THE HONORABLE SEAN PARNELL  
GOVERNOR OF THE STATE OF ALASKA

MEMBERS OF THE ALASKA STATE LEGISLATURE

Ladies and Gentlemen:

We are pleased to submit the Thirty-Eighth Annual Report of the Violent Crimes Compensation Board for the period July 1, 2010 through June 30, 2011. This annual report is submitted to meet the requirements of Alaska Statute 18.67.170 and to highlight the efforts of Governor Sean Parnell, the members of the Twenty-Seventh Legislature, law enforcement, public and private persons and agencies, and the Violent Crimes Compensation Board in helping innocent victims of violent crimes to pick up the pieces. While monetary compensation for losses does not make whole lives torn by violence, financial help does lessen the burden and can provide hope. The Violent Crimes Compensation Board and staff are thankful for the opportunity to serve the people of Alaska.

Respectfully,

The Violent Crimes Compensation Board

The total number of applications approved and paid out may not equal the number of new applications received. For example, claims received in the latter part of the fiscal year FY11 may not be reviewed or approved until July or August 2011 (the first few months of FY12) and therefore would be included in next year's report. Award payments may in some cases extend over several years, so that payments may have been made in FY11 for claims which were originally received in FY10 or earlier.

## **WHY WAS THE VCCB ESTABLISHED?**

The Violent Crimes Compensation Board (VCCB) was established by state law in 1972 to help mitigate the financial hardships innocent victims can suffer as a direct result of violent crime. As a key element in the recovery process, the VCCB provides timely financial help to victims in need and plays a crucial role in helping victims recover from the trauma and economic burden of criminal victimization.

The Board makes awards in a number of ways on behalf of innocent victims of certain violent crimes which occur in Alaska. The Board may compensate medical expenses, counseling costs, lost income, lost support, funeral expenses and/or other reasonable expenses and losses sustained by innocent victims of violent crimes in Alaska. The Board may also compensate similar losses sustained by Alaskans who are victims of violent crime in locations without a compensation program.

The Board provides for the payment of pecuniary loss to dependents of deceased victims and may award the full compensation available by statute to victims who are permanently disabled as a direct result of the crime. The program is a payer of last source. Compensation is awarded only for expenses not covered by a collateral source such as medical and automobile insurance, employee benefits, and assistance programs.

**In 2011 the Board received 895 new claims and paid out a total of \$2,310,974.20**

### **Some comments received from claimants assisted by the Board in 2011**

“...I want to sincerely thank you, your state government and all in your organization for the work you do every day to lessen the pain and trauma victims and families of victims experience after a violent, sudden unexplained loss”.

“...Your work is a light shining in a very dark place”

“...the board, offering financial help when it has been most crucial, is making a huge impact in our lives. This will make the difference between recovering in a timely manner, versus being a “forever victim”..”

“You have helped me so much by awarding me money to pay my past bills and see Dr.’s currently. I don’t know what I would have done without your help!”

## **WHO IS HELPED BY THE VCCB?**

The VCCB attempts to mitigate the financial and emotional toll violent crime causes Alaskans and visitors to Alaska. The VCCB addresses the needs of innocent victims of violent crimes, the families of victims, and others who, by virtue of their relationship to a victim, incur direct losses. The Board considers applications (requests for compensation) based on violent crimes including homicide, assault in any degree, sexual assault, sexual abuse of a minor, child abuse and neglect, robbery in any degree, threats to do bodily harm, crashes involving intoxicated drivers (vehicles, boats, and airplanes), vehicular incidents in which a vehicle has been used as a weapon, terrorism, hit and run and trafficking in persons. The Board does not compensate loss or damage to personal property except in extreme circumstances where the safety of a victim could be in jeopardy. In those instances, the Board may replace locks and doors, pay for emergency cell phone or mail box service, and/or pay for security system costs.

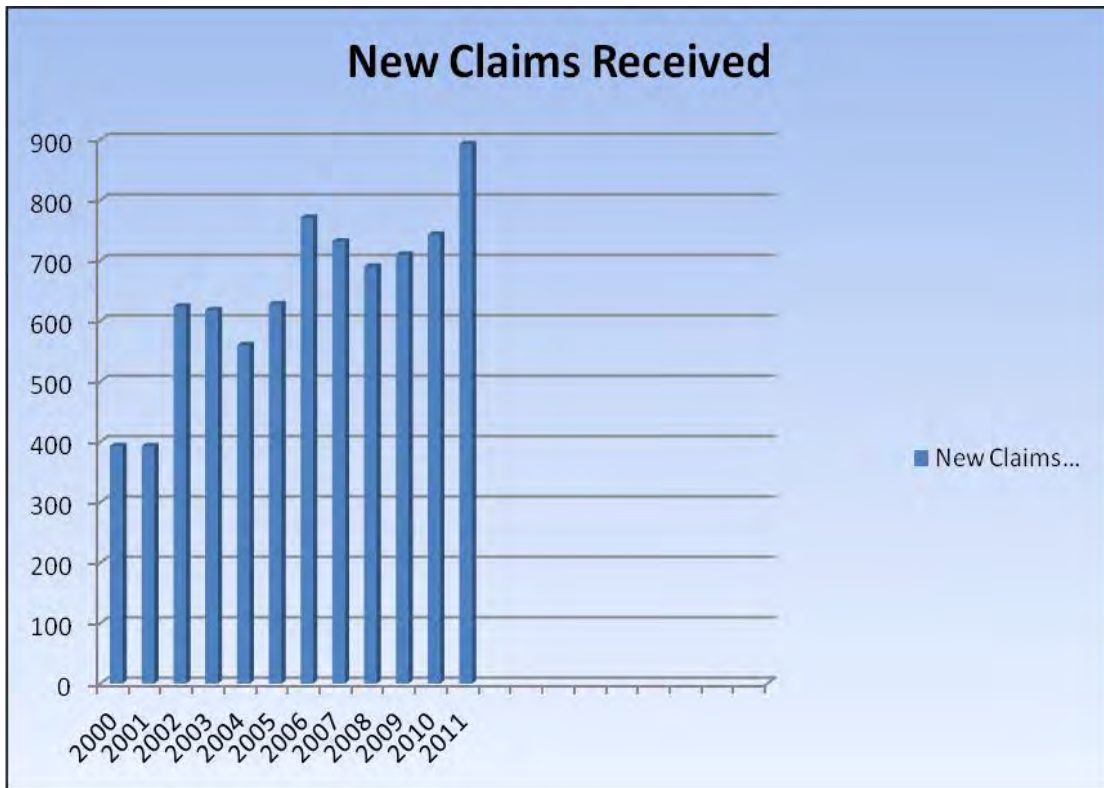

The families of homicide and manslaughter victims can receive compensation through the program for funeral expenses, lost support, and other compensable expenses. Family members may submit copies of transportation and funeral cost receipts to the Board for consideration of reimbursement. Family members may seek the payment of counseling costs too. The Board is financially unable to make any "pain and suffering" awards.

Persons who by virtue of their relationship to the victim have incurred reasonable expenses may also apply for compensation. For example, relatives of a minor child who is an innocent victim of an eligible crime may apply for compensation of expenses incurred as a direct result of the crime. Eligible relatives include spouses, parents, grandparents, step-parents, natural born children, step-children, adopted children, brothers, sisters, half brothers, or spouse's parents. The Board considers equally claims from Alaskan residents and visitors to Alaska victimized in Alaska. Alaskan residents who are victimized in another state should apply to the compensation program in the state where the crime occurred. All 50 states plus the District of Columbia, the Virgin Islands and Puerto Rico offer crime victim compensation.

