

**COST PROPOSAL**

Cost proposal must include all costs required to perform the work as described, including but not limited to travel costs, labor, overhead, etc. **BOTH HOURLY RATE AND EST # OF HOURS MUST BE COMPLETED FOR YOUR PROPOSAL TO BE RESPONSIVE.**

If additional unanticipated work is required after TO contract award, it shall be performed at the hourly rate quoted below. All proposed individual resources and subcontractors are subject to the approval of the TO Manager. Any change in individual resources or sub-contractors after award will require approval by the Agency Project Manager.

To ensure the optimum use of public funds, the state will review cost reasonableness in the following manner:

1. If any response has a cost proposal that is 50% or greater above or below the average cost of all responses, the state reserves the right to not consider that response. (Ex: Given an average cost of \$10,000, responses with cost proposals \$15,000 and higher or \$5,000 and lower may be rejected.)
2. BEST VALUE: If the highest ranked vendor's cost proposal is 10% or more greater than the second highest ranked vendor's cost proposal, the state reserves the right to make award to the second highest ranked vendor.
3. LOW PRICE: Past Performance Information (PPI) shall be applied to your Total Cost as a percentage reduction equivalent to your current PPI score for evaluation purposes. (Ex: If your current PPI score is 5, your Total Cost will be reduced by 5% when comparing to other costs.)
