RE: PBU 14-01A (PTD 1931850) Request for Administrative Approval

Dear Mr. Rossberg:

In accordance with Rule 9 of Area Injection Order ("AIO") 04E.000, the Alaska Oil and Gas Conservation Commission ("AOGCC" or "Commission") hereby grants BP Exploration (Alaska) Inc. ("BPXA")'s request for administrative approval to continue water injection in the subject well.

PBU 14-01A exhibits slow inner annulus repressurization and has been shut in since November 2005. AOGCC finds that BPXA has elected to perform no corrective action at this time on PBU 14-01A. The Commission further finds that, based upon reported results of BPXA's diagnostic procedures, PBU 14-01A exhibits two competent barriers to release of well pressure. Accordingly, the Commission believes that the well's condition does not compromise overall well integrity so as to threaten human safety or the environment.

AOGCC's administrative approval to continue water injection in PBU 14-01A is conditioned upon the following:

1. BPXA shall record wellhead pressures and injection rate daily;
2. BPXA shall submit to the AOGCC a monthly report of well pressures and injection rates;
3. BPXA shall perform an MIT-IA every 2 years to 1.2 times the maximum anticipated well pressure;
4. BPXA shall limit the well's IA pressure to 2000 psi;

5. BPXA shall immediately shut in the well and notify the AOGCC if there is any change in the well's mechanical condition;
6. after well shut in due to a change in the well's mechanical condition, AOGCC approval shall be required to restart injection, and
7. The MIT anniversary date is December 22, 2006.

As provided in AS 31.05.080, within 20 days after written notice of this decision, or such further time as the Commission grants for good cause shown, a person affected by it may file with the Commission an application for rehearing. A request for rehearing is considered timely if it is received by 4:30 PM on the 23rd day following the date of this letter, or the next working day if the 23rd day falls on a holiday or weekend. A person may not appeal a Commission decision to Superior Court unless rehearing has been requested.

DONE at Anchorage, Alaska and dated February 21, 2007.