## NEW CLAIMS IN 2011

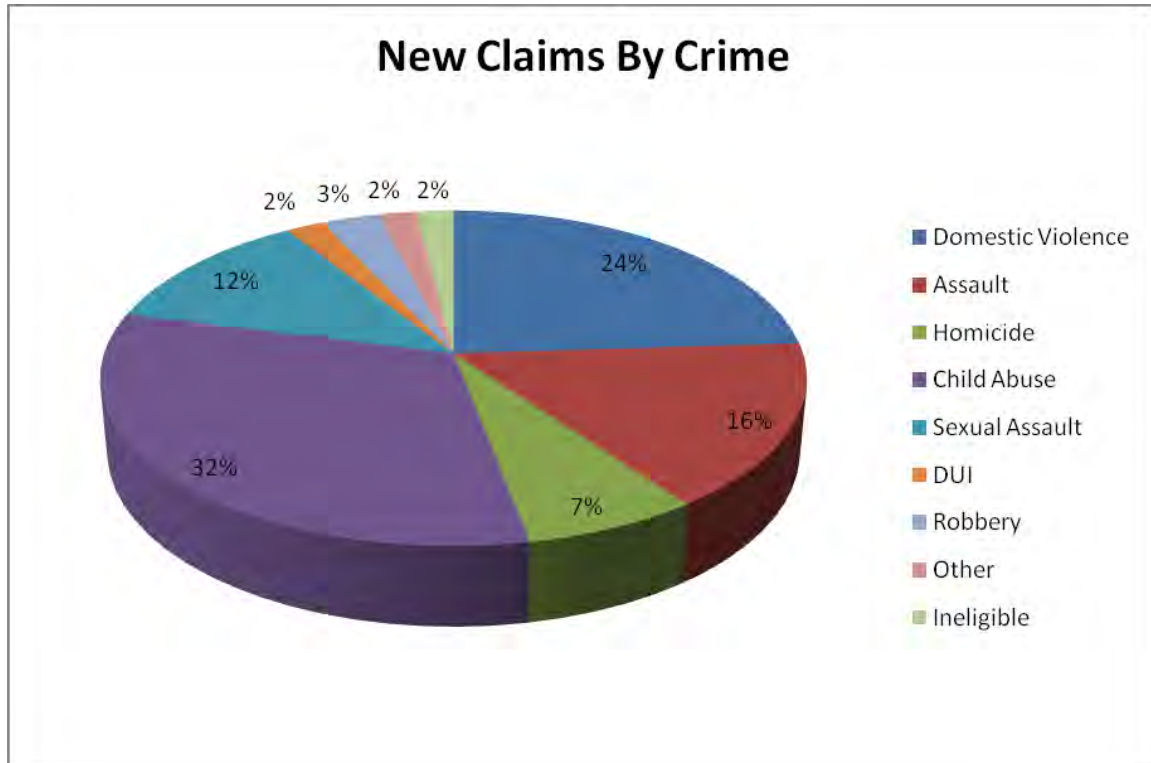

The Board considers an ever-increasing number of requests for crime victim compensation. Since 2000, the overall trend has been for the number of applications received to increase each year over the prior year(s). The following graph illustrates this:

The Board receives applications for compensation from all regions of the state. The following table shows the number of new applications received during the reporting period by location:

## VIOLENT CRIMES COMPENSATION BOARD AWARDS – 2011

### TRENDS 2011

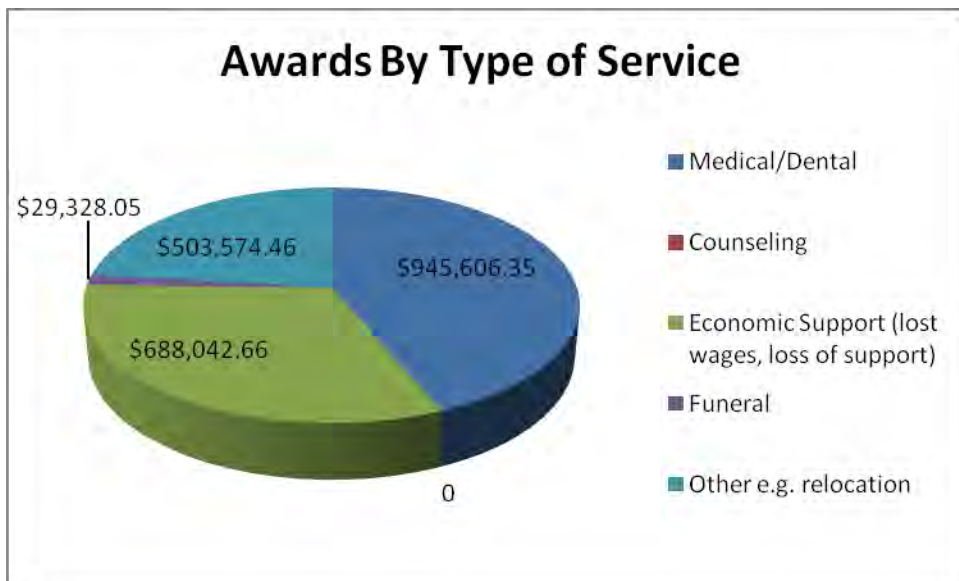

The statistics for 2011 follow a very similar pattern to 2010. Child abuse was the single largest category of new claims at 32%. Domestic violence was the second largest category at 24%, followed by assault and sexual assault, at 16% and 12% of the total, respectively, although both categories of crime were very slightly down compared with 2010. Homicide claims were also around the same % of the total (7% compared with 6% in 2010)

## **NEGOTIATED SETTLEMENTS**

During 2011, the Violent Crimes Compensation Board continued practices designed to ensure the success of the development and establishment of the Victim Restoration Program. This program ensures the maximization of limited resources through receipt of restitution, subrogation, and settlement agreements. During the time period of this report, staff negotiated agreements with medical providers to accept partial payments as payment in full.

The purpose of the negotiations is two-fold. First, negotiating settlements helps reduce the number of victims who may end up with poor credit records as a result of medical bills being transferred to collection agencies. In addition, garnering agreements with providers to accept partial payments as payment in full stretches the Board's limited resources to serve more victims and claimants eligible for compensation under Alaskan law.

