Re: Docket Number: AIO-15-054  
Request to cancel Area Injection Order (AIO) 12.002  
Trading Bay State A-29RD (PTD 2020040)  
Trading Bay Field  
Hemlock Oil Pool

Dear Mr. Greenstein:

By email dated December 30, 2015, Hilcorp Alaska, LLC. (Hilcorp) requested cancellation of administrative approval (AA) Area Injection Order (AIO) 12.002.

In accordance with Rule 8 of AIO 12.000, the Alaska Oil and Gas Conservation Commission (AOGCC) hereby **GRANTS** Hilcorp's request to cancel the AA.

TBU A-29RD developed a tubing by inner annulus pressure communication in February 2009, and on March 23, 2009 the AOGCC issued AIO 12.002 to the then operator Unocal. AOGCC determined that water injection could safely continue if Unocal complied with the restrictive conditions set out in AA AIO 12.002.

Hilcorp has performed an unsuccessful workover and has run a kill string into the well. AA AIO 12.002 is no longer necessary to the operation of A-29RD and is hereby **CANCELLED**. Injection into A-29RD will be governed by provisions of AIO No. 12.000.

**DONE at Anchorage, Alaska and dated January 7, 2016.**

**RECONSIDERATION AND APPEAL NOTICE**

As provided in AS 31.05.080(a), within **20** days after written notice of the entry of this order or decision, or such further time as the AOGCC grants for good cause shown, a person affected by it may file with the AOGCC an application for reconsideration of the matter determined by it. If the notice was mailed, then the period of time shall be **23** days. An application for reconsideration must set out the respect in which the order or decision is believed to be erroneous.

The AOGCC shall grant or refuse the application for reconsideration in whole or in part within 10 days after it is filed. Failure to act on it within 10-days is a denial of reconsideration. If the AOGCC denies reconsideration, upon denial, this order or decision and the denial of reconsideration are **FINAL** and may be appealed to superior court. The appeal **MUST** be filed within **33** days after the date on which the AOGCC mails, **OR 30** days if the AOGCC otherwise distributes, the order or decision denying reconsideration, **UNLESS** the denial is by inaction, in which case the appeal **MUST** be filed within **40** days after the date on which the application for reconsideration was filed.

If the AOGCC grants an application for reconsideration, this order or decision does not become final. Rather, the order or decision on reconsideration will be the **FINAL** order or decision of the AOGCC, and it may be appealed to superior court. That appeal **MUST** be filed within **33** days after the date on which the AOGCC mails, **OR 30** days if the AOGCC otherwise distributes, the order or decision on reconsideration.

In computing a period of time above, the date of the event or default after which the designated period begins to run is not included in the period; the last day of the period is included, unless it falls on a weekend or state holiday, in which event the period runs until 5:00 p.m. on the next day that does not fall on a weekend or state holiday.
