PERS and TRS Handbooks Available at Alaska.gov/drb

Share with Employees in the Defined Benefit Plans

PERS and TRS Information Handbooks are available for download from the Division of Retirement and Benefits Web site. Since the Division no longer prints the handbooks for distribution, it is important to share these links with employees on a regular basis. The information in the handbooks is valuable and clearly explains the PERS (Tier I, II and III) and TRS (Tiers I and II) programs for employees.
