a>
Are there other <a href="#">deductibles</a> for specific services?	No.	There are no separate <a href="#">deductibles</a> for specific services, however, you must pay any remaining balance on your annual deductible when using SurgeryPlus for non-emergent surgeries.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For <a href="#">network providers</a> \$1,750 individual / \$3,500 family; for <a href="#">out-of-network</a> facilities \$3,500 individual / \$7,000 family; <a href="#">prescription drug coverage</a> : individual \$1,000 / family \$2,000.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket</a> limit has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, penalties for non-emergency care at an emergency room of a hospital, precertification penalties, and health care services this <a href="#">plan</a> does not cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="#">AlaskaCare.gov</a> or call (855) 784-8646 for a list of network <a href="#">providers</a> .	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without permission from this plan.

- All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies. [Copayments](#) do not apply to your [deductible](#), but do apply to your [out-of-pocket limit](#).
