

How to transfer a call to someone's voicemail

1. Press the transfer key to start the transfer process
2. In Juneau – Dial 7770
In Anchorage - Dial 5015
In Fairbanks – Dial 2421
3. When prompted, enter the extension you wish to express message + #2.
For instance, if you're trying to leave a message in the mailbox for 1234,
you would enter 1234#2
4. Press the transfer key again to finish the transfer
