BlueCrest, by letter dated January 7, 2019, requests the Alaska Oil and Gas Conservation Commission (AOGCC) issue an order for an exception to the spacing requirement of 20 AAC 25.055 because the proposed well and well branches will be drilled within the same governmental quarter sections as, and within 1,000 feet of wells which are, or maybe capable of, producing from the same pool.

The AOGCC has tentatively scheduled a public hearing on this application for February 21, 2019, at 10:00 a.m. at 333 West 7th Avenue, Anchorage, Alaska 99501. To request that the tentatively scheduled hearing be held, a written request must be filed with the AOGCC no later than 4:30 p.m. on February 2, 2019.

If a request for a hearing is not timely filed, the AOGCC may consider the issuance of an order without a hearing. To learn if the AOGCC will hold the hearing, call (907) 793-1221 after February 5, 2019.

In addition, written comments regarding this application may be submitted to the AOGCC at 333 West 7th Avenue, Anchorage, Alaska 99501. Comments must be received no later than 4:30 p.m. on February 16, 2019, except that, if a hearing is held, comments must be received no later than the conclusion of the February 21, 2019 hearing.

If, because of a disability, special accommodations may be needed to comment or attend the hearing, contact the AOGCC's Special Assistant, Jody Colombie, at (907) 793-1221, no later than February 8, 2019.
