NASPO ValuePoint leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of NASPO ValuePoint. To use a contract, the state must sign a Participating Addendum (PA).

This contract allows participating entities to purchase construction equipment, including equipment with warranty work and replacement parts. The product line within the scope of this Master Agreement is offered at a "catalog discount" and includes a multi-unit discount.

Notice to all State Agencies: State of Alaska Agencies are required to notify DOT prior to purchase of heavy-duty equipment from this contract.

The State of Alaska has signed PA’s with the vendor’s listed below as non-mandatory contracts for Construction Equipment:
