Request to Rescind Disposal Injection Order (DIO) 31
Oooguruk Unit (OU) ODSDW 01-44 (PTD 2071400)
Oooguruk Field
Oooguruk Undefined Waste Disposal Pool

Dear Mr. Hellén:

By letter dated February 9, 2015, Caelus Energy Alaska, LLC (Caelus) requested revocation of Disposal Injection Order 31.

In accordance with 20 AAC 25.252 (a), the Alaska Oil and Gas Conservation Commission (AOGCC) hereby **GRANTS** Caelus' request to revoke the DIO.

On June 19, 2007 the AOGCC issued DIO 31 approving Class II underground disposal of oil field wastes in wells designated as DW-1 and DW-2. DIO 31 stated an application for a Class I well permit with the United States Environmental Protection Agency (EPA) had been filed. This permit was subsequently issued by EPA as AK-11009-A.

DIO 31 is no longer necessary to the operation of ODSDW 01-44 and is hereby REVOKED. Injection into ODSDW 01-44 will be governed by provisions of 20 AAC 25 and EPA Class I permit AK-11009-A.

DONE at Anchorage, Alaska and dated February 25, 2015.

RECONSIDERATION AND APPEAL NOTICE

As provided in AS 31.05.080(a), within 20 days after written notice of the entry of this order or decision, or such further time as the AOGCC grants for good cause shown, a person affected by it may file with the AOGCC an application for reconsideration of the matter determined by it. If the notice was mailed, then the period of time shall be 23 days. An application for reconsideration must set out the respect in which the order or decision is believed to be erroneous.

The AOGCC shall grant or refuse the application for reconsideration in whole or in part within 10 days after it is filed. Failure to act on it within 10-days is a denial of reconsideration. If the AOGCC denies reconsideration, upon denial, this order or decision and the denial of reconsideration are FINAL and may be appealed to superior court. The appeal MUST be filed within 33 days after the date on which the AOGCC mails, OR 30 days if the AOGCC otherwise distributes, the order or decision denying reconsideration, UNLESS the denial is by inaction, in which case the appeal MUST be filed within 40 days after the date on which the application for reconsideration was filed.

If the AOGCC grants an application for reconsideration, this order or decision does not become final. Rather, the order or decision on reconsideration will be the FINAL order or decision of the AOGCC, and it may be appealed to superior court. That appeal MUST be filed within 33 days after the date on which the AOGCC mails, OR 30 days if the AOGCC otherwise distributes, the order or decision on reconsideration.

In computing a period of time above, the date of the event or default after which the designated period begins to run is not included in the period, the last day of the period is included, unless it falls on a weekend or state holiday, in which event the period runs until 5:00 p.m. on the next day that does not fall on a weekend or state holiday.
