

Public Notice

**STATE OF ALASKA
Alaska Oil and Gas Conservation Commission**

The Alaska Oil and Gas Conservation Commission (AOGCC) sought comments in Docket OTH-10-16 concerning whether changes or additions may be needed to the AOGCC's regulations governing drilling, rig workover and well control in offshore and ultra-extended reach wells drilled in areas of the State of Alaska under the AOGCC's jurisdiction.

Hearings were held on September 15-16, 2011 at the offices of the Alaska Oil and Gas Conservation Commission. When the AOGCC concluded those hearings it gave notice to the public that the record would close thirty (30) days after the issuance of the "Report of the National Academy of Engineering". This report was issued on December 14, 2011. Therefore, the AOGCC docket in this matter will close on January 15, 2012.
