Re: Docket Number: AIO-15-007
Request to amend Area Injection Order (AIO) 2B.041
Kuparuk River Unit (KRU) 1Y-10 (PTD 1830510)
Kuparuk River Field
Kuparuk River Oil Pool

Dear Ms. Lyons:

By letter dated February 4, 2015, ConocoPhillips Alaska, Inc. (CPAI) requested an amendment of administrative approval (AA) Area Injection Order (AIO) 2B.041.

In accordance with Rule 11 of AIO 02C, the Alaska Oil and Gas Conservation Commission (AOGCC) hereby **DENIES** CPAI's request to amend the AA.

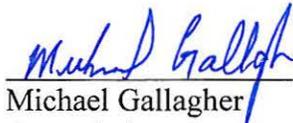

KRU 1Y-10 developed a surface casing leak in May 2008. However, the AOGCC determined that water injection could safely continue if CPAI complied with the restrictive conditions set out in AIO 2B.041.

CPAI has performed a rig workover of 1Y-10 in 2014 which repaired the surface casing leak. However, 1Y-10 now has an atypical completion with a packer depth out of compliance and production casing leaks. AIO 2B.041 is no longer necessary to the operation of 1Y-10 and is hereby **CANCELLED**. Injection into KRU 1Y-10 will be governed by provisions of **AIO No. 2C.014** when issued. AIO 2C superseded AIO 2B on June 19, 2014.

DONE at Anchorage, Alaska and dated February 10, 2015.

Daniel T. Seamount, Jr.
Commissioner

Michael Gallagher
Commissioner

RECONSIDERATION AND APPEAL NOTICE

As provided in AS 31.05.080(a), within **20** days after written notice of the entry of this order or decision, or such further time as the AOGCC grants for good cause shown, a person affected by it may file with the AOGCC an application for reconsideration of the matter determined by it. If the notice was mailed, then the period of time shall be **23** days. An application for reconsideration must set out the respect in which the order or decision is believed to be erroneous.

The AOGCC shall grant or refuse the application for reconsideration in whole or in part within 10 days after it is filed. Failure to act on it within 10-days is a denial of reconsideration. If the AOGCC denies reconsideration, upon denial, this order or decision and the denial of reconsideration are **FINAL** and may be appealed to superior court. The appeal **MUST** be filed within **33** days after the date on which the AOGCC mails, **OR 30** days if the AOGCC otherwise distributes, the order or decision denying reconsideration, **UNLESS** the denial is by inaction, in which case the appeal **MUST** be filed within **40** days after the date on which the application for reconsideration was filed.

If the AOGCC grants an application for reconsideration, this order or decision does not become final. Rather, the order or decision on reconsideration will be the **FINAL** order or decision of the AOGCC, and it may be appealed to superior court. That appeal **MUST** be filed within **33** days after the date on which the AOGCC mails, **OR 30** days if the AOGCC otherwise distributes, the order or decision on reconsideration.

In computing a period of time above, the date of the event or default after which the designated period begins to run is not included in the period; the last day of the period is included, unless it falls on a weekend or state holiday, in which event the period runs until 5:00 p.m. on the next day that does not fall on a weekend or state holiday.
