In the matter of Forcenergy's request for)
approval of the Redoubt Field Plan)
pursuant to AS 31.05.030(i)) January 6, 2000

ORDER

IT APPEARING THAT:

On November 30, 1999, Forcenergy Inc ("Forcenergy") submitted the Redoubt Field Plan for purposes of AS 38.05.180(f)(5) to the Alaska Oil and Gas Conservation Commission ("Commission") and requested approval pursuant to AS 31.05.030(i). A copy of the Redoubt Field Plan is attached as Exhibit 1.

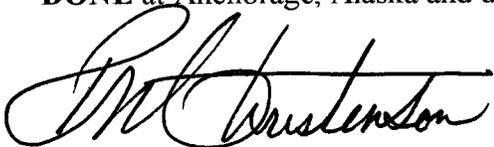

Notice of a public hearing to be held on January 5, 2000 was published in the Anchorage Daily News and the Peninsula Clarion on December 3, 1999.

A public hearing was held on Forcenergy's Redoubt Field Plan on January 5, 2000. No testimony was received except from Forcenergy.

The Redoubt Field Plan contains a voluntary agreement by Forcenergy to use its best efforts to employ residents of this state, consistent with law, and to contract with firms in this state for work in connection with the development of the field, including the fabrication and installation of required facilities, whenever feasible.

NOW, THEREFORE, IT IS ORDERED that Forcenergy's Redoubt Field Plan approved pursuant to AS 31.05.030(i).

DONE at Anchorage, Alaska and dated January 6, 2000.
