Defined Contribution Retirement Plan

Presented by Division of Retirement & Benefits

PERS/TRS DCR Plan

General Features

PERS Tier IV and TRS Tier III are Hybrid
Defined Contribution Retirement (PERS/TRS
DCR) Plans that offer:

- Occupational death and disability benefits
- Medical coverage
- Health Reimbursement Arrangement (HRA) Account

General Features

• Who is a participant of the PERS/TRS DCR
Plan?

- Individuals who first enter PERS or TRS
on or after July 1, 2006
- Non-vested members who elected to
convert to the DCRP
- Defined Benefit members working for a
DCRP only employer

General Features - continued

- The amount in each individual's account is funded by three sources:
 - Employee contributions
 - Employer contributions
 - Investment gains or losses
- The participant is in the driver seat.
 - Each participant may remain in the default target fund option *or* may decide for themselves how the money in their account is invested from a list of 27 investment options

Employee Contributions

- Participants contribute 8 percent of their salary into their individual account
- Participants can roll funds from other qualified plans into their PERS/TRS account

Employer Contributions

- Employer Rates
 - PERS employers contribute 5 percent to each participant's account
 - TRS employers contribute 7 percent to each participant's account
 - Flat dollar contribution to the Health Reimbursement Arrangement (HRA)
 - Employers also make contributions to fund the retiree medical and occupational disability benefits

Vesting

- Participant's contributions are immediately 100 percent vested
- Employer contributions are 100 percent vested after five years
 - 25 percent vested with two years of service
 - 50 percent vested with three years of service
 - 75 percent vested with four years of service
 - 100 percent vested with five years of service

Importance of Saving

Minimum savings for retirement is the percentage that represents one-half your age:

- At age 36 you should be saving 18%
- At age 52 you should be saving 26%

How to Become Eligible for Benefits

- Access to account balance once terminated from employment
- Access to Medical coverage:
 - 10 years of service and Medicare age eligible, or
 - Any age with 25 years of service for peace officers/firefighters or;
 - 30 years of service for all others
 - Must have worked the prior 12 months and retire directly from the system

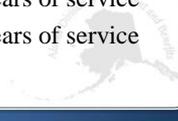

Retiree Medical Plan

- Medical benefits are available to participants and eligible dependents
- Optional plan – member’s choice to participate
- Primary plan for members who are paying the full premium (25 or 30 years of service)
- Secondary plan for members who are Medicare age eligible

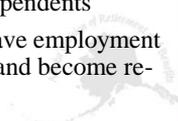

Retiree Medical Premiums

- Participants who are eligible for Medicare will pay a percentage of the monthly premium based on years of service as follows:
 - 10 percent with 30 or more years of service
 - 15 percent with 25 to 29 years of service
 - 20 percent with 20 to 24 years of service
 - 25 percent with 15 to 19 years of service
 - 30 percent with 10 to 14 years of service

Health Reimbursement Arrangement

- Your employer makes all contributions to the HRA
 - Flat dollar amount based on 3 percent of the annual average salary across all PERS and TRS employers
 - Can be used to pay for medical expenses for member and eligible dependents
 - Can be reinstated if you leave employment before reaching eligibility and become re-employed

Eligibility for HRA Benefits

- Access to Health Reimbursement Arrangement (HRA)
 - 10 years of service and Medicare age eligible, or
 - Any age with 25 years of service for peace officers/firefighters or;
 - 30 years of service for all others
 - No requirement to retire directly from system

Optional Insurance Plans

- Dental, Vision and Audio (DVA)
- Long Term Care (LTC)

Disability Benefits

Occupational Disability

- If you as a participant experience a totally, and presumably permanent disability from an accident, injury or illness caused by your job:
 - You will receive 40 percent of your salary at the time of termination due to the disability
 - You will convert to a normal retirement when you reach eligibility for normal retirement
- Tax free benefit

Disability Benefits

- Occupational Disability
 - Employer continues to pay the participant and employer contributions into the participant's account, the HRA, and the retiree medical account

Death Benefits

- Non-occupational Death Benefit
 - Balance of the participant's account, including all employee and vested employer contributions, as well as any net gains or losses

Death Benefits - continued

- Occupational Death Benefit - at time of death
 - 40 percent of salary for "all others"
 - 50 percent of salary for "peace officer/firefighter"
 - Converts to a normal retirement when participant would have reached normal retirement eligibility

Death Benefits

- Occupational Death
 - Employer continues to pay the participant and employer contributions into a separate account for the survivor, the HRA account, and the retiree medical account *until the participant would have reached normal retirement eligibility.*

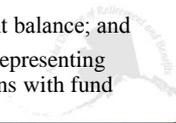

Disability/Death Benefits

- A participant or survivor receiving disability or death benefits is not eligible for medical benefits until normal retirement
- Access to medical benefits and premium subsidy at time of normal retirement
- Service continues to accrue toward medical eligibility until the participant would have reached normal retirement

Normal Retirement Conversion

- Disability Recipients
 - Peace officer/firefighter participants may choose between a continuing lifetime pension benefit or their account balance
 - All other participants may access their account balance
- Survivor Benefit Recipients
 - Access to participant's account balance; and
 - Access to additional account representing employer ongoing contributions with fund interest

Defined Benefit Conclusion

- Medical Coverage
- Health Reimbursement Arrangement (HRA)
- Occupational Disability and Death Benefits

Investing Your Contributions

Recognizing that not all participants are investment experts, your retirement system has contracted with Great-West Financial® as well as their wholly owned subsidiary, Advised Assets Group, LLC, to provide a suite of investment services to participants

New participants are automatically enrolled in an age appropriate target fund

Important Note

- If you were first hired before July 1, 2009, you were automatically enrolled in managed accounts
- If you were hired on or after July 1, 2009, you were automatically enrolled in a Target Fund

Reality Investing Options

Conclusion

- A defined contribution plan is an excellent retirement vehicle for employees. It is important for you to take an active role at the start of your employment
- You have an opportunity to take advantage of the Reality Investing options if you would like

Social Security

- If you work in a position that does not pay into Social Security, and have less than 30 years of qualifying Social Security earnings, you may be subject to Windfall Elimination Provision which will reduce your Social Security benefit
- Benefit estimates received from Social Security do not include offset - must be specifically requested
- Contact Social Security for more information
- (1-800-772-1213 / www.ssa.gov)

Other Considerations

- Divorce and Dissolution
Your PERS/TRS DCR account is considered a marital asset! If you were married during your employment and later divorced, your former spouse may have a claim to part of your benefits. You will need to provide court certified copies of your divorce or dissolution documents to the division.

Other Considerations

- Beneficiary Information – keep it updated!
