

LIGHT DUTY AUTO PARTS

NON-MANDATORY FOR STATE AGENCIES
AVAILABLE TO POLITICAL SUBDIVISIONS

NASPO ValuePoint leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of NASPO ValuePoint. In order to use a contract, the state must sign a Participating Addendum (PA).

The State of Alaska has signed PA's with the vendor's listed below as non-mandatory contracts for Auto Parts.

Placing Orders: Agencies can get quotes and place orders through the individual NAPA and O'Reilly stores listed below, or through [Factory Motor Parts](#) (FMP), phone: (866) 497-2787.

To receive the contract discount, make sure to include the NASPO or state contract number listed below when obtaining quotes and placing orders.

F.O.B. Destination: All prices under this contract are **F.O.B. Destination**, with all shipping and handling charges paid by the contractor, except for:

- 1) Orders less than \$150.00 that require delivery outside a 30-mile radius of a store location that is being ordered from.
- 2) When an agency requires expedited or special handling such as overnight service.
- 3) Special order items such as engines or transmissions.

Shipping charges for orders under one of the above three conditions must be clearly identified on the invoice. Responsibility and liability for loss or damage for all orders remains with the contractor until final inspection and acceptance by the ordering agency.

The original RFP's and complete contract terms and conditions can be found on the NASPO ValuePoint websites:
