RE: Cancellation of Disposal Injection Orders

Dear Mr. Hall:

Pursuant to Pacific Energy Resources Ltd ("Pacific")'s request dated May 7, 2008 AOGCC hereby cancels Disposal Injection Order 16 (West McArthur River Unit Well 4) and Disposal Injection Order 22 (Redoubt Unit Well D1). Both orders authorize the injection of Class II waste fluids. On July 20, 2007 the Environmental Protection Agency approved Pacific's request to authorize both wells as Class I non-hazardous waste injectors.

The status of obligations under DIO 16 and DIO 22 have been reviewed. Finding no outstanding items, the Commission cancels Disposal Injection Orders 16 and 22.

DONE at Anchorage, Alaska and dated May 16, 2008.
