

T. Rowe Price Small Cap Stock Trust

Deferred Compensation Plan Supplemental Annuity Plan PERS/TERS DCR

Investment Objective & Strategy

To provide long-term capital appreciation by investing primarily in the common stocks of small companies that appear undervalued or offer the potential for superior earnings growth.

Investor Profile

Small-cap investments may be most appropriate for someone with a longer investment horizon, seeking long-term capital growth, and willing to accept larger market fluctuations. Equity securities of small-sized companies may be more volatile than securities of larger, more established companies.

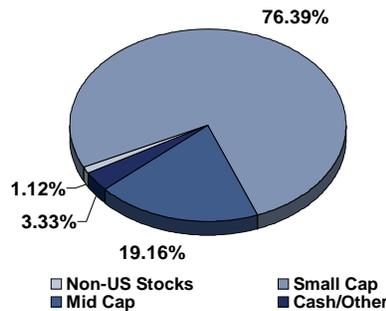

Trust Benchmark

The Trust's benchmark is the Russell 2000® Index, a broad representation of the small-cap U.S. equity market. The Russell 2000® Index measures the performance of the 2,000 smallest companies in the Russell 3000® Index and encompasses approximately 8% of the total market capitalization represented by the Russell 3000® Index.

Trust Management

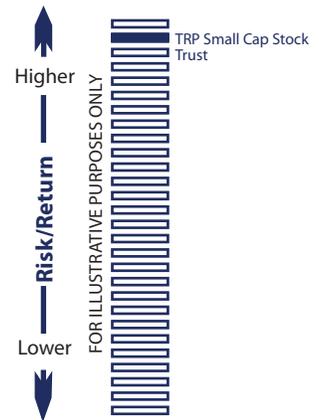

The Trust is managed by the T. Rowe Price Trust Company, a subsidiary of T. Rowe Price Associates, Inc.