During FY11, Board staff successfully negotiated 39 medical bills (87% of attempted negotiated settlements) for a total savings of \$381,291.22. Our success rate was down slightly on the last few years as represented by this graph:

	<b>Amount of savings</b>
2005	\$50,597.42
2006	\$27,221.25
2007	\$210,025.04
2008	\$453,302.70
2009	\$461,382.94
2010	\$619,211.08
2011	\$381,291.22

## FUNDING AND EXPENDITURES

The State's violent crimes compensation program is funded through both state and federal funds. Approximately 62% of the amount awarded annually in compensation comes from a legislative appropriation of state funds. These state funds are currently available because Permanent Fund dividends are withheld from certain persons convicted of crimes in Alaskan courts and earmarked for use by victim-focused programs such as the crime victim compensation program.

In 1984, the federal Victims of Crime Act established a Crime Victims Fund. This Fund is used to support both State crime victim compensation programs and State victim assistance programs. Funds are made available annually to state crime victim compensation programs by way of a formula grant program. Alaska's compensation program must qualify annually for its federal grant and has done so successfully since the federal fund's inception. Approximately 38% of the monies awarded to victims in Alaska annually come from this federal fund.

Illustration:

State Dollars paid to Victims	\$100 (62%)
<u>Federal Grant Paid to Victims</u>	<u>\$60 (38%)</u>
Total Paid to Victims	\$160 (100%)

The greatest portion of the compensation program's budget serves eligible innocent victims directly. Awards are made to compensate expenses and losses. The following chart illustrates the Board's commitment to keeping administrative costs at a minimum which enables maximum compensation to victims for eligible costs. This practice makes more funds available for direct award to victims and their service providers.

**Administrative Costs**

- 1     Administrative Costs=15%**
- 2     Awards to Claimants=85%**

## **STATE CRIME VICTIM COMPENSATION FUND**

At the inception of the Violent Crimes Compensation Board, a state Crime Victim Compensation Fund was established by statute (AS 18.67.162). In September 2008 the legislature's amendment to AS 18.67 took effect, allowing "donations, recoveries of or reimbursements for awards made from the fund, income from the fund, and other program receipts from activities under this chapter" to be included in money appropriated by the legislature to the fund. The amendment also ensured that appropriations to the fund do not lapse.

## **MINOR TRUSTS**

In 2007 the Board established a policy of moving monies held on behalf of minor dependents of homicide victims into interest bearing money market accounts ("minor trust accounts"). At the close of this reporting period, there were 48 active accounts established. Annual payments are generated out of these accounts and sent directly to the legal guardians of the minor child to replace the support lost when the child's parent or legal guardian became a homicide victim.

## **CLAIMS PROCESSING**

When a claim is received, minimum eligibility is determined as soon as possible. The claim must be related to one of the crimes listed by statute as compensable. The crime must have been reported to proper authorities within five days of the incident or as soon as it could reasonably have been reported. By statute, the application must have been received by the Board within two years of the incident. However, the Board has some discretion to waive the time filing requirement with just cause. The claimant must have agreed to the state's repayment and subrogation agreement and must have given permission to the compensation program to seek and exchange necessary information.

Usually the same day an application is received, claim documentation begins and requests for information are sent to hospitals, doctors, employers, and other pertinent sources. The purpose of the information gathering process is to ensure claim compliance with all statutory requirements and to gain an understanding of the victim's needs.

Staff maintains a close liaison with relevant law enforcement agencies and District Attorney's offices throughout the claim verification process. The types of compensation which can be awarded are set out in Alaskan law (AS 18.67.110). The losses claimed must be reasonable and incurred as a direct result of the crime on which the claim is based. Other collateral sources such as Workers' Compensation, Social Security, and medical insurance are considered, as the Board awards compensation only for expenses and losses not covered through other sources.

Once the Executive Director has certified the file as complete, she reviews the claim and prepares a recommendation to the Board. All claim decisions except for emergency

award requests are made at Board meetings. The Board makes the claim determination and may conclude any of the following:

- ◆ The claim cannot be fully determined yet due to incomplete documentation or information – claim is **deferred**;
- ◆ The claim is eligible for compensation either for the full or lesser amount requested claim is **awarded** (if a lesser amount is requested, the claimant has the opportunity to request a hearing);
- ◆ The claim cannot be determined due to conflicting information and advises that a hearing is required prior to a final decision – claim is sent to hearing; or
- ◆ The claim is ineligible for compensation by statute in which case the claimant is notified of the statutory basis for the denial and given information on the appeal process – claim is **denied**.

## **OUTREACH**

The Board continues to work with law enforcement, victim assistance agencies, prosecuting officials, service providers and other persons and agencies to ensure crime victims are informed of their rights to compensation under Alaskan law.

The Board continued to spearhead efforts to highlight victims’ rights by sponsoring several events during Crime Victims’ Rights Week. Board staff also provided training to various audiences including staff of victim service programs, clinics, Child Advocacy Centers, and made presentations at the Alaska Victim Assistance Academy, and the Child Maltreatment Conference.
