

## **Amended Notice of Public Hearing**

### **STATE OF ALASKA ALASKA OIL AND GAS CONSERVATION COMMISSION**

Cook Inlet Energy, L.L.C. (CIE) requested reconsideration of Order No 102, imposing civil penalties in the amount of \$446,000 for numerous regulatory violations pertaining to Sword #1 safety valve system (SVS) and CIE's failure to provide requested information regarding its SVS compliance policies.

A public hearing was set on CIE's request for reconsideration. CIE then asked that the hearing be continued pending appointment of a third commissioner to this commission. The request was granted.

On July 20, 2016, the third commissioner was appointed. Because the basis for continuing the hearing no longer exists, the Alaska Oil and Gas Conservation Commission (AOGCC) has scheduled a public hearing in this matter for September 13, 2016 at 9:00 a.m. at 333 W. 7<sup>th</sup> Avenue, Anchorage, Alaska 99501.

If, because of a disability, special accommodations may be needed to comment or attend the hearing, contact the AOGCC's Special Assistant, Jody Colombie, at 793-1221, no later than September 9, 2016.
